The Pattern In The Mount:

The Pattern in the Mount Charles H. Parkhurst, 2015-07-19 Excerpt from The Pattern in the Mount And Other Sermons
Look that thou make them after the pattern that was showed thee in the mount Ex xxv 40 This occurs in the course of a lesson that the Lord was giving Moses on architecture The tabernacle was not yet built This lesson had primary reference to the tabernacle and its furniture Moses when he went down from God on Sinai knew what he was going to build and how he was going to build it The tabernacle was with him already a fact a mental fact as real a thing to him then I suppose as it was afterward when it stood out upon the plain a palpable affair of rams skins goats hair and shittimwood The thought of a thing the conception of it is its first half and largest half It is easier to pour in the molten iron than to make in the sand the mould into which it is to be poured In the idea the tabernacle was already finished and furnished He had now only to go on and set up upon the ground in forms of wood linen and metal the structure that in his mind was already forecast and divinely complete About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
