The Work of Revision Hannah Sullivan, 2013-01-01 Revision might seem to be an intrinsic part of good writing But Hannah Sullivan argues that we inherit our faith in the virtues of redrafting from early twentieth century modernism Closely examining changes made in manuscripts typescripts and proofs by T S Eliot Ezra Pound Ernest Hemingway James Joyce Virginia Woolf and others she shows how modernist approaches to rewriting shaped literary style and how the impulse to touch up alter and correct can sometimes go too far In the nineteenth century revision was thought to mar a composition s originality a prejudice cultivated especially by the Romantics who believed writing should be spontaneous and organic and that rewriting indicated a failure of inspiration Rejecting such views avant garde writers of the twentieth century devoted themselves to laborious acts of rewriting both before and after publishing their work The great pains undertaken in revision became a badge of honor for writers anxious to justify the value and difficulty of their work In turn many of the distinctive effects of modernist style ellipsis fragmentation parataxis were produced by zealous experimental acts of excision and addition The early twentieth century also saw the advent of the typewriter It proved the ideal tool for extensive multi stage revisions superior even to the word processor in fostering self scrutiny and rereading across multiple drafts Tracing how master stylists from Henry James to Allen Ginsberg have approached their craft *The Work of Revision* reveals how techniques developed in the service of avant garde experiment have become compositional orthodoxy

The Routledge Companion to Music and Modern Literature Rachael Durkin, 2022-05-26 Modern literature has always been obsessed by music It cannot seem to think about itself without obsessing about music And music has returned the favour *The Routledge Companion to Music and Modern Literature* addresses this relationship as a significant contribution to the burgeoning field of word and music studies The 37 chapters within consider the partnership through four lenses the universal opera and

literature musical and literary forms and popular music and literature and touch upon diverse and pertinent themes for our modern times ranging from misogyny to queerness racial inequality to the claimed universality of whiteness This Companion therefore offers an essential resource for all who try to decode the musico literary exchange *The Noonday Demon* Andrew Solomon,2011-11-16 The Noonday Demon is Andrew Solomon s National Book Award winning bestselling and transformative masterpiece on depression the book for a generation elegantly written meticulously researched empathetic and enlightening Time now with a major new chapter covering recently introduced and novel treatments suicide and anti depressants pregnancy and depression and much more The Noonday Demon examines depression in personal cultural and scientific terms Drawing on his own struggles with the illness and interviews with fellow sufferers doctors and scientists policy makers and politicians drug designers and philosophers Andrew Solomon reveals the subtle complexities and sheer agony of the disease as well as the reasons for hope He confronts the challenge of defining the illness and describes the vast range of available medications and treatments and the impact the malady has on various demographic populations around the world and throughout history He also explores the thorny patch of moral and ethical questions posed by biological explanations for mental illness With uncommon humanity candor wit and erudition award winning author Solomon takes readers on a journey of incomparable range and resonance into the most pervasive of family secrets His contribution to our understanding not only of mental illness but also of the human condition is truly stunning *At Home and under Fire* Susan R. Grayzel,2012-01-09 Although the Blitz has come to symbolize the experience of civilians under attack Germany first launched air raids on Britain at the end of 1914 and continued them during the First World War With the advent of air warfare civilians far removed from traditional battle zones became a direct target of war rather than a group shielded from its impact This is a study of how British civilians experienced and came to terms with aerial warfare during the First and Second World Wars Memories of the World War I bombings shaped British responses to the various real and imagined war threats of the 1920s and 1930s including the bombing of civilians during the Spanish Civil War and ultimately the Blitz itself The processes by which different constituent bodies of the British nation responded to the arrival of air power reveal the particular role that gender played in defining civilian participation in modern war *Re-Enchanted* Maria Sachiko Cecire,2019-12-17 From The Hobbit to Harry Potter how fantasy harnesses the cultural power of magic medievalism and childhood to re enchant the modern world Why are so many people drawn to fantasy set in medieval British looking lands This question has immediate significance for millions around the world from fans of Lord of the Rings Narnia Harry Potter and Game of Thrones to those who avoid fantasy because of the racist sexist and escapist tendencies they have found there Drawing on the history and power of children s fantasy literature Re Enchanted argues that magic medievalism and childhood hold the paradoxical ability to re enchant modern life Focusing on works by authors such as J R R Tolkien C S Lewis Susan Cooper Philip Pullman J K Rowling and Nnedi Okorafor Re Enchanted uncovers a new genealogy for medievalist

fantasy one that reveals the genre to be as important to the history of English studies and literary modernism as it is to shaping beliefs across geographies and generations Maria Sachiko Cecire follows children's fantasy as it transforms over the twentieth and twenty first centuries including the rise of diverse counternarratives and fantasy's move into high brow literary fiction Grounded in a combination of archival scholarship and literary and cultural analysis Re Enchanted argues that medievalist fantasy has become a psychologized landscape for contemporary explorations of what it means to grow up live well and belong The influential Oxford School of children's fantasy connects to key issues throughout this book from the legacies of empire and racial exclusion in children's literature to what Christmas magic tells us about the roles of childhood and enchantment in Anglo American culture Re Enchanted engages with critical debates around what constitutes high and low culture during moments of crisis in the humanities political and affective uses of childhood and the mythological past the anxieties of modernity and the social impact of racially charged origin stories

Chiang Yee and His Circle Paul Bevan, Anne Witchard, Da Zheng, 2022-04-13 This book Chiang Yee and His Circle Chinese Artistic and Intellectual Life in Britain 1930 1950 celebrates the life and work of Chiang Yee 1903 1977 a Chinese writer poet and painter who made his home in London England during the 1930s and 1940s It examines Chiang's relationship with his circle of friends and colleagues in the English capital and assesses the work he produced during his sojourn there This edited volume with contributions from eleven distinguished scholars tells a story of a Chinese intellectual community in London that up to now has been largely overlooked It portrays a dynamic picture of the London based migr life during the years that led up to the war and during the conflict that was the catalyst for many of them moving on In addition the book broadens our understanding of cultural interactions between China and the West in Hampstead one of the most vibrant artistic communities in London The collected essays convey a striking portrait of a community of Chinese intellectuals in England during World War II and how it interacted with cultural elites in London and elsewhere both as artists and as anti fascist activists As a whole the volume makes significant points about how people claim status as authentic interpreters of a cultural tradition a process that can pit friends against each other Kristin Stapleton The University at Buffalo SUNY In this delightful collection of essays a team of experts in literature history and the arts bring to light a world of literary interconnectedness and wartime collaboration seldom explored in scholarship The perfect resource for anyone who values the humanistic common ground between the East and the West Jenny H Day Skidmore College

Public Opinion Polling in Mid-century British Literature Megan Faragher, 2021 Explores the influence that public opinion polling and the developing idea of a public consciousness in the British mid century had upon the literature of the period It traces the emergence and growing dominance of public opinion research in cultural and governmental bodies and the ways in which it came to be aestheticized by British writers

The Boundaries of the Literary Archive Lisa Stead, 2016-03-23 This volume offers new and challenging interdisciplinary approaches to the use and study of literary archives Interrogating literary and archival

methodology and foregrounding new forms of textual scholarship the collection includes essays from both academics and archivists to address the full complexity of the study of modern literary archives The authors examine the increasing prominence of archives and their importance to the interdisciplinary study of textual history in the 21st century exploring both emerging and established areas of literary history The book is marked by its attention to four distinct core threads that allow the authors to traverse a range of historical periods and literary figures archival theory and textual production authorial legacies and digital cultures gender issues in the archive and the practical concerns of archival research and curatorship By offering an investigation of material from a range of historical periods within distinct methodological groupings the volume seeks to encourage interplay between scholars working in different fields around similar essential questions of methodology whilst presenting a rich account of archives worldwide **Moore-Arg Philosophers** Thomas Baldwin, 2010-07-13 First Published in 1999 The purpose of this series is to provide a contemporary assessment and history of the entire course of philosophical thought Each book constitutes a detailed critical introduction to the work of a philosopher of major influence and significance This book is an attempt to deal critically with all aspects of the work of George Moore with interest in his early writings **Understanding May Sarton** Mark K. works *A Russian Jew of Bloomsbury* looks at the remarkable life and influence that an outsider had on the tightly knit circle of Britain's cultural elite. Among Koteliansky's friends were Katherine Mansfield, Leonard and Virginia Woolf, for whose Hogarth Press he translated many Russian classics; Mark Gertler; Lady Ottoline Morrell; H. G. Wells; and Dilys Powell. But it was his close and turbulent friendship with D. H. Lawrence, with whom he had copious correspondence that proved to be Koteliansky's lasting legacy. In a lively and vibrant narrative, Galya Diment shows how, despite Kot's determination, he could never shake off the dark aspects of his past or overcome the streak of anti-Semitism that ran through British society and could be found in many of his famous literary friends. A stirring account of the early twentieth-century Jewish migré life and English and Russian letters, *A Russian Jew of Bloomsbury* casts new light and shadows on the giants of English modernism.

Katherine Mansfield and Literary Influence Sarah Ailwood, 2015-06-16 This book maps the ecologies of Mansfield's influences beyond her modernist and postcolonial contexts, observing that it roams wildly over six centuries across three continents and beyond cultural and linguistic boundaries.

Elizabeth Bowen Patricia Laurence, 2019-12-03 Elizabeth Bowen's *A Literary Life* reinvents Bowen as a public intellectual, propagandist, spy, cultural ambassador, journalist, and essayist, as well as a writer of fiction. Patricia Laurence counters the popular image of Bowen as a mannered, reserved Anglo-Irish writer and presents her as a bold, independent woman who took risks and made her own rules in life and writing. This biography distinguishes itself from others in the depth of research into the life experiences that fueled Bowen's writing: her espionage for the British Ministry of Information in neutral Ireland, 1940-1941, and the devoted circle of friends, lovers, intellectuals, and writers whom she valued: Isaiah Berlin, William Plomer, Maurice Bowra, Stuart Hampshire, Charles Ritchie, Sean O'Faolain, Virginia Woolf, Rosamond Lehmann, and Eudora Welty, among others. The biography also demonstrates how her feelings of irresolution about national identity and gender roles were dispelled through her writing. Her vivid fiction, often about girls and women, is laced with irony about smooth social surfaces rent by disruptive emotion: the sadness of beleaguered adolescents, the occurrence of cultural dislocation, historical atmosphere, as well as undercurrents of violence in small events and betrayal and disappointment in romance. Her strong visual imagination, so much a part of the texture of her writing, traces places, scenes, landscapes, and objects that subliminally reveal hidden aspects of her characters. Though her reputation faltered in the 1960s-1970s, given her political and social conservatism, now readers are discovering her passionate and poetic temperament and writing, as well as the historical consciousness behind her worldly exterior and writing.

A Companion to Virginia Woolf Jessica Berman, 2019-04-15 *A Companion to Virginia Woolf* is a thorough examination of her life, work, and multiple contexts in 33 essays written by leading scholars in the field. Contains insightful and provocative new scholarship and sketches out new directions for future research. Approaches Woolf's writing from a variety of perspectives and disciplines, including modernism, postcolonialism, queer theory, animal studies, digital humanities, and the law. Explores the multiple trajectories Woolf's work travels around the world, from the Bloomsbury Group and the
