The Hunter In My Heart A Sportsmans Salmagundi:

The Hunter in My Heart Robert F. Jones, 2002-06 A new collection of sporting essays by one of America's finest outdoor writers *Sky Dance of the Woodcock* Greg Hoch, 2019-03-15 Woodcock are one of the oddest birds in North America They are a shorebird that got lost and ended up in the scrubby parts of the forest and look like they were put together with the leftover parts of other birds Oddities aside each spring they rise to great beauty with their sky dance at dusk Greg Hoch combines natural history land management scientific knowledge and personal observation to examine this little game bird Woodcock have a complex life history and the management of their habitat is also complex The health of this bird can be considered a key indicator of what good forests look like Bloodroot Robert F. Jones, 2015-07-21 From the acclaimed author of *Blood Sport* and *Blood Tide* comes another impressive original work of twisted fiction In the beginning was the Oak its hungry roots reaching deep into the earth its gnarled limbs searching the distant heavens Two hundred years ago Obediah Magrute worshipped the Oak and died violently beneath it feeding it with his blood and bone shouting his chilling curse to the skies Now Laura and Mark Avery have come to the bustling little Vermont village They have given up their frenetic city life to settle in the old Eldridge Place and to start their family Quiet and quaint the village is nestled among the rolling green hills of Hubley's Gore For centuries the inhabitants of the little farming village had tilled the soil eking out a living from the harsh land bound together by time by ties of kinship by their battle against the savage elements and by the dark secret in their midst Silent supreme it held sway over them Buried deep in the soil in the heart of the dense forest in the soul of the living wood it commanded the very elements It demanded obedience and unholy worship and sacrifice Laura and Mark are not superstitious though They find the local legends charming But as the seasons turn and the full moon rises people die in Hubley's Gore in thrall to an ancient terrible power Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Blood Tide** Robert F. Jones, 2015-07-14 A Winner *Blood Tide* is the best high adventure escape I've taken in years Elmore Leonard In the tradition of Clive Cussler and Alistair MacLean *Blood Tide* is a gripping novel of betrayal and revenge set in a remote and lawless corner of the Philippines Unjustly blamed for a failed escape attempt from a North Vietnamese prison James Culdee a career US Navy noncom who has served his country with distinction for twenty years is suddenly and unfairly forced into a disgraceful retirement Devastated Culdee retreats into alcoholism until he is rescued by his daughter Miranda a charter boat skipper whose sloop the *Seamark* has been stolen When Miranda learns that the *Seamark* has been sighted into the dangerous and primitive Flyaway Islands of the Philippines

father and daughter sail off in pursuit on a voyage that will carry them across the Pacific Arriving in the Flyaways where local pirates and drug smugglers are as treacherous as the hidden shoals and reefs Culdee and Miranda join a band of Filipino insurgents plotting to overthrow a tyrannical American drug lord who may or may not be the same slimy who betrayed Culdee in Vietnam Filled with action suspense and nautical lore Blood Tide is a tale of intrigue courage and passion of a father and a daughter s battle against overwhelming odds in infernal jungles where murder is a sport and madness a way of life Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Public Library Catalog Juliette Yaakov,2004 More than 8 000 books in the main volume More than 2 400 new titles in annual paperbound supplements More than 2 000 analytic entries for items in collections and anthologies **Books Out Loud** ,2007 *The Great War* Robert Cowley,2004 The great war or the First World War as most Americans call it was the true turning point of the century just past It brought down dynasties and empires including the Ottoman one of the roots of our present difficulties It changed the United States from a bumptious provincial nation into a world power It made World War II inevitable and the Cold War as well Above all the Great War was history s first total war an armed conflict on a world stage between industrialized powers Robert Cowley has brought together the thirty articles in this book to examine that unnecessary but perhaps inevitable war in its diverse aspects A number of the subjects covered here are not just unfamiliar but totally fresh Who originated the term no man s land and the word tank What forgotten battles nearly destroyed the French Army in 1915 How did the discovery of a German naval codebook bring the United States into the war What was the weapon that for the first time put a man made object into the stratosphere The Great War takes a hard look at the legend of the Massacre of the Innocents at Ypres in 1914 an event that became a cornerstone of Nazi mythology It describes the Gallipoli campaign as it has never been described before from the Turkish side Brought to life as well are the horrors of naval warfare as both British and German sailors experienced them at the Battle of Jutl the near breakdown of the American commander John H Pershing and the rarely told story of the British disaster on the Tigris River in what is now Iraq Michael Howard chronicles the summer of 1914 and the descent into a war that leaders were actually more afraid to avoid than to join John Keegan writes about the muddy tragedy of Passchendaele in 1917 Jan Morris details the rise and fall of Sir John Fisher whom she characterizes as the greatest British admiral since Nelson Robert Cowley tells the haunting story of the artist K the Kollwitz determined to create a memorial to her dead son In every way this is a book that does justice to the drama and complexity of the twentieth century s seminal event From the Hardcover edition Public Library Core
