**The Life and Pontificate of Leo the Tenth, Vol. 2 of 2 (Classic Reprint)** William Roscoe,2018-03-21 Excerpt from The Life and Pontificate of Leo the Tenth Vol 2 of 2 The Swiss whom the breach of the treaty of Dijon had rendered irreconcilable enemies of France still continued to breathe from their mountains defiance and revenge A herald whom Francis sent to demand passports for his ambassadors instead of obtaining the object of his mission was ordered to return and inform his sovereign that he might soon expect another visit from them unless he speedily fulfilled the treaty In one respect this avowed hostility was however serviceable to the king as it enabled him under the pretext of

opposing the Swiss to carry on without exciting the jealousy of surrounding states those formidable preparations which he intended to direct towards another quarter About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Life And Pontificate Of Leo The Tenth*
