On 'Macaulay's New Zealander'.** William Colenso,1883 From Asclepiadaceæ John C. Loudon,1838 **Herman Melville: Complete Poems (LOA #320)** Herman Melville,2019-08-27 An unprecedented single volume edition of one of America s greatest poets released to celebrate his bicentennial Best known today for his novels and stories the author of Moby Dick was a devoted and accomplished poet Ranging from Civil War battlefields to the haunted byways of the Holy Land from close observation of nature to deep philosophical mediation Melville s poetry was central to his life and art and he justly ranks with Whitman and Dickinson as one of America s three greatest 19th century poets Complete here for the first time in the fourth and final installment in the Library of America s Herman Melville edition are all four books of poetry he published in his lifetime plus uncollected poems and the poems from two projected volumes left unfinished at the time of his death allowing readers to appreciate for themselves the extraordinary range of his poetic achievement Melville s first book of poetry Battle Pieces 1866 remains one of the very few great American books to have emerged from the Civil War Dedicated to the Union dead it is both a deeply philosophical work of mourning and a fascinating

record of events tracking campaigns and battles and the war's immediate aftermath With a cast of characters surpassing that of Moby Dick the epic poem *Clarel* 1876 about an American divinity student's pilgrimage to the Holy Land has been likened to *Paradise Lost* and *The Waste Land* as a profound exploration of the problem of belief Also included in *Complete Poems* are the two privately issued books *John Marr* 1888 and *Timoleon* 1891 which contain some of Melville's finest lyric verse Rounding out the volume are the extraordinary poems from his two unfinished manuscripts *Weeds and Wildings* and *Parthenope* along with miscellaneous uncollected poems All of the poems are presented in the authoritative Northwestern Newberry texts

Clarel Herman Melville, Harrison Hayford, 2008-08-20 Melville's long poem *Clarel A Poem and Pilgrimage in the Holy Land* 1876 was the last full length book he published Until the mid twentieth century even the most partisan of Melville's advocates hesitated to endure a four part poem of 150 cantos and almost 18 000 lines about a naive American named Clarel on pilgrimage through the Palestinian ruins with a provocative cluster of companions But modern critics have found *Clarel* a much better poem than was ever realized Robert Penn Warren called it a precursor of *The Waste Land* It abounds with revelations of Melville's inner life Most strikingly it is argued that the character Vine is a portrait of Melville's friend Nathaniel Hawthorne *Clarel* is one of the most complex theological explorations of faith and doubt in all of American literature and this edition brings Melville's poem to new life
