White, W. Ryan Smith, 2017-09-25 Stories of ghosts and strange happenings at these historic Southern homes with photos included Louisiana plantations evoke images of grandeur and elegance but beyond the facade of stately homes are stories of hope and subjugation tragedy and suffering shame and perseverance and war and conquest After sixteen workers axed most of the Houmas House's ancient oak trees referred to as the Gentlemen eight of the surviving trees eerily twisted overnight in grief over the losses wrought by a great Mississippi River flood An illegal duel to reclaim lost honor left the grounds of Natchez's Cherokee Plantation bloodstained but the victim's spirit may still wander there today A mutilated slave girl named Chloe still haunts the halls of the Myrtles Plantation in St Francisville In this book Cheryl H White and W Ryan Smith reveal the dark history folklore and lasting human cost of Louisiana plantation life Robert W. Tebbs, Photographer to Architects Richard Anthony Lewis, 2011-12-05 One of the finest architectural photographers in America Robert W Tebbs produced the first photographic survey of Louisiana's plantations in 1926 From those images now housed in the Louisiana State Museum and not widely available until now 119 plates showcasing fifty two homes are featured here Richard Anthony Lewis explores Tebbs's life and career situating his work along the line of plantation imagery from nineteenth century woodcuts and paintings to later twentieth century photographs by John Clarence Laughlin among others Providing the family lineage and construction history of each home Lewis discusses photographic techniques Tebbs used in his alternating panoramic and detail views A precise documentarian Tebbs also reveals a poetic sensibility in the plantation photos His frequent emphasis on aspects of decay neglect incompleteness and loss lends a wistful aura to many of the images an effect compounded by the fact that many of the homes no longer exist This noticeable vacillation between objectivity and sentiment Lewis shows suggests unfamiliarity and even discomfort with the legacy of slavery Poised on the brink of social and political reforms Louisiana in the mid 1920s had made significant strides away from the slave based agricultural economy that the plantation house often symbolized Tebbs's Louisiana plantation photographs capture a literal and cultural past reflecting a burgeoning national awareness of historic preservation and presenting plantations to us anew Select plantations included Ashland Belle Helene Avery Island Belle Chasse Belmont Butler Greenwood L Hermitage Oak Alley Parlange Ren Beauregard House Rosedown Seven Oaks Shadows on the Teche The Shades and Waverly The Washingtons. Volume 5, Part 1 Justin Glenn, 2014-09-05 This is the fifth volume of Dr Justin Glenn's comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two

highlighted notable family members in the next eight generations of John and Anne Washington's descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington's descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn's The Washingtons A Family History finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of The Virginia Genealogist 1957 2006 and author of Adventurers of Purse and Person Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain [Louisiana Legends & Lore](#) Alan Brown, 2021-02-08 Lean back into Louisiana lore with an earful of New Orleans jazz and a bellyful of Cajun cuisine But when the music dies down and the lights flicker out hushed conversations bleed into the darker mysteries of the Pelican State Storied outlaws like John Murrell Eugene Bunch and Leather Britches Smith steal into the room Voodoo priestesses Marie Laveau and Julia Brown are already there along with the Phantom Whistler and the Axeman of New Orleans Folklorist Alan Brown educates and entertains with tales of the unseemly bizarre and otherworldly like the legends of the Rougarou the Lutin and the Honey Island Swamp Monster **Louisiana Swamp Tours** Butler, Anne, After Alligator Annie Miller created Louisiana's first swamp tour in the late 1970s tourists across the country flocked to the Pelican State for authentic boating tours and a wildlife encounter like no other In this informative and detailed guide Anne Butler compiles facts on the state's swamp tours
