**William M. Reddig**

## **The Pendergast Machine:**

The Pendergast Machine Lyle W. Dorsett, 1968 A history of the Kansas City Democratic political organization started by Jim Pendergast who expanded his power base from a few local wards to the whole state of Missouri in the 1880 s *The Inside Story of the Pendergast Machine by the Man who Smashed it* Maurice Morton Milligan, 1948 **Pendergast!** Lawrence H. Larsen, Nancy J. Hulston, 1997 More than a half century after the death of Kansas City s notorious political boss Thomas J Pendergast the Pendergast name still evokes great interest and even controversy Now in this first full scale biography of Pendergast Lawrence H Larsen and Nancy J Hulston have successfully provided through extensive research including use of recently released prison records and previously unavailable family records a clear look at the life of Thomas J Pendergast Born in St Joseph Missouri in 1872 Tom Pendergast moved to Kansas City around 1890 to work for his brother James founder of the Pendergast Goat faction in Kansas City Democratic politics In 1911 Pendergast became head of the Goats and over the next fifteen years he created a powerful political machine that used illegal voting and criminal enforcers to gain power Following a change in the city charter in 1925 Pendergast took control of Kansas City and ran it as his own personal business In the 1930s he received over 30 million annually from gambling prostitution and narcotics putting him in the big leagues of American civic corruption He also wielded great power in the National Democratic Party and started Harry S Truman on the road to the presidency In this well balanced biography the authors examine Pendergast s rise to power his successes as a political leader his compassion for the destitute and his reputation for keeping his word They also examine Pendergast s character development and how his methods became more and more ruthless Pendergast had no use for ideology in his invisible government only votes counted In 1937 and 1938 the federal government broke the back of Pendergast s machine convicting 259 of his campaign aides for vote fraud In 1939 Pendergast who was believed to be the largest bettor on horse racing in the United States was jailed for income tax evasion and he died in disgrace in 1945 An insightful and comprehensive biography Pendergast will surely serve for years to come as the most thorough investigation of the life and infamous career of Tom Pendergast *Tom's Town* William M. Reddig, 1986 The Pendergast machine rose to power riding the industrial and business boom of the 1920s strengthened its grip during the chaos of the depression years and grew fat and arrogant during the spending spree that followed It fell apart in a fantastic series of crimes including voting fraud and tax evasion that shocked the nation and resulted in the incarceration of Tom Pendergast in a federal prison in 1939 Now available in paperback with a foreword by Charles Glaab William M Reddig s political and social history of Kansas City from the mid 1800s to 1945 focusing on the lives of Alderman Jim Pendergast and especially his younger sibling Big Tom Pendergast chronicles both the influence of the brothers on the growing metropolitan area and the national phenomenon of bossism The story of the Pendergasts has been told in many places and in many ways It has hardly been told anywhere however with more fascinating detail and healthy irony than in this volume of William M Reddig New York Times Reddig has

written his history of the Pendergast machine in a reportorial style which manages to combine plain city desk prose with a great deal of humor irony and insight He has dwelt with obvious delight on the local characters the factions and feuds and has given several brilliant personality sketches *Saturday Review of Literature* **Missouri Waltz** Maurice Morton Milligan,1948 **A History of the Pendergast Machine** Lyle W. Dorsett,1965 **The Rise and Fall of the Pendergast Machine** Heather Pashman,2003 *The inside story of the Pendergast machine* Maurice Morton Milligan,1948 **A History of Missouri** Lawrence Harold Larsen,1971 Traces the history of Missouri from 1953 to 2003 highlighting key events figures and policies that impacted the state s development during that time Dictionary of Missouri Biography Lawrence O. Christensen,William E. Foley,Gary Kremer,1999-10 **The Inside Story of the Pendergast Machine by the Man Who Smashed It** Maurice Morton Milligan,1948 **Congressional Record** United States. Congress,1944 Profit and Punishment Tony Messenger,2025-09-23 In Profit and Punishment a Pulitzer Prize winning journalist exposes the tragedy of modern day debtors prisons and how they destroy the lives of poor Americans swept up in a system designed to penalize the most impoverished Intimate raw and utterly scathing Heather Ann Thompson Pulitzer Prize winning author of Blood in the Water Crucial evidence that the justice system is broken and has to be fixed Please read this book James Patterson 1 New York Times bestselling author As a columnist for the St Louis Post Dispatch Tony Messenger has spent years in county and municipal courthouses documenting how poor Americans are convicted of minor crimes and then saddled with exorbitant fines and fees If they are unable to pay they are often sent to prison where they are then charged a pay to stay bill in a cycle that soon creates a mountain of debt that can take years to pay off These insidious penalties are used to raise money for broken local and state budgets often overseen by for profit companies and it is one of the central issues of the criminal justice reform movement In the tradition of Evicted and The New Jim Crow Messenger has written a call to arms shining a light on a two tiered system invisible to most Americans He introduces readers to three single mothers caught up in this system living in poverty in Missouri Oklahoma and South Carolina whose lives are upended when minor offenses become monumental financial and personal catastrophes As these women struggle to clear their debt and move on with their lives readers meet the dogged civil rights advocates and lawmakers fighting by their side to create a more equitable and fair court of justice In this remarkable feat of reporting Tony Messenger exposes injustice that is agonizing and infuriating in its mundane cruelty as he champions the rights and dignity of some of the most vulnerable Americans **Roosevelt** Sean J. Savage,2014-10-17 FDR the wily political opportunist glowing with charismatic charm a leader venerated and hated with equal vigor such is one common notion of a president elected to an unprecedented four terms But in this first comprehensive study of Roosevelt s leadership of the Democratic party Sean Savage reveals a different man He contends that far from being a mere opportunist Roosevelt brought to the party a conscious agenda a longterm strategy of creating a liberal Democracy that would be an enduring majority force in American politics The roots of Roosevelt s plan for the party ran back to his

experiences with New York politics in the 1920s It was here Savage argues that Roosevelt first began to perceive that a pluralistic voting base and a liberal philosophy offered the best way for Democrats to contend with the established Republican organization With the collapse of the economy in 1929 and the discrediting of Republican fiscal policy Roosevelt was ready to carry his views to the national scene when elected president in 1932 Through his analysis of the New Deal Savage shows how Roosevelt made use of these programs to develop a policy agenda for the Democratic party to establish a liberal ideology and most important to create a coalition of interest groups and voting blocs that would continue to sustain the party long after his death A significant aspect of Roosevelt s leadership was his reform of the Democratic National Committee which was designed to make the party s organization more open and participatory in setting electoral platforms and in raising financial support Savage s exploration of Roosevelt s party leadership offers a new perspective on the New Deal era and on one of America s great presidents that will be valuable for historians and political scientists alike

*Corruption and American Politics* ,      **Origins of Containment** Deborah Welch Larson,2020-06-30 The description for this book *Origins of Containment A Psychological Explanation* will be forthcoming      *Forum and Century* ,1939      **Red State Religion** Robert Wuthnow,2014-03-10 No state has voted Republican more consistently or widely or for longer than Kansas To understand red state politics Kansas is the place It is also the place to understand red state religion The Kansas Board of Education has repeatedly challenged the teaching of evolution Kansas voters overwhelmingly passed a constitutional ban on gay marriage the state is a hotbed of antiabortion protest and churches have been involved in all of these efforts Yet in 1867 suffragist Lucy Stone could plausibly proclaim that in the cause of universal suffrage Kansas leads the world How did Kansas go from being a progressive state to one of the most conservative      [Queering Kansas City Jazz](#) Amber R. Clifford-Napoleone,2018-11-01 The Jazz Age a phenomenon that shaped American leisure culture in the early twentieth century coincided with the growth of Kansas City Missouri from frontier town to metropolitan city Though Kansas City s music culture and stars are well covered *Queering Kansas City Jazz* supplements the grand narrative of jazz history by including queer identities in the city s history while framing the jazz scene experience in terms of identity and space Cabarets gender impressionism clubs and sites of sex tourism in Kansas City served as world making spaces for those whose performance of identity transgressed hegemonic notions of gender sexuality race and class Amber R Clifford Napoleone takes an interdisciplinary approach to provide a critical deconstruction of how the jazz scene offered a space for nonnormative gender practice and performance and acted as a site of contested identity and spatial territory Few books examine the changing ideas about gender in the turn of the century Great Plains under the false assumption that people in middle American places experienced cultural shifts only as an aftershock of events on the coasts This approach overlooks the region s contested territories identities and memories and fails to adequately explain the social and cultural disruptions experienced on the plains Clifford Napoleone rectifies this oversight and shows how Kansas City represents the complexity of the jazz

scene in America as a microcosm of all the other people who made the culture clubs music and cabarets of the age possible

**Truman and the Democratic Party** Sean J. Savage, 2021-12-14 What best defines a Democrat in the American political arena idealistic reformer or pragmatic politician Harry Truman adopted both roles and in so doing defined the nature of his presidency Truman and the Democratic Party is the first book to deal exclusively with the president's relationship with the Democratic party and his status as party leader Sean J Savage addresses Truman's twin roles of party regular and liberal reformer examining the tension that arose from this duality and the consequences of that tension for Truman's political career Truman saw the Democratic party change during his lifetime from a rural dominated minority party often lacking a unifying agenda to an urban dominated majority party with strong liberal policy objectives A seasoned politician who valued party loyalty and recognized the value of political patronage Truman was also attracted to a liberal ideology that threatened party unity by alienating southern Democrats By the time he succeeded Franklin Roosevelt the diversity of opinions and demands among party members led Truman to alternate between two personas the reformer committed to liberal policy goal civil rights national health insurance federal aid to education and the party regular who sought greater harmony among fellow Democrats Drawing on personal interview with former Truman administration members and party officials and on archival materials most notably papers of the Democratic National Committee at the Harry S Truman Library Savage has produced a fresh perspective that is both shrewd and insightful This book offers historians and political scientists a new way of looking at the Truman administration and its impact on key public policies

The Top Books of the Year The Pendergast Machine The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Pendergast Machine : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Pendergast Machine : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Pendergast Machine : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
