The Penguin Companion To European Union:

The Penguin Companion to European Union Timothy Bainbridge,1998 **The Penguin Companion to European Union** Timothy Bainbridge,1996 **The Routledge Guide to the European Union** Dick Leonard,Robert Taylor,2016-05-20 Written by experts this long established and definitive guide to the workings of the European Union provides comprehensive straightforward and readable coverage of this sometimes misunderstood and complex institution It explains not only what happens but also why and analyses the EU s strengths and weaknesses as well as opportunities for it to be more effective With the EU s very existence under pressure due to fiscal crises and the eurozone migration and borders and Euroscepticism it specifically outlines How it works the institutions the mechanisms Every area of EU competence from agriculture to workers rights The effects of the single market and the single currency and the successes and stresses of the eurozone The impact of the enlargement of the EU and the prospects for further enlargement and for closer political integration The EU under strain the 2008 recession and after Britain in or out Fully updated and revised material with new data statistics examples and non partisan coverage The Routledge Guide to the European Union is well established as the clearest and most comprehensive guide to how the EU operates This new edition brings you up to date at a crucial stage in its history at a time when arguably it has never been under greater threat but conversely is perhaps more important than ever **Lobbying the European Union** David Coen,Jeremy Richardson,2009-06-04 Seeking to understand the role of interest groups in the policy process from agenda setting to implementation in the EU this book contains details of processes of institutional and actor learning professionalisation of lobbying and the possible emergence of a distinct EU public policy style **Globalization and Political Ethics** Richard B. Day,Joseph Masciulli,2007 This book measures the current institutional and political realities surrounding globalization against philosophical ideals Though the contributors share no particular orthodoxy they do share the conviction that human responsibility is possible in circumstances that often appear to deny human agency *The European Parliament in Times of EU Crisis* Olivier Costa,2018-11-24 This book assesses the many changes that have occurred within the European Parliament and in its external relations since the Lisbon treaty 2009 and the last European elections 2014 It is undoubtedly the institution that has evolved the most since the 1950s Despite the many crises experienced by European integration in the last years the Parliament is still undergoing important changes in its formal competences its influence on policy making its relations with other EU institutions its internal organisation and its internal political dynamics Every contribution deals with the most recent aspects of these evolutions and addresses overlooked topics providing an overview of the current state of play which challenges the mainstream intergovernmental approach of the EU This project results from research conducted at the Department of European Political and Governance Studies of the College of Europe Individual research of several policy analysts of the European Parliamentary Research Service EPRS have contributed to this endeavour **Re-Orienting the Fundamentals** Georg Wiessala,2016-04-08 Offering

an investigation of the ways in which matters of human rights give shape to the European Union's interaction with Asia this volume argues for the consideration of selected social constructivist perspectives with regard to the Asia EU dialogue It puts into context the function of ideas identities values norms and human rights Through a number of country specific and regional case studies the text examines both the enabling and the inhibitory potential of human rights in the Union's relations with Asian interlocutors The book proposes a more inclusive holistic understanding of the significance and potential of the human rights discourse in East West contacts It is aimed at a wide readership from the disciplines of politics international relations Asian studies law and human rights

Diplomacy and the Future of World Order Chester A.

Crocker,Fen Osler Hampson,Pamela Aall,2021 Diplomacy in pursuit of peace and security faces severe challenges not seen in decades Obstacles to diplomacy are coming from the re emergence of strong states discord in the UN Security Council destabilizing transnational non state actors closing space for civil society within states and the weakening of the international liberal order Diplomacy and the Future of World Order develops three visions of the future in which states and other key actors in the international system respond by deciding to go it alone return to a liberal order or collaborate on a case by case basis to address common threats and problems The central focus of this book is peace and conflict diplomacy defined as the effort to manage others conflicts cope with great power competition or deal with threats to the state system itself The distinguished international group of experts writing in this volume analyze the different scenarios impact on peace and conflict diplomacy from the perspective of key actors and regions It also explores the prospects for discord or collaboration around four major security issues peacekeeping nuclear nonproliferation cyber competition and terrorism Chester A Crocker Fen Osler Hampson and Pamela Aall conclude by identifying emerging types of diplomacy that can provide the foundation for global peacemaking and conflict management in an uncertain future

Research Handbook on EU Agriculture Law Joseph

A. McMahon,Michael N. Cardwell,2015-11-27 Following the conclusion of the latest round of reforms to the Common Agricultural Policy CAP in 2013 the Research Handbook on EU Agriculture Law provides an up to date discussion of these reforms and the changing landscape in which the CAP now operates Adopting an interdisciplinary approach and with international contributors from across Europe and the United States the Handbook commences with analyses of the legal instruments which implement the reformed CAP before moving on to consider questions of land use the role of agriculture within the wider food chain and the international dimension In these contexts particular issues identified include the environmental impact of past present and future farming practices the ability of the food chain to accommodate consumer preferences and scientific innovation and the hurdles to be cleared before international consensus can be reached on a whole range of agricultural imperatives As well as providing a state of the art point of reference for academics this comprehensive book will be of great interest to students scholars and policymakers dealing with these new challenges faced by agriculture in the EU

Green,Douglas J. Ernest,2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries The Uniting of Europe Stanley Henig,2006-10-19 The Uniting of Europe From Discord to Concord by Stanley Henig provides an introduction to the history of European integration The author places European unification within a wider political and economic context He shows how institutional developments have been conditioned by wider international considerations Including a succinct but comprehensive account of the structure functions and working of the major European institutions this book considers the impact of the Cold War and the superpowers on Europe Britain s decision to join the Community the conse **State Formation** Christian Krohn-Hansen,Knut G. Nustad,2005-09-20 What is the state and how can we best study it This book investigates new ways of analysing the state The contributors argue that the state is not a fixed and definite object Our perceptions of it are constantly changing and differ from person to person What is your idea of the state if you are a refugee Or if you are living in post apartheid South Africa Our perceptions are formed and sustained by evolving

discourses and techniques these come from institutions such as government but are also made by communities and individuals The contributors examine how state structures are viewed from the inside by official state bodies composed of bureaucrats and politicians and how these state manifestations are supported reproduced or transformed at a local level An outline of theoretical approaches is followed by nine case studies ranging from South Africa to Peru to Norway With a good range of contributors including Cris Shore Clifton Crais Ana Alonso and Bruce Kapferer this is a comprehensive critical analysis of anthropological approaches to the study of state formation

Economics of the European Union Michael Artis, Frederick Nixon, 2007-05-17 The new edition of this successful text analyses the current economic issues facing a rapidly changing Europe The authors combine policy history and data to present a global perspective of the EU written with a range of students taking an introductory module in European Economics in mind With new material on the economic relationship between the EU and the US Enlargement and the Lisbon process the authors consider the changing landscape and Europe's development as a major global player The authors use history theory and analysis including comparative data to evaluate Economic policies ranging from the Common Agricultural Policy and Competition Policy to Social Policy and Monetary Policy and to assess issues such as unemployment and foreign aid The contributors are drawn from a range of Universities such as Vienna Manchester Brussels LSE and Purdue as well as institutions such as the IMF and the European Central Bank

Evolving Euroscepticisms in the British and Italian Press Paul Rowinski, 2017-10-10 This book argues the discursive construction of the EU in national newspapers is pivotal in creating an environment of Euroscepticism It will challenge the persuasive manipulative and prejudicial language sometimes peddled in the influential UK Murdoch and Italian Berlusconi press The foci are the key Eurosceptic triggers of the euro the subsequent national economic crises and immigration investigated through major events covered over two decades including the UK's recent Brexit vote The book will explore the national responses to the post war project how the EU is understood through the prism of nationhood and how that has now manifested itself in Euroscepticism in both countries lastly articulated through interviews with British and Italian politicians and journalists involved It will include Euroscepticism's latest chapter The increasingly key protagonists of the UK Independence Party and Italy's Five Star Movement want to take Britain out of the EU and Italy out of the euro covered in the Murdoch and Berlusconi press This book offers a rigorous academic analysis presented in an accessible style to experts and laypersons alike exploring concrete articulations of Euroscepticism in the press
