

Truth Warriors Network presents

The 9/11 Hoax "A tournament of lies"

In a speech shortly before his assassination, President John F. Kennedy warns against "a ruthless and monolithic conspiracy" attempting to take over American government: <http://www.youtube.com/watch?v=xhZk8ronces>

Those unfamiliar with [the 9/11 truth movement](#) may find the information presented on this and linked pages shocking and difficult to believe. The argument presented will become believable when you view the information presented by other truth warriors - most of them American citizens - on the linked pages.

Truth Warriors Network asks you to consider the argument being made, examine the evidence presented, and then decide for yourself what you believe happened on September 11, 2001.

The 9/11 Hoax Argument and Evidence

Ten years after the September 11, 2001 terrorist attacks, evidence is clear that the World Trade Center buildings were not downed by airplanes but by planned and controlled demolitions.

These are among the organizations asking for a new investigation into the 9/11 terrorist attacks (the linked videos related to these organizations begin our presentation of evidence):
