Cataloging Policy and Support Office,2007 *The Case Against Paramilitary Policing* Tony Jefferson,2023-03-31 In the late 1980s the conventional wisdom informing the policing of public order events was that of paramilitarism militarily trained and equipped units with a special responsibility to deal quickly and effectively with outbreaks of disorder The philosophy behind the paramilitary response suggested that the training discipline and specialization entailed ensured that the response was maximally effective and most in line with the tradition of impartial policing by consent The argument of this book originally published in 1990 demonstrates the reverse not only that police impartiality was chimerical and policing by consent was a viewpoint that did not include the consent of the routinely policed but that paramilitarism far from being maximally effective substantially contributed to the very problem it claimed to minimize The evidence for this argument is drawn from concrete analyses of a range of public disorder events political industrial and social a comparative look at similar work in USA and Australia and substantial fieldwork observations and interviews undertaken with a police special patrol group and its supervising officers Jefferson argues further that solutions need to be sought for public order policing in making the police politically accountable ensuring that such accountability is also just in accordance with the viewpoint of the routinely policed and in reversing the drift toward paramilitarism **Library of Congress Subject Headings** Library of Congress,Library of Congress. Police Discretion in India Satyajit Mohanty, 2023-08-31 This book is the first empirical study of police discretion in India Going beyond anecdotal accounts it addresses the issues and concerns of arrest discretion behaviour of police with analysis of available literature internationally testing the validity in the context of police in India and explaining the gap that exists between the legislative intent and field law enforcement It establishes how extralegal determinants like subculture environment and situations influence arrest discretion as much as legal determinants such as statutes rules manuals and court rulings It also provides vital explanations

on the working of the police system in India The volume will be of great interest to policymakers police leaders officers of judiciary scholars and researchers of criminology and criminal justice sociology and social anthropology and South Asian studies

The Politics of Safety Shannon King, 2023-11-28 For much of the twentieth and twenty first centuries public officials in cities like New York Chicago and Baltimore have criminalized uprisings as portending Black thugs throwing rocks at police and plundering private property to undermine complaints of police violence Liberal mayors like Fiorello H La Guardia have often been the deftest practitioners of this strategy As the Depression and wartime conditions spurred youth crime white New Yorkers anxieties about crime the movement of Black people into white neighborhoods and headlines featuring Black hoodlums emblazoned all over the white media drove their support for the expansion of police patrols in the city especially in Harlem and Bedford Stuyvesant Though Blacks also called for police protection and for La Guardia to provide equitable municipal resources they primarily received more punishment This set the stage for the Harlem uprising of 1943 Shannon King uncovers how Black activism for safety was a struggle against police brutality and crime highlighting how the police withholding protection operated as a form of police violence and an abridgement of their civil rights By decentering familiar narratives of riots King places Black activism against harm at the center of the Black freedom struggle revealing how Black neighborhoods became occupied territories in La Guardia s New York

The Politics of Corruption John A. Gardiner, 1970-08-24 Discusses actual corrupt practices in one small city showing both the mechanisms of corruption and the fundamental questions they raise the answers to which will apply in many cities He describes the background and conditions that made it possible for a local syndicate to take over an Eastern industrial center Wincanton He discusses the many factors which permitted the take over stressing the citizens lack of concern about links between petty gambling and the undermining of their local government
