

The Peloponnesian War

Thucydides

The Peloponnesian War:

The Peloponnesian War Donald Kagan, 2004-04-27 For three decades in the fifth century b c the ancient world was torn apart by a conflict that was as dramatic divisive and destructive as the world wars of the twentieth century the Peloponnesian War Donald Kagan one of the world's most respected classical political and military historians here presents a new account of this vicious war of Greek against Greek Athenian against Spartan The Peloponnesian War is a magisterial work of history written for general readers offering a fresh examination of a pivotal moment in Western civilization With a lively readable narrative that conveys a richly detailed portrait of a vanished world while honoring its timeless relevance The Peloponnesian War is a chronicle of the rise and fall of a great empire and of a dark time whose lessons still resonate today **The History of the Peloponnesian War** Thucydides, 2021-12-13 The History of the Peloponnesian War Thucydides With icy remorselessness it puts paid to any notion that the horrors of modern history might be an aberration for it tells of universal war of terrorism revolution and genocide Tom Holland The long life and death struggle between Athens and Sparta plunged the ancient Greek world into decades of war Thucydides was an Athenian and achieved the rank of general in the earlier stages of the war and in this detailed first hand contemporary account he writes as both a soldier and a historian He applies a passion for accuracy and a contempt for myth and romance in compiling a factual record of a ruinous conflict that would eventually destroy the Athenian empire Commonly acknowledged as one of the earliest first hand written accounts of history this classic work chronicles the war between Athens and Sparta during the fifth century B C Its author Thucydides dispassionately and accurately describes the events of this ancient Greek war in a strict chronology which includes the causes of the conflict descriptions of battlefield strategy political opinions and all other aspects of the war in the brilliant detail of an intellectual and observant eyewitness Himself an Athenian general who served in the war Thucydides relates the invasions treacheries plagues amazing speeches ambitions virtues and emotions of the conflict between two of Greece's most dominant city states in a work that has the feel of a great tragic drama Though in part an analysis of war policy The History of the Peloponnesian War is also a dramatic account of the rise and fall of Athens by an Athenian As such it provides a historical warning for modern military political and international relations This edition is translated by Richard Crawley and includes a biographical afterword **The Peloponnesian War** Thucydides, Steven Lattimore, 1998 Presents an English translation of the Greek text which provides an account of the people and events involved in the long fifth century conflict between Athens and Sparta and includes notes a glossary and other resources **The History of the Peloponnesian War (Complete Edition)** Thucydides, 2023-12-01 In The History of the Peloponnesian War Thucydides presents a meticulously detailed and analytical account of the protracted conflict between Athens and Sparta from 431 to 404 BCE Renowned for its rigorous critical methodology and empirical approach the work transcends mere chronicle it serves as a profound commentary on the nature of power human behavior and the perennial struggle between democracy and oligarchy The text is

distinguished by its incisive dialogues and speeches that illuminate the motivations of key figures while also reflecting the broader sociopolitical dynamics of ancient Greece during a period of profound upheaval Thucydides an Athenian general who experienced the war firsthand was uniquely positioned to craft this historical narrative His personal losses and reflections on the nature of human folly intertwined with his commitments to justice and truth inform the philosophical underpinnings of his work His pioneering approach laid the foundation for modern historiography emphasizing rational inquiry over mythological explanations and encouraging a more nuanced understanding of historical causation This complete edition of Thucydides seminal work is indispensable for students of history political science and philosophy alike It invites readers to engage with timeless questions about the consequences of war ethical leadership and the complexities of human nature making it a crucial text for anyone seeking to understand the intricacies of power and governance in both ancient and contemporary contexts

The Outbreak of the Peloponnesian War Donald Kagan, 1969 The Peloponnesian War 431 404 BC was an ancient Greek war fought by Athens and its empire against the Peloponnesian League led by Sparta Wikipedia *The Peloponnesian War* Thucydides, 1982 Thucydides History of the Peloponnesian War is widely considered to be the definitive ancient treatment of the period it covers The work summarizes events from the years leading up to the war the Pentecontaetia and gives an in depth treatment from the late 430s BC to 411 BC where it ends in midsentence

The Peloponnesian War Thucydides, 1998-06-01 The first unabridged translation into American English and the first to take into account the wealth of Thucydidean scholarship of the last half of the twentieth century Steven Lattimore s translation sets a new standard for accuracy and reliability Notes provide information necessary for a fuller understanding of problematic passages explore their implications as well as the problems they may pose and shed light on Thucydides as a distinctive literary artist as well as a source for historians and political theorists

History of the Peloponnesian War Thucydides, 2020-05-05 A thorough account of the war between Athens and Sparta by the historian who witnessed it The Peloponnesian League led by Sparta and the Delian League led by Athens went to war in 431 BC The conflict lasted more than two decades and Thucydides who served as an Athenian general wrote its definitive history an account remarkable for both its objectivity and its focus on the humanity of the war rather than any intervention by the gods Though primarily a military history this book also shines a great light on the political and social aspects of the ancient conflict including its effect on civilians Thucydides s work is a landmark of historical scholarship that makes the events of the fifth century BC come vividly to life

The History of the Peloponnesian War Thucydides, 2023-11-17 Thucydides The History of the Peloponnesian War is a classic Greek historical text that chronicles the lengthy and brutal conflict between Athens and Sparta in the 5th century BC Written in a precise and analytical style Thucydides carefully examines the political and military strategies employed by both sides providing valuable insights into the nature of power and human behavior during wartime The book is known for its objective approach to history as Thucydides sought to present events based on his meticulous research and firsthand experiences His emphasis on the

importance of rational thought and the consequences of actions make this work a timeless piece of historical literature Thucydides an Athenian general and historian wrote The History of the Peloponnesian War as a critical analysis of the war that he personally witnessed and participated in His background in military leadership and political affairs gives his account a unique perspective and authority making it a highly regarded historical source Thucydides commitment to accuracy and impartiality sets his work apart from other ancient historians elevating it to a level of scholarly importance For any reader interested in ancient Greek history military strategy or political theory Thucydides The History of the Peloponnesian War is a must read Its detailed accounts of the war insightful analysis of human behavior and enduring relevance make it a valuable resource for understanding the complexities of conflict and decision making in the ancient world and beyond

The Peloponnesian War Nigel Bagnall,2006-07-25 The Peloponnesian War the epic struggle between Athens and Sparta occupies a vital part in military history because of the enormous military and political changes it inspired In this brilliant book Sir Nigel Bagnall sets out to analyze and clarify the war describing in compelling detail the events that led up to it His meticulous attention to historical context offers a refreshing contrast to traditional accounts The conflict lasted from 431 to 404 B C until the confederation led by Sparta finally conquered Athens and her allies Bagnall dissects the complex relationship between the two states and closely studies their political conduct in the run up to war offering a riveting account of the strategy and tactics involved He also outlines its innovations and lessons which would have enormous military repercussions for future generations These include the importance of having clear politico strategic objectives the interplay of maritime and land operations and the problems of achieving cohesion in an alliance in which all the participants see themselves as fellow citizens The Peloponnesian War is an important book that shines new light on an always relevant subject

The History of the Peloponnesian War: 1-2 Thucydides Thucydides,Richard Crawley,2018-11-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The History of the Peloponnesian War Thucydides,1851 **The Peloponnesian War** Professor J F Lazenby,J.F Lazenby,2004-06-01 The range and extent of the Peloponnesian War of the fifth century BC has led to it being described as a world war in miniature With the struggle between Athens and Sparta at its core the twenty seven year conflict drew in states from all points of the compass from Byzantium in the north Crete in the south Asia Minor in the east and Sicily in the west Since Thucydides

described the war as the greatest disturbance to befall the Greeks numerous studies have been made of individual episodes and topics This authoritative work is the first single volume study of the entire war to be published in over seventy five years Lazenby avoids the tendency of allowing historiography to obscure the analysis and while paying due attention to detail also looks at the fundamental questions of warfare raised by the conflict Within a narrative framework Lazenby concentrates on the fighting itself and examining the way in which both strategy and tactics developed as the conflict spread Not afraid to challenge accepted views he assesses the war as a military rather than a political endeavour evaluating issues such as the advantages and limitations of sea power A readable and clear survey this text offers a balanced discussion of controversial themes and will appeal to ancient historians classicists and all those who are interested in military history *A New History of the Peloponnesian War*, 2009-10-27 This stimulating new study provides a narrative of the monumental conflict of the Peloponnesian War between Athens and Sparta and examines the realities of the war and its effects on the average Athenian A penetrating new study of the Peloponnesian War between Athens and Sparta by an established scholar Offers an original interpretation of how and why the war began Weaves in the contemporary evidence of Aristophanes in order to give readers a new sense of how the war affected the individual Discusses the practicalities and realities of the war Examines the blossoming of culture and intellectual achievement in Athens despite the war Challenges the approach of Thucydides in his account of the war The History of the Peloponnesian War Thucydides, Henry Dale, 1848 The History of the Peloponnesian War Thucydides, 1882 **The history of the Peloponnesian War** Thucydides, 1846 **The Landmark Thucydides** Robert B. Strassler, 1998-09-10 Thucydides called his account of two decades of war between Athens and Sparta a possession for all time and indeed it is the first and still the most famous work in the Western historical tradition Considered essential reading for generals statesmen and liberally educated citizens for more than 2 000 years The Peloponnesian War is a mine of military moral political and philosophical wisdom However this classic book has long presented obstacles to the uninitiated reader Written centuries before the rise of modern historiography Thucydides narrative is not continuous or linear His authoritative chronicle of what he considered the greatest war of all time is rigorous and meticulous yet omits the many aids to comprehension modern readers take for granted such as brief biographies of the story's main characters maps and other visual enhancements and background on the military cultural and political traditions of ancient Greece Robert Strassler's new edition amends these omissions and not only provides a new coherence to the narrative overall but effectively reconstructs the lost cultural context that Thucydides shared with his original audience Based on the venerable Richard Crawley translation updated and revised for modern readers The Landmark Thucydides includes a vast array of superbly designed and presented maps brief informative appendices by outstanding classical scholars on subjects of special relevance to the text explanatory marginal notes on each page an index of unprecedented subtlety and depth and numerous other useful features Readers will find that with this edition they can dip into the text at any point and be immediately oriented

with regard to the geography season date and stage of the conflict In any list of the Great Books of Western Civilization The Peloponnesian War stands near the top This handsome elegant and authoritative new edition will ensure that its greatness is appreciated by future generations *The History of the Peloponnesian War* Thucydides,1873 *The History of the Peloponnesian War: The Battles and Sieges of Ancient Greece and Sparta - Complete in Eight Books (Hardcover)* Thucydides,Richard Crawley,2018-07-12 This edition of Thucylides epic chronicle The History of the Peloponnesian War contains all eight books in the authoritative English translation of Richard Crawley Thucylides himself was an Athenian general who personally witnessed the various skirmishes of the war Ordering all of the events chronologically a first for any work of history he offers a straightforward account of the conflict straying little to personal opinions or permitting his history to be influenced by the politics of the era For this Thucylides is lauded for his methodical telling of each battle which offers the reader insight into Greek and Spartan tactics and cultures Throughout the history we are given transcripts of various speeches Although the inclusion of such lengthy quotations of sources is unheard of in modern history books the presence of lengthy oratory in Thucylides history is considered to be a cultural trait speech and rhetoric were prized in Greece as the prime means of transferring knowledge
