The Path Of Kabbalah:

The Path of Kabbalah Michael Laitman, Rav Michael Laitman, 2005-01-01 Kabbalists state that there is no reality at all but something called His Essence the Upper Force and this is what we perceive as our world As uncanny as it sounds this notion hides in its wings the very prospect of freedom for every person for every nation and for the entire world The structure and the perception of reality are the surface of this book But the story of humanity or more accurately of the human soul is the undercurrent that drives the reader forward in this book It is about you about me about all of us This book is about the way we were the way we are the way we will be and most importantly it is about the best way to get there In this neatly structured composition every part speaks of a different aspect of Kabbalah It starts with our perception of reality our perception of the Creator and the evolution of our soul in the spiritual worlds including explanatory drawings The book also clears up misconceptions about Kabbalah and explains in plain words how to experience the spiritual realm of our lives
