**The Protectors of Kahite** Marie May,2023-03-31 The gods a story told over and over in different cultures Norse Greek and Roman mythologies are all different versions of a similar story But what about the Kahitian gods What about a world where gods magic and fate intertwine to defeat evil In the Kingdom of Solaris all will be revealed to an unsuspecting girl whose destiny is predetermined Facing trials more death defying than the last creatures unknown to this world and horrors of the evil force threatening to take over the world all to prove she is worthy of her destiny Just to top it all off complex riddles only she can solve a new friend who tests the boundaries between love and hate and a stowaway in the form of a six year old sister who has an incessant need for pancakes Will she save the world Or will she crumble and let humanity perish destroying

the kingdom of the gods      Stories, Legends, and Truths From The Blighted Earth R.M. Tembreull,2023-06-21 About the Book Stories Legends and Truths from the Blighted Earth is a book of fictional narratives and artifacts which progressively knit together a hidden world existing outside what humans perceive as our reality Earth Mother is sentient and all manner of life on our planet are Her children to whom She gifts sentience of their own The spirit essence or soul is immortal and all beings progress through many lives Within this context sentient life occupies a hierarchy where the highest tiers are occupied by elementals and Guardian Spirits who are responsible for preserving and maintaining the Natural Order while those affiliated coopted and corrupted by Chaos are continuously trying to disrupt and ultimately destroy the balance There is no such thing as good and evil just the continual struggle between order and chaos The Blighted Earth s sentient existence where all life on the planet is connected reveals a hidden realm and provides a new understanding of our world through the provided stories and artifacts These tales are described within the context of real world events and historical conflicts as told from the perspective of various characters occupying the numerous tiers in the Hierarchy of Sentience Many commonly understood theories of existence and spirituality are reimagined within a new model of the universe where humankind s place and our importance within the All is very different from what most of us interpret it to be including the definition of life and lifeforms About the Author R M Tembreull spent his childhood roaming the pastures and forests of rural Michigan He was exposed to the wonders of the wilderness through a variety of experiences including camping canoe trips hunting and fishing Later he would experience much of the world during his twenty six years with the Air Force His greatest appreciation for the wonders of nature began when he became a certified scuba diver while stationed in Guam There he met the love of his life and they began exploring the underwater world together Tembreull found the courage and time to start writing during the onset of the COVID 19 pandemic The author hopes his work will ignite the reader s imagination instill a new appreciation of the natural world and inspire others to act in preserving and protecting the life and natural resources of our wonderful Earth      **Destruction of Earth** Robert Reynolds,2020-09-16 This story pertains to three different stories that have been foretold or even foreseen but to fully witness the destruction of each one can show each of us how we are able to survive The first of the three stories was called The Plague in which killed about ten to twenty million people in Europe The second of the three stories is called Mysterious Cylinder in which unleashed a creature of an unknown origin upon the world The third and final of the three stories is Large size meteor that struck the Earth and when it did hit the Earth it once again unleashed hell onto this world      Amazing Truths or Foolish Lies James Hendershot,2016-10-07 We live within a world

where the lines between fiction and science fiction may not be as clearly defined as we once thought Our religion reveals a spiritual realm which we shudder to think about if forced Can we communicate with the dead or better yet are there ghosts Can we try to deny ghosts and other folklore Is the foundation for a globalized New World Order in place Are the Freemasons and Illuminati associated with the New World Order You will be surprised to learn that many people who you believed to be

great are setting you up for a future slaughter Have we discovered pyramids in Alaska and the Antarctica How do the Homo sapiens compare to the vast number of other human species Is our government telling us the truth or using us as modern slaves Is our government now controlled by a select few who will do whatever it takes to get what they want Where is the Garden of Eden We will look at how sexual perversion has destroyed other civilizations before us History is packed with curious stories that if you think about them they might not be so weird after all Is our Earth hollow as the other planets throughout the universe Could there be aliens living among us Can we truly be the sole life through the vast universe How much do we know about our Earth and the short six million years humans have walked on the four point five billion years the Earth has existed We will look at a few civilizations that existed prior to Atlantis and the reason they vanished Which of these legends or encounters are amazing truths and which ones are foolish lies      **We Are Water Protectors** Carole
