

The Libidinal Jitters

Mary Wild

The Libidinal Jitters:

The Libidinal Jitters Lawrence Donray Holcomb, 1983-11 **Books in Print Supplement**, 1984 **The Emerson Effect** Christopher Newfield, 1996-01-15 What is the political sensibility of America's middle class Where did it come from What kind of life does it hope for Newfield finds a major source in the writing of Ralph Waldo Emerson and offers a radically revisionist account of his powerful influence on individualism and democracy in the United States Emerson's thought encompassed the most important cultural and social changes of his time a new urban street culture early versions of the business corporation experimental communes the rise of women authors new forms of labor a less father centered family frontier wars with American Indians Mexicans and others and the controversy over slavery Locating him at the center not only of philosophical but of national developments Newfield shows how Emerson taught the middle class to respond to these changes through a form of personal identity best termed submissive individualism Newfield identifies a previously unacknowledged connection between liberal and authoritarian impulses in Emerson's work and explores its significance in various domains domestic life the changing New England economy theories of poetic language homoerotic friendship and racial hierarchy This provocative reassessment of Emerson's writing suggests that American middle class culture encourages deference rather than independence But it also suggests that a better understanding of Emerson will help us develop the stronger alternative forms of personhood he often desired himself This book is a major contribution to our understanding of the development and the current limits of liberalism in America

The Democratic Surround Fred Turner, 2013-12-04 A smart and fascinating reassessment of postwar American culture and the politics of the 1960s from the author of *From Counterculture to Cyberculture* Reason Magazine We tend to think of the sixties as an explosion of creative energy and freedom that arose in direct revolt against the social restraint and authoritarian hierarchy of the early Cold War years Yet as Fred Turner reveals in *The Democratic Surround* the decades that brought us the Korean War and communist witch hunts also witnessed an extraordinary turn toward explicitly democratic open and inclusive ideas of communication and with them new flexible models of social order Surprisingly he shows that it was this turn that brought us the revolutionary multimedia and wild eyed individualism of the 1960s counterculture In this prequel to his celebrated book *From Counterculture to Cyberculture* Turner rewrites the history of postwar America showing how in the 1940s and 50s American liberalism offered a far more radical social vision than we now remember He tracks the influential mid century entwining of Bauhaus aesthetics with American social science and psychology From the Museum of Modern Art in New York to the New Bauhaus in Chicago and Black Mountain College in North Carolina Turner shows how some of the best known artists and intellectuals of the forties developed new models of media new theories of interpersonal and international collaboration and new visions of an open tolerant and democratic self in direct contrast to the repression and conformity associated with the fascist and communist movements He then shows how their work shaped some of the most significant media events of the Cold War

including Edward Steichen's Family of Man exhibition the multimedia performances of John Cage and ultimately the psychedelic Be In's of the sixties Turner demonstrates that by the end of the 1950s this vision of the democratic self and the media built to promote it would actually become part of the mainstream even shaping American propaganda efforts in Europe Overturning common misconceptions of these transformational years The Democratic Surround shows just how much the artistic and social radicalism of the sixties owed to the liberal ideals of Cold War America a democratic vision that still underlies our hopes for digital media today Brilliant an excellent and thought provoking book Tropics of Meta

The Global Novel and Capitalism in Crisis Treasa De Loughry, 2020-04-29 This book examines how contemporary global novels by Salman Rushdie David Mitchell Rana Dasgupta and Rachel Kushner have evolved new aesthetics to represent global economic and ecological crises Paying close attention to the interrelations between postcolonial world and global literatures this book argues that postcolonial literary studies cannot account for global crises that exceed the national and anti colonial Advocating an interdisciplinary framework informed by a synthesis of materialist literary theory with world systems theory combining Fredric Jameson and Georg Lukács with Giovanni Arrighi and Jason W Moore this book examines how global literatures metabolise not only socioeconomic conditions but also transformations in the world ecology and emergent developmental and epochal crises of capitalism

Basic Concepts of Psychiatric-mental Health Nursing Louise Rebraca Shives, 2007 This seventh edition includes new chapters and maintains popular features from previous editions such as self awareness prompts while adding research boxes and student worksheets at the end of each chapter

Kwaito's Promise Gavin Steingo, 2016-06-15 In mid 1990s South Africa apartheid ended Nelson Mandela was elected president and the country's urban black youth developed kwaito a form of electronic music redolent of North American house that came to represent the post struggle generation In this book Gavin Steingo examines kwaito as it has developed alongside the democratization of South Africa over the past two decades Tracking the fall of South African hope into the disenchantment that often characterizes the outlook of its youth today who face high unemployment extreme inequality and widespread crime Steingo looks to kwaito as a powerful tool that paradoxically engages South Africa's crucial social and political problems by in fact seeming to ignore them Politicians and cultural critics have long criticized kwaito for failing to provide any meaningful contribution to a society that desperately needs direction As Steingo shows however these criticisms are built on problematic assumptions about the political function of music Interacting with kwaito artists and fans he shows that youth aren't escaping their social condition through kwaito but rather using it to expand their sensory realities and generate new possibilities Resisting the truism that music is always political Steingo elucidates a music that thrives on its radically ambiguous relationship with politics power and the state

Deleuze and Guattari, Politics and Education Matthew Carlin, Jason Wallin, 2014-05-22 Deleuze Guattari Politics and Education mobilizes Deleuzian Guattarian philosophy as a revolutionary alternative to the lingering forms of transcendence identity politics and nihilism endemic to Western thought

Operationalizing Deleuze and Guattari's challenge to contemporary philosophy this book presents their view as a revolutionary alternative to the lingering forms of transcendence identity politics and nihilism endemic to the current state of Western formal education This book offers an experimental approach to theorizing creating an entirely new way for educational theorists to approach their work as the task of revolutionizing life itself Examining new conceptual resources for grappling with and mapping a sustainable political alternative to the clichés that saturate contemporary educational theory this collection of essays works toward extracting a genuine image of education and learning that exists in sharp contrast to both the neo liberal educational project and the critical pedagogical tradition

The Search for the Man in the Iron Mask Paul Sonnino, 2016-01-07 The Search for the Man in the Iron Mask triumphantly solves an enduring puzzle that has stumped historians for centuries and seduced novelists and filmmakers to this day Who was the man who was rumored to have been kept in prison and treated royally during much of the reign of Louis XIV while being forced to wear an iron mask Could he possibly have been the twin brother of the Sun King Like every other serious scholar intrepid historian Paul Sonnino discounts this theory instead taking the reader along on his adventures to uncover the truth behind this ancient enigma Exploring the hidden squalid side of the lavish court of France the author uncovers the full spectrum of French society from humble servants to wealthy merchants to kings and queens All had self interested reasons to hold their secrets close until one humble valet named Eustache Dauger was arrested and jailed for decades simply because he knew too much and opened his mouth at the wrong time Presenting his dramatic solution to the mystery Sonnino convincingly shows that no one will be able to tell the story of the man in the iron mask without taking into account the staggering array of evidence he has uncovered over the course of decades

How to Research Like a Dog Aaron Schuster, 2024-12-10 A provocative book that proposes a new and surprising inspiration for philosophy today the canine thinker from Kafka's story Investigations of a Dog Written toward the end of Kafka's life Investigations of a Dog Forschungen eines Hundes 1922 is one of the lesser known and most enigmatic works in the author's oeuvre Kafka's tale of philosophical adventure is that of a lone maladjusted dog who challenges the dogmatism of established science and pioneers an original research program in pursuit of the mysteries of his self and his world In How to Research Like a Dog Aaron Schuster uses the canine as a guide dog to rediscover Kafka's fictional universe while taking up the cause of this ingenious possessed melancholy comical and revolutionary thinker Neither an exercise in literary criticism nor a traditional philosophical commentary this charming and idiosyncratic book aligns itself with the research program of Kafka's dog It constructs an impossible system based on the fourfold division of nourishment music incantation and freedom or stated a bit differently enjoyment art institutions and freedom From Plato to Flaubert Lispector and Lacan Schuster puts the dog in dialogue with psychoanalytic theory the history of philosophy and modern literature Imagining the Unknown University that Kafka's new science calls for the book enlists new comrades in the dog's struggle

Jonathan Coe Philip Tew, 2018-03-22 In novels such as What A Carve Up and The Rotters Club Jonathan

Coe has established himself as one of the great satirical writers of our time Covering all of his major novels including his most recent book Number 11 Jonathan Coe Contemporary British Satire includes chapters by leading and emerging scholars of contemporary British writing The book features a preface by Coe himself and covers the ways in which his work grapples with such themes as class politics popular music sex gender and the media MELANIE KLEIN Phyllis Grosskurth,2013-09-11 Until recently underestimated in America Melanie Klein was a leading figure in psychoanalytic circles from the 1920s until her death in 1960 Parent of object relations theory she saw the development of children and of the female in particular in a way that was both an extension of and a challenge to orthodox Freudian thinking Now drawing on a wealth of hitherto unexplored documents as well as extensive interviews with people who knew and worked with Klein Phyllis Grosskurth has written a superb account of this important complicated woman and her theories theories that are still growing in influence both here and abroad Melanie Klein was not only a highly original theorist and effective practitioner but a thoroughly fascinating woman This brilliant definitive book on her life is a major contribution to psychoanalytic history

Two Hundred Brand New Shiny Cadillacs Pavel Lembersky,2025-07-15 This story spans borders as we follow Ukrainian born Mark Neider on a series of adventures and misadventures in the United States and Russia in the early 1990s From crime to constitutional crisis and film directors to romantic entanglements this tale engages readers from beginning to end Mark Neider a young Ukrainian born American IT specialist finds himself in crime ridden Yeltsin s Russia hot on the trail of wheeler dealers who swindled him out of a small fortune back in New York In Moscow Mark survives an aborted coup in October 1993 and encounters a mysterious stranger who claims to have had a hand in the recent constitutional crisis Tasha Mark s Moscow daredevil girlfriend helps him retrieve the money at a significant body count but Mark is only allowed to leave the country with 10K a mere fraction of the loot now in his possession Tasha and her film scholar aunt hatch a plan Tasha s aunt keeps the money while her wealthy Chicagoan ex disburses the equivalent amount to Mark in return for Mark s interviewing the elderly sister of Greg Davis an American film director who is the subject of Tasha s aunt s scholarly interest But there s more than meets the eye to Greg Davis s sister who takes Mark on a journey he may or may not return from

THE BLACK BUG - The Second Black Holocaust , **The History and Philosophy of Materialism** Charles T. Wolfe,John Symons,2024-11-26 Materialism the view that facts are dependent upon or reducible to physical processes is one of the most long standing and controversial of all philosophical theories Originating in antiquity its proponents include Epicurus Hobbes Diderot Darwin and Marx whilst its impact on modern physics and consciousness debates reverberates strongly today It is also an important yet generally overlooked feature of Indian Chinese and Islamic thought This major collection the first of its kind explores the fascinating philosophical history of materialism from the ancient world to the twenty first century Comprising thirty one chapters by an international team of contributors the volume is divided into six clear parts Ancient Non Western and Medieval Philosophy Renaissance and Early Modern Philosophy Enlightenment

Materialisms Nineteenth Century Philosophy Twentieth Century Philosophy Contemporary Philosophy Philosophy of Mind
 Metaphysics and Critique Within these sections key topics are covered including materialism in classical Greece India and
 China and Aztec metaphysics Renaissance materialism and anti materialism materialism and Islamic philosophy materialism
 in the French and German Enlightenment atheism and materialism nineteenth century materialist controversies and debates
 in physics Marxism and materialism physicalism and the new materialism The History and Philosophy of Materialism is ideal
 for those studying and researching the history of this vital philosophical movement especially those with an interest in the
 history and philosophy of science ancient and early modern philosophy and the Enlightenment It will also be valuable reading
 for those in related disciplines such as history sociology and religion *Ark in the Authentic Domain* Shlomo Giora
 Shoham,2008-12-18 This volume is an innovative exposition of the person and teaching of Rabbi Johanan Ben Zakkai the
 Rivaz the 1st century Jewish sage who crossed the lines over to emperor Vespasian during the siege of Jerusalem He
 proclaimed that for the Jews the learning of the Torah was even more essential than independence Hence he asked for
 permission to study the Torah at Jabneh where after the destruction of the Second Temple he established the famous schools
 for religious studies He is very controversial within Orthodox circles until this very day However we claim that he saved
 Judaism as it is studied and upheld throughout the generations of scholarship in the diasporas of Babylon Spain North Africa
 and Europe The story and the saga of Rabbi Johanan Ben Zakkai is presented in this volume within the context of the history
 of the Jews and Judaism **Male Trouble** Constance Penley,Sharon Willis,1993-01-01 The contributors provide a thought
 provoking comprehensive study of masculinity in American culture today *Masculinity and Sexuality in Modern Mexico*
 Víctor M. Macías-González,Anne Rubenstein,2012-08-31 In Masculinity and Sexuality in Modern Mexico historians and
 anthropologists explain how evolving notions of the meaning and practice of manhood have shaped Mexican history In essays
 that range from Texas to Oaxaca and from the 1880s to the present contributors write about file clerks and movie stars
 wealthy world travelers and ordinary people whose adventures were confined to a bar in the middle of town The Mexicans we
 meet in these essays lived out their identities through extraordinary events committing terrible crimes writing world famous
 songs and ruling the nation but also in everyday activities like falling in love raising families getting dressed and going to the
 movies Thus these essays in the history of masculinity connect the major topics of Mexican political history since 1880 to the
 history of daily life Psychoanalysing Horror Cinema Mary Wild,2025-11-13 Inspired by her Wild About Horror segments
 on the Evolution of Horror Podcast Psychoanalysing Horror Cinema sees Mary Wild investigate 50 films across six core
 subgenres Mind Body Nature Aliens Vampires and Home Invasion through close readings of key titles including Mulholland
 Drive Black Swan Jaws Predator Twilight and Misery Informed by Freudian Lacanian and Jungian theory Wild deconstructs
 each film with her signature blend of insight and playfulness Writing with startling emotional clarity she invites readers to
 engage with popular media through a psychoanalytic lens treating films as projective tests to uncover meaningful subjective

associations Spanning an eclectic range of titles from arthouse to blockbuster these case studies reveal how genre cinema expresses universal psychological truths Referencing both classic and contemporary horror this stylish compendium renders complex theory accessible without sacrificing depth Featuring a foreword by Mike Muncer Psychoanalysing Horror Cinema speaks to students cinephiles and curious general readers alike Practising and trainee analysts seeking fresh ways to engage with clients will find inspiration in its pages Addressing both seasoned theorists and those new to psychoanalysis Mary Wild champions horror as a vital site of introspection catharsis and erotic awakening On Moving and Being Moved Frances La Barre, 2013-05-13 Every sensitive therapist intuitively feels the wealth of meaning that resides in nonverbal behavior Yet trained as they are to discern and communicate verbal insights few therapists have a clear idea of how to tap that stream of meaning In On Moving and Being Moved Frances La Barre remedies this situation in an intellectually broadening and clinically exciting manner Drawing on an extensive research literature on movement and nonverbal behavior her background as a dancer and her extensive analytic experience she seeks to enhance our perception of movement and our understanding of its role in therapeutic communication La Barre anchors her contribution in a thorough going review of both analytic and nonanalytic sources as they bear on clinical issues Conversant with the language of posture gesture mergers of kinesics and context analysis and of body attitudes and self directed touching she spans the research literatures of all relevant disciplines from anthropology to developmental psychology to ethology from studies of temperament to cross cultural comparisons of interactive rhythms Turning to the psychoanalytic domain she begins by considering the traditionally peripheral role of the body that derived from Freud's own belief that action was often an obstacle to verbal understanding With the advent of the contemporary relational perspective she holds the stage is set for a deeper understanding of nonverbal behavior both as a source of meaning and as a ubiquitous shaper of therapeutic communication For the clinician On Moving and Being Moved is a wonderfully informative introduction to the realm of the nonverbal that succeeds both as a reference work and as a pivotal contribution to the theory of therapy La Barre goes on to illuminate the manner in which analytic and nonanalytic insights can be integrated into a flexible yet disciplined approach that restores nonverbal behavior to its rightful place in the talking cure

The Libidinal Jitters Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**The Libidinal Jitters**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

While this might not be the The Libidinal Jitters full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Libidinal Jitters eBooks, including some popular titles.

FAQs About The Libidinal Jitters Books

What is a The Libidinal Jitters PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Libidinal Jitters PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Libidinal Jitters PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Libidinal Jitters PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Libidinal Jitters PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
