The Pavilion:

The Architectural Imagination at the Digital Turn Nathalie Bredella, 2022-06-29 The Architectural Imagination at the Digital Turn asks what it means to speak of a digital turn in architecture. It examines how architects at the time engaged with the digital and imagined future modes of practice and looks at the technological, conceptual, and economic phenomena behind this engagement. It argues that the adoption of digital technology in architecture was far from linear but depended on complex factors from the operative logic of the technology itself to the context in which it was used and the people who interacted with it. Creating a mosaic-like account, the book presents debates, projects, and publications that changed how architecture was visualized, fabricated, and experienced using digital technology. Spanning the university, new media art, institutes, ecologies, architectural bodies, fabrication, and the city, it re-evaluates familiar narratives that emphasized formal explorations. Instead, the book aims to complicate the myth of the digital by presenting a nuanced analysis of the material and social context behind each case study. During the 1990s, architects repurposed software and technological concepts from other disciplines and tested them in a design environment. Some architects were fascinated by its effects; others were more critical. Through its discussion on case studies, places, and themes that fundamentally influenced discourse formation in the era, this book offers scholars, researchers, and students fresh insights into how architecture can engage with the digital realm today.

The Defining Decade Harold Martin Troper, 2010-01-01 This wonderfully written and well-researched book adds an important facet to our evolving understanding of the sixties, firmly and passionately planting the Jewish third solitude experience of the period within its Canadian and international contexts. Troper shows how the Canadian Jewish identity was jolted not only by the activism and not-so-quiet revolutions of the sixties in North America but also by the dramatic politics of Israel and the Middle East, especially the 1967 Six Day War. Essential reading for anyone who wants to truly understand the full sixties experience in Canada. Dimitry Anastakis, Department of History, Trent University and editor, *The Sixties: Passion, Politics, and Style*. Harold Troper has written the definitive book about what he calls the Defining Decade. This insightful, well-written, lively work not only tells the story of Canadian Jewry during the 1960s but it illuminates important changes that were occurring throughout Canadian society and among Canadian Jewry's prominent next-door neighbour, the American Jewish Community. Gil Troy, Professor of History, McGill University. Canadian Jewry during the 1960s underwent major transformations as the community grew in size, diversified, and asserted itself in new ways. A nuanced portrait of one ethnic community's evolving self-perception. **The Defining Decade** tells this compelling story with energy, clarity, and purpose. Ceral Tuichinsky, Department of History, Queen's University and author of *Canada's Jews: A People's History*. **Architecture in the Digital Age** Branko Kolarevic, 2004-03-01 Architecture in the Digital Age addresses contemporary architectural practice in which digital technologies are radically changing how buildings are conceived, designed, and produced. It discusses the digitally driven changes, their origins, and their effects by grounding them in actual practices already taking place while

simultaneously speculating about their wider implications for the future The book offers a diverse set of ideas as to what is relevant today and what will be relevant tomorrow for emerging architectural practices of the digital age *New York Legislative Documents* New York (State). Legislature,1919 *TOP Bulletin* ,1987-06-15 **The Pleasures and Treasures of Britain** David Kemp,1992-01-12 Is a famous queen of Britain really buried beneath platform 10 at King s Cross station in London What is the telephone number of the National Theatre what is the best place to eat in Worcester Where is the National Bagpipe Museum Hint not in Scotland Was Pontius Pilate born in Pitlochry The answers to these questions and literally thousands more are to be found in David Kemp s fascinating guidebook *The Pleasures and Treasures of Britain* Nowhere else will the discerning traveller find so much diverse and essential information about British culture gathered together in one volume With the author as your witty and knowledgeable guide take a tour through nearly fifty cities from Penzance to Perth from London to Cardiff and Belfast Each city section begins with a concise readable history and a guided walk around the town planned to take in as many of the significant local sights as can comfortably be included Next are exhaustive listings including telephone numbers and addresses of everything a culturally curious visitor might want to seek out theatre art galleries museums antique markets antiquarian and other bookstores restaurants local fairs and festivals and more Finally under the headings of Artistic Associations and Ephemera each section concludes with an entertaining collection of local lore gossip legend and anecdote **Migration in the Making of the Gulf Space** Antia Mato Bouzas,Lorenzo Casini,2022-01-14 Combining visual and literary analyses and original ethnographic studies as part of a more general political reflection *Migration in the Making of Gulf Space* examines the role of migrants and non citizens in the processes of settling in the Arab States of the Gulf region The contributions underscore the aspirational character of the Gulf as a place where migrant recognition can be attained while also reflecting on practices of exclusion The book is the result of an interdisciplinary dialogue among scholars and includes an original contribution by the acclaimed author of the novel *Temporary People* Deepak Unnikrishnan *The complete city trip guide for Loughborough (England)* , *The Journal of Mental Science* ,1867 Vol 77 includes Yearbook of the Association 1931 *Decisions and Orders of the National Labor Relations Board* United States. National Labor Relations Board,2002 **The Art of Classical Details** Phillip Dodd,2013 The well judged employment of classical detail in a new home has an additional significance that cannot be underestimated It is an expression of an informed personal choice and an evocation of the delight in the human senses This is true of all the houses featured in this book Jeremy Musson The architects and craftsmen that Phillip has featured in this wonderful book all have a love for classical detail The art is alive and well as can be attested to in these pages David Easton In *The Art of Classical Details* Phillip James Dodd takes a close up look at some of the finest examples of contemporary classical architecture The book consists of two chapters The Essays and The Projects Starting with a foreword by renowned decorator David Easton The Essays are written by some of today s most sought after architects scholars and craftsmen Accompanied by

sumptuous full page photographs and renderings that illustrate a use of fine materials intricate detailing and superb artisanship these insightful texts are essential reading for anyone with an interest in the theory practice and craft of classical design The Projects presents an illustrated look at 25 of today s finest classically designed homes Employing the theories prescribed in the writings of the first chapter this portfolio of contemporary buildings exhibits the work of some of the most recognizable and celebrated architects in Great Britain and the United States The work featured in within this book demonstrates the timeless beauty of classicism and delights in the role that superbly crafted details play in creating art

The Routledge Companion to African Diaspora Art History Eddie Chambers,2024-10-31 This is an authoritative companion that is global in scope recognizing the presence of African Diaspora artists across the world It is a bold and broad reframing of this neglected branch of art history challenging dominant presumptions about the field Diaspora pertains to the global scattering or dispersal of in this instance African peoples as well as their patterns of movement from the mid twentieth century onwards Chapters in this book emphasize the importance of cross fertilization interconnectedness and intersectionality in the framing of African Diaspora art history The book stresses the complexities of artists born within or living and working within the African continent alongside the complexities of Africa born artists who have migrated to other parts of the world The group of international contributors emphasizes and accentuates the interplay between for example Caribbean art and African Diaspora art or Latin American art and African Diaspora art or Black British art and African Diaspora art The book will be of interest to scholars and students working in art history the various branches of African studies African American studies African Diaspora studies Caribbean studies and Latin American studies Journal of the House of Representatives of the State of Missouri at the ... Session of the ... General Assembly Missouri. General Assembly. House of Representatives,1855 Issued with appendix Journal of the House of the State of Missouri Missouri. General Assembly. House,1855 **The Magazine of Science, and School of Arts** ,1845 *The Magazine of Science, and Schools of Art* ,1845 *The city guide for Ningbo (??)* YouGuide Ltd, Panorama of the Enlightenment Dorinda Outram,2006 In this book the Enlightenment derives its special appeal as the historical staging ground for an intellectual ferment across Europe and America Dorinda Outram places ideas in their widest possible context expounding upon their social political and cultural implications and how they condition society s conduct in a variety of ways She looks at what Enlightenment meant to contemporaries how it affected day to day life for instance by the spread of reading the open discussion of religion and the relationship between the sexes self knowledge and introspection scientific research and advances in medicine BOOK JACKET
