Maxim Arturovitch Pyatnitski that charming but despicable mythomaniac who first appeared in *Byzantium Endures* is back Having fled Bolshevik Russia in late 1919 Pyat's progress is a series of leaps from crisis to crisis as he begins affairs with a Baroness and a Greek prostitute while undertaking schemes to build flying machines in Europe and the United States His devotion to flamboyantly racist particularly anti Semitic doctrines like his devotion to cocaine remains unabated and he both sings the praises of Mussolini and lectures across America for the Ku Klux Klan His best kept secret is of course the fact that he is Jewish As the novel ends Pyat is in Hollywood his new Byzantium hobnobbing with movie stars and dreaming of making films like those of his hero D W Griffith Engineer braggart addict Pyat is a magnificent invention a genius of innocent vituperation his finest achievement and that of the author is that his own warped and deluded vision is powerful enough to redefine reality This authoritative edition presents the first time this work has been available in paperback in the U S along with a new introduction by Alan Wall
