Led Zeppelin Bob Spitz,2021-11-09 In this authoritative unsparing history of the biggest rock group of the 1970s Spitz delivers inside details and analysis with his well known gift for storytelling PEOPLE From the author of the iconic bestselling history of The Beatles the definitive account of arguable the greatest rock band of all time Rock star Whatever that term means to you chances are it owes a debt to Led Zeppelin No one before or since has lived the dream quite like Jimmy Page Robert Plant John Paul Jones and John Bonham In *Led Zeppelin* Bob Spitz takes their full measure separating myth from reality with his trademark connoisseurship and storytelling flair From the opening notes of their first album the band announced itself as something different a collision of grand artistic ambition and brute primal force of English folk music and African American blues Spitz's account of their artistic journey amid the fascinating ecosystem of popular music is irresistible But the music is only part of the legend *Led Zeppelin* is also the story of how the sixties became the seventies of how innocence became decadence of how rock took over *Led Zeppelin* wasn't the first band to let loose on the road but as with everything else they took it to an entirely new level Not all the legends are true but in Spitz's careful accounting what is true is astonishing and sometimes disturbing *Led Zeppelin* gave no quarter and neither has Bob Spitz *Led Zeppelin* is the long awaited full reckoning the band richly deserves
