**The Lawless Ones** Robert Blanc,2013-10 There is hope Hope in the Lord The Lawless Ones explores our sinful human condition and utters hope for our spiritual bodies Our hope should lie in Jesus Christ but because we fail to live up to his expectations daily we fall short of his glory Join Robert Blanc as he biblically identifies the most prominent issues of man today and how to extricate those problems The Lawless Ones will be a key to opening a new door to your heart      *1 and 2 Thessalonians* John Byron,2014-10-07 Understand What Scripture Says and How To Live It Today A new commentary for today s world The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible s grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy to use sections designed to help readers live out God s story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible s grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students 1 2 Thessalonians Paul s letters to the Thessalonians hinge thematically on the ongoing need for them to put their hope in God Like us the Thessalonians were living in difficult circumstances living in the tension between death and the promise of Jesus final return and triumph In between living requires daily hope and Paul infuses his letters with hope without overlooking the challenges of the day Edited by Scot McKnight and Tremper Longman III and written by a number of top notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear minded theological insight to any biblical education or ministry      *Communion of Love* William Dewberry,2014-07-31 Communion of Love is an overview of the Bible focusing on God s plan of redemption from the time of the creation to the end of time The book provides a view that is written in layman terms and is a comprehensive easy to understand view of redemption and an introduction to God His Son Jesus the Holy Spirit angels Satan and the people that were directly involved in God s plan May God bless those who love God and are interested in understanding more about the great love He has always had for people      **Israel and the Covenants in New Testament Times** Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan

for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

[The Boundaries of Jewishness in the Southern Levant 200 BCE-132 CE](#) John Van Maaren, 2022-06-06 Recent research has considered how changing imperial contexts influence conceptions of Jewishness among ruling elites esp Eckhardt Ethnos und Herrschaft 2013 This study integrates other often marginal conceptions with elite perspectives It uses the ethnic boundary making model an empirically based sociological model to link macro level characteristics of the social field with individual agency in ethnic construction It uses a wide range of written sources as evidence for constructions of Jewishness and relates these to a local specific understanding of demographic and institutional characteristics informed by material culture The

result is a diachronic study of how institutional changes under Seleucid Hasmonean and Early Roman rule influenced the ways that members of the ruling elite retainer class and marginalized groups presented their preferred visions of Jewishness. These sometimes competing visions advance different strategies to maintain, rework or blur the boundaries between Jews and others. The study provides the next step toward a thick description of Jewishness in antiquity by introducing needed

systematization for relating written sources from different social strata with their contexts. **1-2 Thessalonians** Nijay K. Gupta, 2016-07-12. In the first century the Thessalonian church grieved deaths in their community, endured harsh persecution and struggled with questions about the future. Paul offered them the comforts and reassurances of hope in the Messiah Jesus. But he offered far more than wishful thinking or pie in the sky comfort. Paul's emphasis on hope in the Messiah Jesus involved capturing a vision of God's redeemed and just future in order to see and live faithfully today. Paul did not believe in a passive hope but an active hope where if the Day of the Messiah is a beacon, believers set their course and diligently move toward it. That diligence is especially captured by love for Christian brothers and sisters, commitment to honest and productive work and obedience to the truth of the gospel of Lord Messiah Jesus. *Sacra Pagina: First and Second Thessalonians* Earl J. Richard, 2021-03-04. The letters First and Second Thessalonians are traditionally associated with the Pauline foundation of the Macedonian Church at Thessalonica. The first is seen as representing Paul's earliest epistolary efforts and as providing two successive moments in his long relationship as advisor to that community. Soon after leaving the area for the southern province of Achaia, Paul addresses the concerns of the new Gentile converts and at a later period responds more directly to queries received from the thriving and successful community. The second document, written in Paul's name and at a later date, attempts to calm the apocalyptic fervor of the community by reiterating its traditional eschatological and Christological teaching. After treating these introductory matters, this study provides a new translation of each section of the canonical text, explains in notes the pertinent textual and linguistic features of the text, and then offers in a series of interpretive messages a literary, rhetorical and thematic analysis of the biblical documents. The constant concern of this commentary is to provide assistance to modern readers in discerning the relationship between the authors and their intended readers. Short bibliographies suggest other important modern studies. *For Whom Did Christ Die?* Jarvis J. Williams, 2014-07-08. A careful and exegetical reading and examination of the Pauline passages that suggests particular atonement together with a thorough engagement with contemporary scholars on the subject. In *For Whom Did Christ Die?* Williams argues that according to Paul, Jesus died exclusively for the elect to achieve their salvation. The book attempts to show that particular atonement is not simply an abstract theological doctrine imposed on the text by theologians and void of a biblical or exegetical foundation, but that this doctrine is biblical, is Pauline, and that particular atonement can be detected in Pauline theology by means of a careful exegetical analysis of the relevant Pauline texts and of the relevant texts in the Old Testament and Second Temple Judaism. **The Collegeville Bible Commentary** Robert J. Karris, 1992. The Collegeville Bible Commentary is available in

an affordable two volume paperback edition Special ease binding allows the volumes to lie open without assistance Perfect for classroom use or personal study     The Letters to the Thessalonians GENE L GREEN,2020-05-21 In this commentary Gene Green reads Paul s two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first century world of Thessalonica This fruitful approach helps illuminate the impact of the gospel on its original readers and in turn shows how potent a force it can be for the church and society today The book begins with an in depth study of the Thessalonians themselves their history land socioeconomic conditions and religious environment This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city s first church and the subsequent struggles of the Thessalonian believers to live out their Christian faith The main body of the book provides informed verse by verse commentary on 1 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts As Green s exposition shows the Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul s pastoral concern for the many areas in which the Thessalonians needed guidance Some of Paul s purposes are to thank the new believers for their steadfastness amid suffering to encourage them in their trials to urge them not to neglect their daily work and no less important to teach them about the future of believers who die before Christ returns Indeed the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul s eschatological letters Filled with new information about ancient society this commentary will fast become a standard reference work for Bible study By carefully bridging the biblical and modern worlds Green shows with clarity and warmth the continuing relevance of 1 2 Thessalonians for contemporary readers     **40 Questions about the End Times** Eckhard J. Schnabel,2012-01-12 Benjamin L Merkle is professor of New Testament at Malaysia Baptist Theological Seminary and is the author of numerous articles which have appeared in journals such as JETS and Trinity Journal He earned his Ph D from Southern Baptist Theological Seminary where he wrote his dissertation on deacons and elders     *The Biblical World* William Rainey Harper,Ernest DeWitt Burton,Shailer Mathews,1911 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352     *First and Second Thessalonians* Beverly Roberts Gaventa,2012-08-01 Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry     Apocalypticism in the Bible and Its World Frederick J. Murphy,2012-08-01 2013 Biblical Archaeology Society BAS Award for Best Book Relating to the New Testament Frank Moore Cross Award American Schools of Oriental Research 2013 Apocalypticism is not a peripheral topic in biblical studies It represents the central characteristic transformation of Hebrew thought in the period of the Second Temple It therefore constituted the worldview of Jesus Paul and the earliest Christians and it is the context in which the New Testament books were written In this volume Frederick Murphy defines apocalypticism while discussing its origins where it comes into play in the Hebrew Bible and how it relates to Jesus and the New Testament     *1 and 2 Thessalonians* Ben Witherington,2006-11-02 Paul s two letters to the Thessalonians

stand as some of the very earliest Christian documents yet they appear well into Paul's missionary career giving them a unique context well worth exploring In this first full scale socio rhetorical commentary on 1 and 2 Thessalonians Ben Witherington gleans fresh insight from reading Paul's text in the light of rhetorical concerns and patterns early Jewish theology and the first century historical situation in Macedonia Witherington's distinctive socio rhetorical approach helps unearth insights that would otherwise remain hidden using only form criticism epistolary categories and traditional criticism Witherington details Thessalonica's place as the metropolis of Macedonia and he carefully unpacks the social situation of Paul and his recipients Scholars will appreciate the careful analysis and rhetorical insights contained here while Witherington's clear prose and sensitivity to Paul's ideas make this work ideal for all who desire a useful readable commentary on 1 and 2 Thessalonians

*A Story of Faith, Hope and Love* William Dewberry, 2016-03-01 God's existence is conspicuous as a result of His creation and the history in the Bible of the blessings and punishment received by His people from the time of the Garden of Eden to the crucifixion of Jesus Christ to provide redemption Therefore the most important thing in life is faith in God which leads to hope love and obedience in God's Word the Bible Christians understand God by his creation and His willingness to sustain human life God clearly reveals himself and His creation in the inspired account of the Bible God welcomes people to establish a relationship of faith in Him in order to avoid the consequences of sin The authenticity of the Bible was established many years ago and the people of every generation since its completion believe it is a divinely inspired book
