Jews and New Christians in the Making of the Atlantic World in the 16th-17th Centuries Henryk

Szlajfer,2023-11-13 Amsterdam Jews appeared up to the mid 17th century as Braudelian great Jewish merchants However the New Christians heretic judaizantes in the eyes of the Inquisition dispersed around the world group sui generis were equally crucial Their religious identities were fluid but at the same time they and the new Jews from Amsterdam formed a part of economic modernity epitomized by the rebellious Netherlands and the developing Atlantic economy At the height of their influence they played a pivotal albeit controversial role in the rising slave trade The disappearance of New Christians in Latin America had to be contextualised with inquisitorial persecutions and growing competition in mind **Jesus' Death**

and the Gathering of True Israel John A. Dennis,2006 Taking seriously the Gospel as a unified narrative and the Gospel s late first century Jewish setting John Dennis investigates the Fourth Gospel s appropriation of Jewish restoration theology Employing John 11 47 52 as the starting point the author argues that one of the primary functions of restoration theology in John is to interpret Jesus death in the light of Jewish restoration expectations A new angle on Jesus death in the Fourth Gospel emerges from this study Jesus death effects the restoration of Israel the restoration that was engendered by the Prophets and expected by many Jews of the Second Temple period In the course of the study it is also argued that John was primarily concerned with Israel s restoration and not with a mission to the Gentiles In this light a fresh interpretation of the children of God 11 52 is offered **Social Critique by Israel's Eighth-Century Prophets** Hemchand Gossai,2006-05-01

This is an exhaustive and perceptive analysis of the use of mishpat and sdq in the Hebrew Bible and in particular the Eight Century Prophets The author focuses on the social critique of these prophets and the role of mishpat and sdq in this development Further the book offers an insightful exploration of chosen texts and provides a daring platform for contemporary society to discern the intrinsic connection between worship and social justice **The New-century Bible**

Walter Frederic Adeney,1904 They Shall See God H. Allen Hanson,2010-05 Jesus said Blessed are the pure in heart for they shall see God Matthew 5 8 The Bible progressively reveals a glorious description of God the Father beginning with Moses in the book of Genesis and ending with what John saw in the book of Revelation The author has done massive research showing that the Bible is full of descriptions of the glory of God This is a unique book one of kind about the visual glory of God It is incredible that nothing has been written about this aspect of the glory of God since one of the basic meanings of glory is visual brilliance and splendor It is true that no man has seen God because He has hidden him Himself for several reasons Man would die if he saw Him Man would make an idol of Him God desires that man have faith in an unseen God Many theologians maintain that God cannot be seen that He has no face or form because He is spirit invisible and omnipresent The book addresses these concepts Jesus however said that He has seen God and that angels see His face This

book should be in the shelves of every seminary Bible school minister's study and in the hand of every person as a help in Bible study or in seeking to know more about God. May it inspire every Christian to anticipate that day in heaven when they shall see Jesus and God the Father.

Jews and Christians in the First and Second Centuries: Mapping the Second Century, 2024-09-16 The second century is a crucial period for the formation of both Judaism and Christianity but remains in important ways terra incognita. This volume brings together specialists in Jewish studies and Christian studies, two closely related disciplines that nonetheless continue to operate in relative isolation. Taking into consideration the full panoply of Jewish and Christian identities, the volume proposes fresh ways to map the interrelated histories of Jews and Christians. Contributions by leading scholars offer new insights into this period, informed by a rich variety of perspectives, including theoretical, literary, thematic, and material approaches.

ISRAEL AGAINST ALL ODDS Christopher H. K.

Persaud, 2019-07-19 The Jewish people have been and are indisputably the most persecuted people in the annals of history. Today, 53% of all hate crimes in the United States of America are directed at the Jewish People. At the source of Jew hatred in its myriad forms is anti-Semitism, a sinister and vile mindset that has existed since Old Testament times or for thousands of years. Anti-Semites pervade social, religious, economic, and political confines, even mainstream Christianity, and their dislike for people of Jewish ancestry often translates into mindless persecution and slaughter, such as the atrocities perpetrated by the Nazis and their collaborators during the Second World War, in the mid-twentieth century, whereby over six million Jews met their deaths in the Holocaust. Anti-Semitism, instead of diminishing after the horrors of World War II, showed no sign of abatement, and it seems as though the entire world, with a few exceptions like the Jewish nation of Israel itself and the United States of America, is at loggerheads with Jews. Even international peacekeeping and monitoring organizations like the United Nations and its numerous spinoff groups are known to discriminate, sometimes barefacedly, against Jews and Israel. Middle Eastern Arabs and Muslims harbor intense loathing for Israel and Jews, and notwithstanding their occupancy of over ninety-nine percent of Middle Eastern territories, seek to covet the less than one percent of land in which Israelis reside by any means necessary. Despite the seemingly insurmountable hardships and challenges Jews have faced throughout the centuries, they persist and even progress in today's societies. They leave their enemies awe-struck at their resilience and their will to survive. It seems as though Israel and Jews, in general, enjoy a kind of divine providence. ISRAEL and Jews around the world continue to stand tall today against all odds.
