The Laurel And The Poppy:

The Laurel and the Poppy Margaret Gillett, Monika Kehoe, 1967-01-01 *Then She Was Gone* Lisa Jewell, 2018-04-17
From the 1 New York Times bestselling author of *The Family Upstairs* and *None of This Is True* comes an acutely observed family drama. People about the lingering aftermath of a young girl's disappearance. Ellie Mack was the perfect daughter. She was fifteen, beloved by her parents, friends, and teachers. She and her boyfriend made a teenaged golden couple. She was days away from an idyllic summer vacation with her whole life ahead of her. And then she was gone. Now her mother, Laurel Mack, is trying to put her life back together. It's been ten years since her youngest child disappeared, seven years since her marriage ended, and only months since the last clue in Ellie's case was unearthed. So when she meets an unexpectedly charming man in a cafe, no one is more surprised than Laurel at how quickly their flirtation develops into something deeper. Before she knows it, she's meeting Floyd's daughters, and his youngest, Poppy, takes Laurel's breath away. Because looking at Poppy is like looking at Ellie. Laurel is haunted by her long unanswered questions: What happened to Ellie? Did she run away from home as the police have long suspected? Who is Floyd really? And why does his daughter remind Laurel so viscerally of her own missing girl?

All the Spells and Whistles Ava Stone, 2023-10-03 When Miss Poppy Elstone discovers she's a witch, she doesn't have the first clue how to use her magic or control her powers. She does know that she must keep her abilities a secret from the world or risk all kinds of danger. She now wakes every morning having dreamt about a stranger at a crossroads until one night when the dream and the stranger in question become all too real. A shell of his former self, Captain Alec Galbraith returned from the Napoleonic battlefields determined to make his own fortune and forge his own destiny in spite of his lost magic. When his path collides with Poppy's one darkened night, she sparks something in his soul he thought was lost. Can Alec teach Poppy how to use her powers?
