Ecumenical Directions in the United States Today Antonios Kireopoulos, Juliana Mecera, 2012 Ecumenical Directions in the United States Today gathers in one place the key presentations from the historic fiftieth anniversary conference of the Faith and Order Commission of the National Council of Churches USA which study the commission's past and present and offer a vision for ecumenism's future. In addition to documenting an historic ecumenical event these essays offer theological and methodological direction for current and future ecumenical work. Provide thoughtful reflections by younger theologians. At a time when evangelical involvement in the ecumenical movement is changing this book features four evangelical authors and essays about evangelical involvement in the ecumenical movement. Additionally it collects essays ranging from Lutheran Methodist and United Church of Christ authors to Episcopal Orthodox and Catholic authors.
