When I need to read an interview with a comedian while in the bathroom, I always turn to Judd Apatow for deeply personal insights into the comedic mind. Place one on your toilet today. Amy Schumer **ONE OF THE BEST BOOKS OF THE YEAR** Vulture No one knows comedy like Judd Apatow. From interviewing the biggest comics of the day for his high school radio show to performing stand-up in L.A. dive bars with his roommate Adam Sandler to writing and directing *Knocked Up* and producing *Freaky and Geeks*, Apatow has always lived, breathed, and dreamed comedy. In this all-new collection of interviews, the follow-up to the New York Times bestselling *Sick in the Head*, Apatow sits down with comedy legends such as David Letterman, Whoopi Goldberg, and Will Ferrell, as well as the writers and performers who are pushing comedy to the limits and defining a new era of laughter: John Mulaney, Hannah Gadsby, Bowen Yang, Amber Ruffin, Pete Davidson, and others. In intimate and hilariously honest conversations, they discuss what got them into comedy and what, despite personal and national traumas, keeps them going. Together, they talk about staying up too late to watch late-night comedy, what kind of nerds they were in high school, and the right amount of delusional self-confidence one needs to make it in the industry. Like eavesdropping on lifelong friends, these pages expose the existential questions that plague even the funniest and most talented among us. Why make people laugh while the world is in crisis? What ugly, uncomfortable truths about our society and ourselves can comedy reveal? Along the way, these comics reminisce about those who helped them on their journey from early success through failure and rejection and back again, even as they look ahead to the future of comedy and Hollywood in a hyper-connected, overstimulated world. With his trademark insight, curiosity, and irrepressible sense of humor, Apatow explores the nature of creativity, professional ambition, and vulnerability in an ever-evolving cultural landscape and how our favorite comics are able to keep us laughing along the way. **Vinnie's Head** Marc Lecard, 2007-03-06 After becoming involved in a credit card scam with his childhood friend Vinnie McCloskey, Schmidt, small-time Long Island crook Johnnie LoDuco, receives an unpleasant surprise during a fishing expedition when he reels in Vinnie's head. **The Laughing Mill, and Other Stories** Julian Hawthorne, 2022-09-16 In *The Laughing Mill and Other Stories*, Julian Hawthorne presents a collection of both whimsical and profound tales that navigate the intricate landscapes of human emotion and experience. With a narrative style that combines elegant prose with rich character development, Hawthorne's stories reflect the literary influences of his time, particularly the blend of realism and romanticism. The titular story, alongside others

explores themes of identity societal expectations and the bittersweet nature of life utilizing humor and pathos to engage the reader in a deep reflection of the human condition Julian Hawthorne son of the renowned Nathaniel Hawthorne was profoundly shaped by his literary heritage and personal experiences His background in literature along with his travels and varied career paths including journalism and historical writing infused his storytelling with a unique sensibility Striving to carve his own niche in the literary world Hawthorne s work captures a distinct voice blending elements from his father s legacy while also asserting his individuality I highly recommend *The Laughing Mill and Other Stories* to readers seeking a thoughtful exploration of life s complexities through engaging narratives Each story invites contemplation and resonates with the universal struggles faced by individuals making this collection a significant read for anyone interested in the evolution of American literature
