The Peoples Doctor George Hatem And Chinas Revolution:

The People's Doctor Edgar A. Porter, 1997-01-01 The young George Hatem journeyed to Shanghai in 1933 to practice medicine and see the sights The deplorable health and social conditions he found there caused his sympathies to veer quickly to the revolutionary efforts of the Chinese Communist party and before long he joined the underground Party members in conspiratorial meetings and activities In 1936 he left Shanghai on a secret Province after completing the Long March For the next 14 years Hatem served the Communist troops as physician and adviser He took the name Ma Haide and became the first foreigner admitted into China s Communist Party After the Communist victory in 1949 he became the first foreigner granted citizenship in the People s Republic Over the next 40 years his reputation grew as one of the leading public health physicians in the world Until his death in 1988 he showed absolute allegiance to the Party Few foreigners have been accepted into Chinese society as readily as he and certainly none have had such intimate access to 20th century China s most powerful figures

Alternative Representations of the Past Ying-Kit Chan, Fei Chen, 2020-11-23 The relationship between the Chinese nation and its recent past has been fraught with contradictions and tensions This collection aims to make sense of this complex relationship and challenge the prevalent state centric and nation centric modes of history writing on modern China It explores alternative representations of the past and the salience of political conflicts and competitive histories in China highlighting the paradoxical similarities in such representations of the past from the late nineteenth century to the present Ultimately this book contributes to the ongoing discussion on the politics of interpreting the past and its many manifestations in both China and other societies This volume will contribute to the scholarly debate on the use of the past in national history Tze ki Hon City University of Hong Kong *Alternative Representations of the Past* presents a collection of essays that critically examine the ways in which the contradicting and contested enterprise of history has been politicized in China As memory is past made present the meticulous re evaluation of Chinese history by the contributors of this volume promises to offer readers valuable insights into contemporary China Chang Yau Hoon Associate Professor and Director Centre for Advanced Research Universiti Brunei Darussalam

The Chile Pepper in China Brian R. Dott, 2020-05-12 Chinese cuisine without chile peppers seems unimaginable Entranced by the fiery taste diners worldwide have fallen for Chinese cooking In China chiles are everywhere from dried peppers hanging from eaves to Mao s boast that revolution would be impossible without chiles from the eighteenth century novel *Dream of the Red Chamber* to contemporary music videos Indeed they are so common that many Chinese assume they are native Yet there were no chiles anywhere in China prior to the 1570s when they were introduced from the Americas Brian R Dott explores how the nonnative chile went from obscurity to ubiquity in China influencing not just cuisine but also medicine language and cultural identity He details how its versatility became essential to a variety of regional cuisines and swayed both elite and popular medical and healing practices Dott tracks the cultural meaning of the chile across a wide swath of literary texts and artworks revealing how the spread of chiles fundamentally

altered the meaning of the term spicy He emphasizes the intersection between food and gender tracing the chile as a symbol for both male virility and female passion Integrating food studies the history of medicine and Chinese cultural history The Chile Pepper in China sheds new light on the piquant cultural impact of a potent plant and raises broader questions regarding notions of authenticity in cuisine

Making the Foreign Serve China Anne-Marie Brady, 2003-09-08 This book provides the first detailed analysis of a crucial and distinctive element of Chinese foreign policy Anne Marie Brady follows the development of the Chinese Communist Party's foreign affairs system since 1921 focusing on waishi the external policies intended to influence and control both foreigners themselves as well as Chinese citizens contact with and perception of outsiders The term also comprises China's external relations both official state to state and so called unofficial or people to people diplomacy In effect waishi activities encompass all matters related to foreigners and foreign things not merely diplomacy By managing the foreign presence in China and China's contacts with the outside world and by controlling the Chinese population the author argues that waishi has proven to be one of the most effective tools in the CCP's repertoire for building and then sustaining its hold on power Drawing for the first time on policy documents that underpin the phenomena they describe Brady analyzes trends and developments in waishi during each chronological period The book elucidates how the CCP's policies evolved In the 1930s the need for a broad united front in international relations warred with the desire to control the foreign presence in China in the 1940s and 1950s the Sino Soviet alliance and ridding China of the traces of the semi colonial past took precedence in the 1960s the Sino Soviet split led to China's claim as the center of world revolution and in the past twenty years of reform the focus has been the ongoing quest to create a modern nation state as China opens up to the outside world The author considers waishi's deeper meaning as an overriding approach to the foreign which links state to state diplomacy with the management of the foreign presence in China Her groundbreaking research is based on a previously unexplored genre of waishi materials almost all classified in Chinese extensive interviews with waishi officials and foreign participant

How the "Red Star" Rose Ishikawa Yoshihiro, 2022-01-30 The fact that Snow did not sneak into red China to gather information constituting the basis of his Red Start over China all alone is in many instances misunderstood even by scholars Mao Zedong's biography has been the subject of an international mountain of commentary in China and elsewhere Biographies praising Mao and those slandering him are all based on the American journalist Edgar Snow's 1905 1972 account in Red Star over China for the route Mao traveled from early childhood through his youth How the Red Star Rose introduces the image of Mao and the biographical information made known to the world through the publication of Red Star and with its publication the circumstances which they fundamentally undermined Ishikawa Yoshihiro uses Mao Zedong as raw material to examine from whence and how ordinary historical information and images which we habitually use unconsciously come into being He desires to help readers to reconsider the historicity of the generation of not only Mao's image but of that of historical materials With a title that evokes Gao Hua's seminal study of Mao Zedong's rise in the Chinese

Communist Party Ishikawa Yoshihiro asks two critical questions What did the world know of Mao before the publication of Edgar Snow's Red Star over China How did Red Star change that understanding With the meticulous research careful documentation and fair minded judgment that characterizes all of Ishikawa's work he shows how little even Moscow and the Communist International knew about Mao before 1936 This study is full of unexpected insights into the origins of early visual images of Mao the background to Snow's historic trip to northern Shaanxi and the evolution of the classic study that he left In a world where balanced judgment of the rise of Mao is increasingly difficult to find Ishikawa's scholarship stands out as a rare model of judicious balance Joseph W Esherick Emeritus Professor Hwei chih and Julia Hsiu Chair in Chinese Studies University of California San Diego This book is first an exquisite excavation on the enabling infrastructures in the writing and publishing of one of the most iconic works in journalistic interviews in the 20th century a text that broke through a wall of intelligence blockade to give to the world in an autobiographical voice and with a striking image the debut of the revolutionary Mao while holed up in a mountain base area It is in addition a history of the reading of the book in multiple languages including Chinese that is indexed to the rise of the Mao cult thereafter Ishikawa captures a moment of a past gearing up in anticipation of a future that never came This book is a must read for all with an interest in Mao journalism and the history of books Wen hsin Yeh Richard H and Laurie C Morrison Chair Professor in History University of California Berkeley Ishikawa offers a challenging reflection on how historical information and images that we take for granted come into being through the twin case studies of images of Mao Zedong before Edgar Snow's famous biography in 1936 and then how Snow's images of Mao were translated and transmuted into Chinese Russian and Japanese Joshua Fogel's careful translation brings this impeccable example of Japanese sinology to the English reading public Timothy Cheek Professor and Louis Cha Chair in Chinese Research University of British Columbia

The Raider Stephen R. Platt, 2025-05-13 The extraordinary life of forgotten World War II hero Evans Carlson commander of America's first special forces secret confidant of FDR and one of the most controversial officers in the history of the Marine Corps who dedicated his life to bridging the cultural divide between the United States and China He was a gutsy old man A corker said another You couldn't find anyone better They talked about him in hushed tones This Major Carlson wrote one of the officers in a letter home is one of the finest men I have ever known These were the words of the young Marines training to be among the first U.S. troops to enter the Second World War and the Major Carlson they spoke of was Evans Carlson a man of mythical status even before the war that would make him a military legend By December of 1941 at the age of forty five Carlson had already faced off against Sandinistas in the jungles of Nicaragua and served multiple tours in China where he embedded with Mao's Communist forces during the Sino Japanese War Inspired by their guerilla tactics and their collaborative spirit which he'd call gung ho introducing the term to the English language and driven by his own Emersonian ideals of self reliance Carlson would go on to form his renowned Marine Raiders the progenitors of today's special operations forces who fought behind Japanese lines on

Makin Island and Guadalcanal showing Americans a new way to do battle In The Raider Cundill Prize winning historian Stephen R Platt gives us the first authoritative account of Carlson s larger than life exploits the real story based on years of research including newly discovered diaries and correspondence in English and Chinese with deep insight into the conflicted idealism about the Chinese Communists that would prove Carlson s undoing in the McCarthy era Tracing the rise and fall of an unlikely American war hero The Raider is a story of exploration of cultural mis understanding and of one man s awakening to the sheer breadth of the world

Foreigners under Mao Beverley Hooper,2016-07-01 The book examines the lives of six different groups of Westerners foreign comrades who made their home in Mao s China twenty two former Korean War POWs who controversially chose China ahead of repatriation diplomats of Western countries that recognized the People s Republic the few foreign correspondents permitted to work in China foreign experts and language students Each of these groups led distinct lives under Mao while sharing the experience of a highly politicized society and of official measures to isolate them from everyday China This book is enjoyable and engaging The author introduces a small but dynamic collection of enthusiastic international participants in post 1949 China showing unquestioned loyalty to Mao s ideals Equally intriguing are the alternate stories of diplomats and reporters existing far outside the mainstream of Chinese life and trusted by neither the Chinese nor the international supporters Edgar A Porter Professor Emeritus Ritsumeikan Asia Pacific University author of The People s Doctor George Hatem and China s Revolution A well written survey about the variety of Westerners who lived and worked in the People s Republic of China between 1949 and 1976 This is a welcome addition to the sojourner literature about foreigners who lived in twentieth century socialist countries The scholarship which includes the review of memoirs archival materials and secondary works is impressive and comprehensive Stephen R MacKinnon Arizona State University co author of China Reporting An Oral History of American Journalism in the 1930s and 1940s

China in Oceania Terence Wesley-Smith,Edgar A. Porter,2010-03-01 It is important to see China s activities in the Pacific Islands not just in terms of a specific set of interests but in the context of Beijing s recent efforts to develop a comprehensive and global foreign policy China s policy towards Oceania is part of a much larger outreach to the developing world a major work in progress that involves similar initiatives in Asia Africa Latin America and the Middle East This groundbreaking study of China s soft power initiatives in these countries offers for the first time the diverse perspectives of scholars and diplomats from Oceania North American China and Japan It explores such issues as regional competition for diplomatic and economic ties between Taiwan and China the role of overseas Chinese in developing these relationships and various analyses of the benefits and drawbacks of China s growing presence in Oceania In addition the reader obtains a rare review of the Japanese response to China s role in Oceania presented by Japan s leading scholar of the Pacific region

Saving Lives in Wartime China John R. Watt,2013-10-10 In the 1920s and 1930s most Chinese people suffered from overwhelming health problems Epidemic diseases killed tens of millions drought flood and famine killed many more and unhygienic birthing led to serious maternal

and child mortality The Civil War between Nationalist and Communist forces and the nationwide War of Resistance against Japan 1937-1945 imposed a further tide of misery Troubled by this extensive trauma a small number of healthcare reformers were able to save tens of thousands of lives promote hygiene and sanitation and begin to bring battlefield casualties communicable diseases and maternal child mortality under control This study shows how biomedical physicians and public health practitioners were major contributors to the rise of modern China

Mao: A Biography Ross Terrill, 1999 Everyone who came in close contact with Mao was taken aback at the anarchy of his personal ways He ate idiosyncratically He became increasingly sexually promiscuous as he aged He would stay up much of the night sleep during much of the day and at times he would postpone sleep remaining awake for thirty six hours or more until tension and exhaustion overcame him Yet many people who met Mao came away deeply impressed by his intellectual reach originality style of power within simplicity kindness toward low level staff members and the aura of respect that surrounded him at the top of Chinese politics It would seem difficult to reconcile these two disparate views of Mao But in a fundamental sense there was no brick wall between Mao the person and Mao the leader This biography attempts to provide a comprehensive account of this powerful and polarizing historical figure

North Carolina's Experience during the First World War Shepherd W. McKinley, Steve Sabol, 2024-01-12 As America's involvement in World War I approached its centennial state level histories and commemoration of the Great War abounded While North Carolina's role in the First World War has yet to attract such intense scholarly interest a much needed picture of the wartime Tar Heel state has nevertheless begun to emerge from newly published firsthand accounts of the war and sustained attention to the state's wartime politicians The essays in *North Carolina's Experience during the First World War* skillfully edited by Shepherd W McKinley and Steven Sabol provide in depth interpretation of the state's involvement in WWI As topics range from soldiers and the military to women and the home front to politics and labor issues a detailed picture emerges of the war's influence on the developing modern state and the ascendant bureaucratic social order As this anthology makes clear wars provide the opportunity for unsettling old patterns of power and culture Unlike the Civil War and Second World War however the First World War would have relatively little effect on North Carolina's race relations class arrangements gender roles

economic order and political leadership What changed more dramatically was the relationship between business and government Indeed government took an unprecedented place in the fabric of society and the economy as the war to end all wars left its indelible mark on the individuals and families who served SHEPHERD W MCKINLEY is a senior lecturer in the Department of History at the University of North Carolina at Charlotte He is the author of Stinking Stones and Rocks of Gold Phosphate Fertilizer and Industrialization in Postbellum South Carolina and North Carolina New Directions for an Old Land STEVEN SABOL is an associate professor of history at the University of North Carolina at Charlotte He is the author of Russian Colonization and the Genesis of Kazak National Consciousness

A Modern Miscellany Paul Bevan, 2015-11-02 In A Modern Miscellany Shanghai Cartoon Artists Shao Xunmei's Circle and the Travels of Jack Chen 1926-1938 Paul Bevan explores how the cartoon manhua emerged from its place in the Chinese modern art world to become a propaganda tool in the hands of left wing artists The artists involved in what was largely a transcultural phenomenon were an eclectic group working in the areas of fashion and commercial art and design The book demonstrates that during the build up to all out war the cartoon was not only important in the sphere of Shanghai popular culture in the eyes of the publishers and readers of pictorial magazines but that it occupied a central place in the primary discourse of Chinese modern art history

Red Friends John Sexton, 2023-02-21 The story of the friends and allies of the Chinese Revolution China's resistance to Imperial Japan was the other great internationalist cause of the red 1930s along with the Spanish Civil War These desperate and bloody struggles were personified in the lives of Norman Bethune and others who volunteered in both conflicts The story of Red Friends starts in the 1920s when encouraged by the newly formed Communist International Chinese nationalists and leftists united to fight warlords and foreign domination John Sexton has unearthed the histories of foreigners who joined the Chinese revolution He follows Comintern militants journalists spies adventurers Trotskyists and mission kids whose involvement helped and sometimes hindered China's revolutionaries Most were internationalists who while strongly identifying with China's struggle saw it as just one theatre in a world revolution The present rulers in Beijing however buoyed by China's powerhouse economy commemorate them as foreign friends who aided China's peaceful rise to great power status Founded on original research it is a stirring story of idealists struggling against the odds to found a better future The author's interviews with survivors and descendants add colour and humanity to lives both heroic and tragic

Golden-Silk Smoke Carol Benedict, 2011-04-10 Tobacco has been pervasive in China almost since its introduction from the Americas in the mid sixteenth century One third of the world's smokers over 350 million now live in China and they account for 25 percent of worldwide smoking related deaths This book examines the deep roots of China's contemporary cigarette culture and smoking epidemic and provides one of the first comprehensive histories of Chinese consumption in global and comparative perspective Provided by publisher

The Pivot Kurt Campbell, 2025-05-01 From former assistant secretary of state Kurt M Campbell comes the definitive analysis and explanation of the new major shift in American foreign

policy its interests and assets to Asia There is a quiet drama playing out in American foreign policy far from the dark contours of upheaval in the Middle East and South Asia and the hovering drone attacks of the war on terror The United States is in the midst of a substantial and long term national project which is proceeding in fits and starts to reorient its foreign policy to the East The central tenet of this policy shift aka the Pivot is that the United States will need to do more with and in the Asia Pacific hemisphere to help revitalize its own economy to realize the full potential of the region s dramatic innovation and to keep the peace in the world s most dynamic region where the lion s share of the history of the twenty first century will be written This book is about a necessary course correction for American diplomacy commercial engagement and military innovation during a time of unrelenting and largely unrewarding conflict While the United States has intensified its focus on the Asia Pacific arena relative to previous administrations much more remains to be done The Pivot is about that future It explores how the United States should construct a strategy that will position it to maneuver across the East and offers a clarion call for cunning dexterity and ingenuity in the period ahead for American statecraft in the Asia Pacific region

Encyclopedia of Chinese-American Relations Yuwu Song,2016-03-18 Since 1784 when the American ship Empress of China arrived in Guangzhou Chinese American relations have experienced advances and setbacks As the Chinese economy rapidly expands China assumes a more dominant position in world politics and continued fruitful relations with the United States are a primary concern for both nations in the twenty first century This encyclopedia contains more than 400 descriptive entries of important events issues personalities controversies treaties agreements organizations and alliances in the history of Sino American relations from Chinese and American perspectives Also included are maps a chronology a list of acronyms and three appendices American chiefs on missions to China Chinese chiefs on missions to the United States and the correspondence of Wade Giles to Pinyin Chinese Science ,1998 US-China Review ,1997 China, Hong Kong, and the Long 1970s: Global Perspectives Priscilla Roberts,Odd Arne Westad,2017-08-17 This book explores the forces that impelled China the world s largest socialist state to make massive changes in its domestic and international stance during the long 1970s Fourteen distinguished scholars investigate the special perhaps crucial part that the territory of Hong Kong played in encouraging and midwifing China s relationship with the non Communist world The Long 1970s were the years when China moved dramatically and decisively toward much closer relations with the non Communist world In the late 1970s China also embarked on major economic reforms designed to win it great power status by the early twenty first centuries The volume addresses the long term implications of China s choices for the outcome of the Cold War and in steering the global international outlook toward free market capitalism Decisions made in the 1970s are key to understanding the nature and policies of the Chinese state today and the worldview of current Chinese leaders
