THE LENNY WILKENS STORY

The Lenny Wilkens Story

Thomas A. O'Toole

The Lenny Wilkens Story:

The Lenny Wilkens Story Lenny Wilkens, 1974 *Unguarded* Lenny Wilkens, Terry Pluto, 2001-09-01 *Unguarded* reveals the Lenny Wilkens we have never seen before the tough strong thoughtful and analytical man who has spent a life in basketball making his teammates and players better than they knew they could be Thought provoking candid always honest Wilkens shares all the secrets he s learned in his four decades surviving in the NBA storm For forty years he has been the Quiet Man of the NBA As a rookie he was overshadowed by two pretty fair guards who entered the league at the same time Jerry West and Oscar Robertson As a veteran he was both figuratively and literally a coach on the floor but he had the misfortune to play for several struggling teams As a general manager he won a championship and made back to back Finals appearances but he did it without superstars a year before Magic Johnson and Larry Bird revitalized the league And as a coach he has won more games than anyone in NBA history but spent his best years locked in the same division as Michael Jordan s Chicago Bulls Basketball connoisseurs have long appreciated the style and intelligence with which Lenny Wilkens played and the unflappability and class he s brought to coaching The respect he has earned resulted in his joining the legendary John Wooden as the only men to be inducted into the Basketball Hall of Fame twice first as a player and then as a coach Now in *Unguarded* Lenny Wilkens steps out from behind his placid demeanor to speak plainly and unequivocally on the enormous social and athletic changes he s seen in his career Wilkens sounds off about the challenges he had to overcome in the course of his journey the racism that left him off the 1960 Olympic basketball team and kept him from being chosen as head coach of the first Dream Team the fatal miscalculation that kept his Cleveland Cavaliers from getting past Michael Jordan to the NBA Finals the painful frustrating task of coaching a troubled and troublesome J R Rider a player who contributed to his departure from Atlanta And he credits those who went out of their way to help him the priests and nuns who taught him the value of discipline and reinforced his faith the coaches who pushed him to develop his talents to the fullest the selfless players such as John Johnson Hot Rod Williams Larry Nance Steve Smith and many others who sacrificed individual glory for the good of their teams his mother Henrietta and his wife Marilyn who stood beside him in many trying times The Story of the Seattle Supersonics Nate LeBoutillier, 2006-07 This book highlights the history of the Seattle Supersonics Seattle Sports Terry Anne Scott, 2020-08-17 *Seattle Sports Play Identity and Pursuit in the Emerald City* edited by Terry Anne Scott explores the vast and varied history of sports in this city where diversity and social progress are reflected in and reinforced by play The work gathered here covers Seattle s professional sports culture as well as many of the city s lesser known figures and sports milestones Fresh nuanced takes on the Seattle Mariners Supersonics and Seahawks are joined by essays on gay softball leagues city court basketball athletics in local Japanese American communities during the interwar years ultimate the fierce women of roller derby and much more Together these essays create a vivid portrait of Seattle fans who in supporting their teams often in rain sometimes in the midst of seismic activity check the country s

implicit racial bias by rallying behind outspoken local sporting heroes

Historical Dictionary of Basketball John Grasso, 2010-11-15 In less than 120 years an activity invented by one man to alleviate winter boredom for a college gym class has evolved into a worldwide multi billion dollar enterprise It is impossible for Dr James Naismith basketball s inventor to have envisioned the extent to which his simple game would reach Without major changes to his original 13 rules basketball is now played in more than 200 countries by people of all ages Thanks to basketball players like Michael Jordan Earvin Magic Johnson Larry Bird LeBron James Kobe Bryant and Shaquille O Neal have become some of the most famous people in the world The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball amateur professional men s women s Olympic domestic and international from its invention in 1891 through the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on the people places teams and terminology of the game

The Story of the Toronto Raptors Sara Gilbert, 2006-07 This book highlights the history of the Toronto Raptors

King of the Court Aram Goudsouzian, 2010 *King of the Court* provides a highly nuanced and sophisticated analysis of the great African American basketball player from his earliest days up to the present time With great skill and much insight Goudsouzian makes clear that Russell was a very complicated man who was full of contradictions in his own private life and in relationship to his business associates teammates opponents the media and the larger sporting public David K Wiggins George Mason University Not only is *King of the Court* one of the most impressive and important sports biographies to come along in many a season easily in the same class as David Maraniss s *When Pride Still Mattered* on Vince Lombardi and Wil Haygood s *Sweet Thunder* on Sugar Ray Robinson it is also one of the truly incisive books on the intersection of race civil rights and popular culture that have appeared in some time Having grown up in Philadelphia I was always a Wilt Chamberlain man and always will be but *King of the Court* convinced me that Bill Russell defined his age in ways that Chamberlain never did Russell was a man for all seasons This is a biography befitting Russell s stature Gerald Early author of *One Nation Under a Groove* *Motown* and *American Culture* Before there were crossover dribbles or slam dunk competitions before they even kept statistics for blocked shots Bill Russell dominated the game we call basketball The respect he demanded as a black man during America s turbulent Civil Rights era made him the personification of a winner in life *King of the Court* like Russell s defense locks it down and puts it all in its proper context Long live the King Dr Todd Boyd author of *Young Black Rich* and *Famous The Rise of the NBA the Hip Hop Invasion and the Transformation of American Culture* Bill Russell s life story is only incidentally about basketball For him the sport was not a life it was his vehicle for social change a platform that showcased his vision for America as much as his athletic talent In his magnificent biography Aram Goudsouzian captures the nuance and meaning of Russell s career After reading the book one will never look at Russell or sports in quite the same way Randy Roberts Purdue University Brings back the excitement of the great days of the NBA and its legendary players led by the king of them all Bill Russell Best book I ve read on basketball in 40 years Bill McSweeney

co author with Bill Russell of *Go Up for Glory* Basketball David L. Porter, 2005-07-30 From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men This volume is an ideal reference for students seeking easily accessed information on the greats of the game
