inspired that she wrote and published her second book *A Letter to My Daughter* in record speed It expressed a joyful time in her life and it communicated a message of being true to yourself while respecting other people's choices Kim resolved to put this theory to the test to determine for herself if it is true that we get what we focus on After nearly three years of consciously and deliberately applying the principles of the Law of Attraction in her life she is proud to present her third book titled *11 11* Kim S believes we always prove ourselves right We all receive what we expect to receive from life and we attract the circumstances that match our personal vibrations at any given time This is a natural impartial law of our universe just as gravity is and each of her books demonstrates it very clearly in its own way **A Letter to My Son** Keyia

Worship in the Letter to the Hebrews John Paul Heil,2011-10-17 This book seeks a more comprehensive understanding and appreciation for the Letter to the Hebrews by examining it from the viewpoint of its prominent theme of worship It aims to demonstrate the topic of worship in all of its rich and varied dimensions provides the major concern and thrust that embraces Hebrews from start to finish The author of Hebrews encourages his audience to hold on to the letter he has written to them as the word of the encouragement Heb 13 22 In a very carefully concerted and masterfully artistic way the letter persistently encourages the members of its audience with regard to their worship Indeed Hebrews was intended to be presented orally in a public performance as a liturgical or homiletic letter an act of worship in itself heard by its audience gathered together as a worshiping assembly Hebrews exhorts the members of its audience not only with regard to their liturgical worship in which they engage during their communal

gatherings but also with regard to their ethical or moral worship in which they engage by the way they conduct themselves outside of their communal gatherings This close examination of Hebrews through the lens of worship is intended to inform and enrich the worship of Christians today Hebrews presents important and unique points about worship not found in any other New Testament writing The goal is to illustrate and illuminate these points for the benefit of those who desire to deepen their worship as Christians by deepening their understanding of the magnificent literary masterpiece that the poetically lively letter to the Hebrews articulates for all Christians
