The Imprint Journey Liliane Desjardins,2011-02-25 Ever Wonder Why The Same Patterns Happen To You Over And Over Again We all have imprints both negative and positive An imprint is a belief that shapes our thoughts and actions a belief we often hold unconsciously Liliane Desjardins a certified clinical addiction specialist co founder of Pavillon Gilles Desjardins and co creator of the Desjardins Unified Model of Treatment of Addictions sets forth in The Imprint Journey an exploration of imprints how they govern our lives and how we can reprogram our minds to function in new and fulfilling ways The Imprint Journey is equivalent to reading two powerful books in one Liliane spends the first section telling her own story a childhood

in war torn Croatia the death of her mother being an immigrant first to France and later French Canada and the addictions and dysfunctions that marred her life until a suicide attempt resulted in a near death experience Her own personal recovery led her on a mission to help others find their own freedom from self imposed and self limiting imprints The second half of this powerful book provides an anatomy of our imprints revealing how to transform them so we are free to be our authentic selves Liliane includes eight powerful personal stories of people who have overcome their imprints including religious sexual and cultural limitations as well as an overview of how understanding and rewriting our imprints can shape the human race's future as we all experience individual Oneness Readers will find themselves turning to The Imprint Journey again and again as a guide to relieve fears and to discover powerful truths about themselves that will transform them into their authentic selves Acclaim For Desjardins The Imprint Journey Liliane writes from the depth of her own experience with passion and power and a keen understanding of the human psyche Her insights lift the reader above their own past patterns providing insight both comforting and striking The book inspires hope that no matter what we've been through fundamental change is possible Marianne Williamson author A Return To Love The Imprint Journey will touch your very soul and make way for profound transformation From personal story to practical steps Liliane walks with her readers on the path of awakening Your life will be changed Carolyn Craft Psychotherapist Unity Minister host of Waking Up With Carolyn Craft on Sirius Satellite Radio Learn more at www.LilianeDesjardins.com From Life Scripts Press www.RewritingLifeScripts.com *You've Lost Your Mind Now Find Your Soul* Rev. Dr. Sandy Range Ph.D. LMHC, 2019-07-19 I wasn't always Dr Sandy I once was a lost little girl seeking for anyone to love and care about me I didn't feel human and felt like I was from another planet I just didn't belong I went through this cycle for many years until I discovered that I was Soul This discovery led me to get my graduate and then doctoral degrees It led me down a path I had been taught in childhood but had forgotten That was the path of medicine woman and shaman and then I became an esoteric metaphysical minister You see in order to find your soul you really do have to lose your mind I did and I questioned everything What is God Who are humans really What are we supposed to be doing here I found that as humans we are becoming plagued in a stagnant pattern of pain illness and suffering everywhere in the world This is not how it is meant to be I found that living through our Soul Self allows us to see the world more clearly and accurately and can remove the patterns of suffering and struggle The world is changing and many people have forgotten how to be fully human however many are awakening knowing sensing and feeling there is something more If you are one of those people open these pages and discover how to raise your consciousness and heighten your awareness Discover how we should be fully aware of the ego mind that will lead us to believe we are either greater than great or just not good Even when we are neither we believe it anyway That is the power of ego What you will discover is how to pay much more attention to your soul consciousness by getting out of our heads and begin living from the place of soul We've forgotten who we are Being fully human requires reigning in the ego and becoming the Divine Beings we truly are Soul is Divine after
