The Peoples' Friendship University in the U.S.S.R. Seymour Michael Rosen,1962 **The Development of Peoples' Friendship University in the U.S.S.R.** Seymour Michael Rosen,1962 **The people's universities of the USSR** David Currie Lee,1988 *Problems of the Peoples of the USSR.* ,1964 The Development of Peoples' Friendship University in Moscow Seymour Michael Rosen,1973 *USSR Information Bulletin* ,1951 *Islamic Peoples Of The Soviet Union* Shirin Akiner,2013-09-05 First published in 1987 The aim of this historical and statistical handbook is to answer three basic questions about the Islamic peoples of the USSR who they are where they are and how many of them there are It is convenient to speak of them as Soviet Muslims grouping them all together under a single collective heading but they are in fact quite disparate For this reason it was decided to treat each ethnic group individually here *Recent Social Trends in Russia 1960-1995* Irene A. Boutenko,1997-07-22 The newest volume in the Comparative Charting of Social Change Series which documents patterns of social change in modernized societies Recent Social Trends in Russia is a collection of statistical and sociological data on trends in Russian society that have never before been assembled in a comprehensive and systematic manner It presents an extensive analysis of the major social transformations that took place in Russia both before and after the fall of the Communist system and dispels many illusions about Russian society in the twentieth century Recent Social Trends in Russia reveals remarkable similarities between emerging trends in Russia and in Western countries during the last thirty five years Russian society shows a strong tendency toward modernization although the speed of change is sometimes slower than in Western industrialized countries Similar to Western societies Russia s population is aging unemployment prevails among the young and a new class of young professionals is emerging The institution of marriage is losing its significance emotional disorders and consumption of mood altering substances are increasing and religious beliefs and habits are becoming more diversified Political upheavals over the last ten or twelve years and the collapse of Communism have not had much effect on the social landscape in Russia There has however been an increase in the influence of Western culture and a violent backlash in fields that underwent forceful modernization The findings suggest that Russian and Western societies are more similar than one would imagine and contradict the popular conception that Communist Russia fell out of world history for seventy years **Bulletin of Cultural Life in the U.S.S.R.** ,1927 Encyclopedia of Ukraine Danylo Husar Struk,1993-12-15 Over thirty years in the making the most comprehensive work in English on Ukraine is now complete its history people geography economy and cultural heritage both in Ukraine and in the diaspora *Information Bulletin* ,1946 *The Participation of the Soviet Union in Universal International Organizations* C O Osakwe,1972-12-31 Political and legal analysis of the role of USSR in international organizations with particular reference to soviet strategies and aspirations inside ILO UNESCO and who examines the mechanism of the close interplay of international law international relations foreign policy and ideology in the process of soviet participation in international organisations and
