Hidden Stories of Jesus in Britain Ben Kimball,Pam Kimball,Bron Kimball,2023-08-10 Jesus of Nazareth was the most influential person to ever walk the earth so why do we have no record of him for nearly two decades of his short life Or have we just not looked in the right places Narratives have long trickled out of the British Isles pointing to a significant connection with Jesus and with some of His most prominent disciples Evidence reveals that Britain was not only the epicenter of an ancient global religion but became the first light of Christianity after the crucifixion Was the royal lineage of King David preserved in the ancient British Isles Did the ancient Druids hold beliefs in common with Judeo Christianity Was Joseph of Arimathea more than a wealthy disciple of Jesus Did a young Jesus walk the shores of Britain and if so why What was he doing in that remote corner of the world If the answer to any of these questions is yes why have these accounts not been more widely shared These hidden stories out of Celtic Britain abound in heroism sacrifice and faith The rise and ultimate fall of these noble people is a story for the ages A battle for transparency continues today as this book reveals ancient manuscripts and other evidence that shed needed light on Britain and on the life of Jesus prior to His final ministry in Palestine Twelve-Tribe Nations and the Science of Enchanting the Landscape John F. about our wide range of titles **Joseph of Arimathea** Robert Cruikshank,2011-02-16 Joseph of Arimathea brings together modern research ancient legends and unique storytelling to trace the journey of Joseph of Arimathea from England to Palestine as he performs an annual pilgrimage there During this particular trip to Palestine Josephs world is turned upside down by the political crucifixion of Jesus at the hands of his enemies Joseph with his friend Nicodemus buries Jesuss body according to Jewish ritual For this Joseph is himself arrested but he is delivered from imprisonment by the risen Jesus As an ardent believer in and follower of Gods chosen one Joseph plays a vital role in establishing the early church and its subsequent missionary movement After fourteen years in Palestine Joseph returns to England as a missionary He is sent there as the first bishop to England and Wales where he later builds a church at Glastonbury Joseph carries to England the silver chalice and silver plate used during the Last Supper along with a staff fashioned from the crown of thorns placed on Jesuss head Including a detailed appendix includes some of the surviving descendant lines of the two children of Joseph of Arimathea and his wife Anna Josephs story provides a fascinating account of some of the most precious historic Christian artifacts **Reputation and Representation in Fifteenth-Century Europe** Douglas Biggs,Sharon Michalove,Compton Reeves,2004-04-01 This volume deals with political military social architectural and literary aspects of fifteenth century England The essays contained in the volume range across the century from some of the leading scholars currently working in the period With contributions by Mark Arvanigian Kelly DeVries Sharon Michalove Harry Schnitker Charlotte Bauer Smith Candace Gregory Helen Maurer Karen Bezella Bond E Kay Harris Daniel Thierry John Leland Peter Fleming Virginia K Henderson *Abbeys, Castles, and Ancient Halls of England and Wales; Their Legendary Lore and Popular History. Re-ed., Revised, and Enlarged by Alexander Gunn* John Timbs,1872 *The Island of Avalon: Volume 2* Francis Lot,2015-06-16 Much of the legendary material concerning King Arthur and Joseph of Arimathea s association with Glastonbury is derived from the interpolations into William of Malmesbury s investigation into the Antiquity of Glastonbury De Antiquitate Glastonie Ecclesia However it is William of Malmesbury s mention of the Island of Ineswitrin donated to Glastonbury in 601AD by a king of Devon and this same island s association to the Isle of Ictis discovered by Pytheas from which tin was sold to the Phoenicians which links the island to Burgh Island in Devon Melkin s prophecy indicates that Joseph of Arimathea is buried on Avalon It is the geometric decryption of Melkin s prophecy which shows us that Joseph of Arimathea known as a tin merchant in Cornish legend is still buried on Burgh Island along with the enigmatic duo fassula Eternal Chalice Juliette Wood,2008-06-30 The sacred allure of the Holy Grail has fascinated writers and ensnared knights for over a thousand years From Malory to Monty Python the eternal chalice said to be the very cup from which Christ drank at the Last Supper has the richest associations of any icon in British myth Many different meanings have been devised for the Grail which has been linked to the Celts and King Arthur the eucharistic rites of Eastern Christianity ancient mystery religions Jungian archetypes dualist heresies Templar treasure and even the alleged descendants of Christ himself and Mary Magdalene The common thread running through all

these stories is the assumption that the Grail legend has a single source with a meaning that if only we could decode it is concealed in the romances themselves That meaning has become the subject of coded secret documents and is the central feature of a vast conspiracy supposedly stretching back to the dawn of western civilization Juliette Wood here reveals the elusive and embedded significance of the Grail story in popular consciousness as myth medieval romance tangible holy relic and finally as the centre of an esoteric theory of global conspiracy The author shows how various interpretations of the Grail over the centuries reflect changing cultural needs and desires Her book will enthrall those who like Sir Perceval seek to unlock the mysterious secrets of western mythology s most extraordinary and tantalising enigma and will delight students of history myth and religion alike
