**The Life and Art of Paul Strisik** Judith A. Curtis, 2001-06-01      *Collecting Stories* Thomas Davies, 2008 Challenged by his son Kristian Davies the award winning author of Laynfaroh's first book *The Orientalists* to write the story of a forty year passion for collecting American paintings Tom Davies quickly found himself not only recalling events surrounding their acquisition but also recounting how the art gene was passed from his father to him and onto his two sons This *Collecting Stories* is unlike any other book focusing on a family's lifelong pursuit of its passion It is written entirely by the collector not simply a hired art historian It communicates at a personal level the great joy and pleasure derived from the people artists dealers museum personnel and other collectors encountered along the way the lessons learned both good and bad and the satisfaction gained from increased knowledge and insight As the title states there are 400 pieces of artwork reflecting the ever expanding interests of Mr and Mrs Davies collected over forty years ranging from 19th century Hu      **Heritage Fine Art and Illustration Dallas Signature Auction Catalog #628** Ivy Press, 2006-03      **American Artist**, 2005      **Paul Strisik** Paul Strisik, Grand Central Art Galleries, 1962      **The Rotarian**, 1987-03 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine      **A New Mexico Tradition, Southwestern Realism**, 1990

**LIFE**, 1942-04-20 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use      **The Art of Landscape Painting** Paul Strisik, 1980 From dust jacket notes Noted landscape painter Paul Strisik takes the reader outdoors to watch over his shoulder as he demonstrates his skills at capturing the varied landscape around the country and in all seasons Starting with a discussion of materials and equipment the artist describes the equipment he uses in the field compact yet complete enough to allow Strisik all the variety of techniques he needs as well as studio equipment and special painting gear for traveling Further suggestions for types of brushes holders cleaners palettes easels and more give the reader all the basics for getting started both at home and on location The next portion of the book is devoted to the esthetic aspects of landscape painting conception composition and design Strisik stresses selecting those elements of a scene which help the artist make a personal statement rather than copying nature literally He explains compositional principles and how to use them distributing the weights in a picture emphasizing the center of interest knowing when and how to use cast shadows leading the viewer's eye with lines of direction and achieving variety and interest with counterpoint All the visual effects of light luminosity diffraction reflected light highlights diffused light atmospheric perspective and many more are explained in the third section along with the basics of understanding color and value relationships Particularly helpful are the

many pointers on handling color within shadowed areas painting objects in light without washing out local color and unifying the overall color feeling within a landscape Finally Strisik presents a series of full color step by step demonstrations showing how he develops his carefully planned compositional studies into finished paintings Each demonstration displays the artist s many skills and techniques every step of the way **Carl W.
