**The Life and Thought of St. Edith Stein** Freda Mary Oben, 2001 Canonized by Pope John Paul II on October 11 1998 Edith Stein was named one of the co patrons of Europe in 1999 This book will introduce the reader to the life and thought of this truly extraordinary woman **Stein** Sarah Borden, 2004-01-02 Edith Stein was beatified in 1987 and canonized in 1998 but is still relatively unknown in the English speaking world She provides an example of a Christian thinker deeply engaged in the debates of her own day and her work offers models and insights for addressing the questions of the twenty first century Sarah Borden presents an overview of St Edith Stein s life and thought beginning with her biography She then covers her early work in phenomenology her political writings her studies on women and women s education as well her later turn to medieval metaphysics and spiritual and religious texts The final chapter covers the controversies surrounding Stein s beatification and canonization Arranged by topic and proceeding largely in chronological order the book is accessible and aimed at a general audience although the material is presented in such a way as to be useful to specialists **Edith Stein the Life of a Philosopher and Carmelite** Teresia Renata Posselt OCD, 2012-06-29 Having been out of print for half a century the original text is here re edited and enhanced by scholarly perspectives and updated and corrected in the light of knowledge which was not available to the author at the time Book includes 9 photos More Information Enriched by a broader range of contemporary literature about the philosopher educator spiritual writer and victim of the catastrophe that engulfed her as part of her Jewish people this new presentation of the biography everyone cites so frequently brings the reader closer to the real Edith Stein The editors have avoided weighing down this engaging life story with intrusive scholarly notes and commentaries Instead they have relegated such material to a separate section of Gleanings This gives the reader the option of enjoying the biography unencumbered by supplementary matter or delving into the Gleanings when desired The three editors translators are close to the Stein family as well as to her Carmelite family which she entered in 1933 Susanne Batzdorff is Edith Stein s niece who has known her in person Josephine Koeppel and John Sullivan are both Carmelites who have occupied themselves with the life and work of the saint and have talked with several Carmelite religious who lived with Edith Stein Complementing their notes and comments that deepen the knowledge of the famous phenomenologist and Carmelite is an insightful Foreword contributed by Sr Amata Neyer OCD who knew Posselt personally She has served as prioress of the Cologne Carmel and as archivist for its Edith Stein Archive **Edith Stein** Freda Mary Oben, Mary Catherine Basehart Scn, 2012-05 For the fourth volume in this series the Editor has chosen articles about the recently beatified Carmelite nun and philosopher convert St Teresa Benedicta of the Cross Edith Stein Six authors examine the life thought martyrdom and beatification Included is the full text of the homily given by Pope John Paul II at the beatification ceremonies in Cologne on May 1 1987 Homily at Beatification For Edith Stein baptism as a Christian was by no means a break with her Jewish heritage Quite the contrary she said I had given up my practice of the Jewish religion as a girl of 14 My return to God

made me feel Jewish again She was always mindful of the fact that she was related to Christ not only in a spiritual sense but also in blood terms She suffered profoundly from the pain she caused her mother through her conversion to Catholicism She continued to accompany her to services in the synagogue and to pray the psalms with her In reaction to her mother's observation that it was possible for her to be pious in a Jewish sense as well she answered Of course seeing as it is something I grew up with Pope John Paul II May 1 1987 Address to Jewish Central Council Today the Church is honoring a daughter of Israel who remained faithful as a Jew to the Jewish people and as a Catholic to our crucified Lord Jesus Christ Together with millions of fellow believers she endured humiliation and suffering culminating in the final brutal drama of extermination the Shoah In an act of heroic faith Edith Stein placed her life in the hands of a holy and just God whose mysteries she had sought to understand better and to love throughout her entire life May the day of her beatification be a day for all of us to join together in praising God who has done marvelous works through his saints and exalted himself through the People of Israel Let us pause in reverent silence to reflect on the terrible consequences which can arise from a denial of God and from collective racial hatred Pope John Paul II May 1 1987

autobiography Joyce Avrech Berkman argues that a key axis of Stein's consciousness values philosophical ideas and life choices is a deep tense unresolved philosophical and spiritual struggle to both uphold traditional societal and cultural values and practices and also critiquing them to pioneer new patterns of thought Berkman further probes the sharply controversial nature of Stein's autobiography for her family members and Stein scholars in the decades after her death Edith Stein's Life in a Jewish Family 1891-1916 A Companion serves as an important guide to scholars in autobiographical studies history philosophy and theology as well as to a broader readership interested in Stein's life for religious and cultural reasons *The Reception of Husserlian Phenomenology in North America* Michela Beatrice Ferri, 2019-06-05 This book presents a historiographical and theoretical analysis of how Husserlian Phenomenology arrived and developed in North America The chapters analyze the different phases of the reception of Edmund Husserl's thought in the USA and Canada The volume discusses the authors and universities that played a fundamental role in promoting Husserlian Phenomenology and clarifies their connection with American Philosophy Pragmatism and with Analytic Philosophy Starting from the analysis of how the first American Scholars of Edmund Husserl's thought opened the door to the reception of his texts the book explores the first encounters between Pragmatism and Husserlian Phenomenology in American Universities The study focuses then on those Scholars who fled from Europe to America from 1933 onwards to escape Nazism Felix Kaufmann Alfred Schutz Aron Gurwitsch Herbert Spiegelberg Fritz Kaufmann among the most notable and illustrates how their teaching provided the very basis for the spreading of Husserlian Phenomenology in North America The volume examines then the action of the 20th Century North American Husserl Scholars together with those places societies centers and journals specifically created to represent the development of the studies devoted to Husserlian Phenomenology in the U S with a focus of the Regional Phenomenological Schools *Edith Stein: Women, Social-Political Philosophy, Theology, Metaphysics and Public History* Antonio Calcagno, 2015-11-11 This volume explores the work and thought of Edith Stein 1891-1942 It discusses in detail and from new perspectives the traditional areas of her thinking including her ideas about women feminism theology and metaphysics In addition it introduces readers to new and/or understudied areas of her thought including her views on history and her social and political philosophy The guiding thread that connects all the essays in this book is the emphasis on new approaches and novel applications of her philosophy The contributions both extend the interdisciplinary implications of Stein's thinking for our contemporary world and apply her insights to questions of theatre public history and biographical representation education politics autism theological debates feminism sexuality studies and literature The volume brings together for the first time leading scholars in five language groups including English German Italian French and Spanish speaking authors thereby reflecting an international and cosmopolitan approach to Stein studies **Communion with Christ** M. Regina Van Den Berg, 2015-01-28 Pope Saint John Paul II declared that the great challenge for Christians today is to become the home and school of communion St Teresa Benedicta Edith Stein is a sure guide to attaining the communion for

which every human heart longs This work considers St Teresa's life and writings in the context of the spirituality of communion As a philosopher she was directed towards attaining communion with the Truth and she discovered that Truth was a Person Jesus Christ As a Carmelite nun she gave up everything for communion with him Dr Alice von Hildebrand in the foreword says Edith Stein's message is above her time and that the author Sister M Regina van den Berg F S G M is well qualified to write such a book Sister Regina explores in detail Edith Stein's theory of empathy as developed in her doctoral dissertation as well as her later theory of community Sister Regina has also used a number of Edith Stein's writings that until this work have not yet been available in English translation Each chapter explores an aspect of communion richly revealing the wisdom of Edith Stein a Jew who became a philosopher a convert to Catholicism who became a Carmelite nun and crowned her life with martyrdom Stein's work provides insights that can help us to grow in the spirituality of communion first by presenting to us the truth about the human person's nature and vocation and then by showing us how we can arrive at a spirituality of communion in the various aspects of life

Edith

Stein's An Investigation Concerning the State: Sociality, Nationhood, Ethics Eva Reyes-Gacitúa, Antonio Calcagno, 2020-02-24

This book explores Edith Stein's phenomenology of the state. It features chapters on the application of Stein's political philosophy to real issues and questions affecting nations today. The contributors also situate Stein's political theory within her larger philosophical corpus. The collection examines *An Investigation Concerning the State* from various angles. Scholars first consider some of the direct claims Stein makes about social and political ontology. They mine her work for its implications for and applications to contemporary debates. Then the contributors position her work in relation to other figures in phenomenology including Edmund Husserl and Max Scheler. Finally, Stein's views are brought to bear on other disciplines including feminism, theology, and literature. The contributors also use her theory of the state to address various contemporary issues including bioethics and rights, globalization, as well as social and political inequality. The view of the state that emerges has implications for how we do politics and make ethical decisions. Moreover, Stein's work has an impact on our views of sociality as opposed to the sociality of contractarian views of the state, pedagogy, women's theories of justice and law, as well as social psychology and religion. This volume helps readers better understand this vital voice in political philosophy and appeals to students, professors, and researchers working in the field.

**Edith Stein** Joanne Mosley, 2006. The first part of this book presents the life of Edith Stein while going behind the well-known labels: Jewess, philosopher, Carmelite nun, martyr of Auschwitz, to reveal the inner struggles of a truly inspirational person. She was guided in all her thoughts and actions by a constant search for the truth and the acceptance of the will of God, even when it led to the ultimate gift of herself. Added to these ideals which Edith lived out in the challenge of everyday reality are the ideal figures whom she kept ever before her eyes: Edith's love of Jesus and Mary, Old Testament characters, and modern-day saints. The second part of this book, which draws upon her writings on prayer, some of which are not yet available in English, opens up her insights into Scripture and the Eucharist, the Church's rich spiritual heritage, and the silent inner presence of God. Edith Stein, modern saint and martyr, presents its subject to readers as a companion in the Christian life: one who found her courage and fulfillment through daily contact with God in prayer and in this way was able, in Edith's own words, to go to the world in order to carry the divine life into it. The book should appeal to the general Christian and Catholic reader, religious and lay alike, and in particular to those with an interest in Edith Stein, saints for our times, Carmelite spirituality, the Holocaust, and Christian-Jewish relations.

**Eating Beauty** Ann W. Astell, 2016-02-09. The enigmatic link between the natural and artistic beauty that is to be contemplated but not eaten, on the one hand, and the eucharistic beauty that is both seen with the eyes of faith and eaten on the other, intrigues me and inspires this book. One cannot ask theological/aesthetic questions about the Eucharist without engaging fundamental questions about the relationship between beauty, art, broadly defined, and eating. In *Eating Beauty*, in a remarkable book that is at once learned, startlingly original, and highly personal, Ann W. Astell explores the ambiguity of the phrase "eating beauty." The phrase evokes the destruction of beauty, the devouring mouth of the grave, the

mouth of hell To eat beauty is to destroy it Yet in the case of the Eucharist the person of faith who eats the Host is transformed into beauty itself literally incorporated into Christ In this sense Astell explains the Eucharist was productive of an entire way of life a virtuous life form an artwork with Christ himself as the principal artist The Eucharist established for the people of the Middle Ages distinctive schools of sanctity Cistercian Franciscan Dominican and Ignatian whose members were united by the eucharistic sacrament that they received Reading the lives of the saints not primarily as historical documents but as iconic expressions of original artworks fashioned by the eucharistic Christ Astell puts the faceless Host in a dynamic relationship with these icons With the advent of each new spirituality the Christian idea of beauty expanded to include first the marred beauty of the saint and finally that of the church torn by division an anti aesthetic beauty embracing process suffering deformity and disappearance as well as the radiant lightness of the resurrected body This astonishing work of intellectual and religious history is illustrated with telling artistic examples ranging from medieval manuscript illuminations to sculptures by Michelangelo and paintings by Salvador Dal Astell puts the lives of medieval saints in conversation with modern philosophers as disparate as Simone Weil and G W F Hegel     *The Living Philosophy of Edith Stein* Peter Tyler,2022-12-29 Studying with Husserl in G ttingen becoming a Carmelite nun and finally meeting her death in Auschwitz the multifaceted life of Edith Stein 1891 1942 is well known But what about her writing Have the different aspects of her scholarship received sufficient attention Peter Tyler thinks not and by drawing on previously untranslated and neglected sources he reveals how Stein s work lies at the interface of philosophy psychology and theology Bringing Stein into conversation with a range of scholars and traditions this book investigates two core elements of her thinking From Nietzsche to Aquinas psychoanalysis to the philosophy of the soul and even the striking parallels between Stein s thought and Buddhist teaching Tyler first unveils the interdisciplinary nature of what he terms her spiritual anthropology Second he also explores her symbolic mentality Articulating its poetic roots with the help of English poetry and medieval theology he introduces Stein s self named philosophy of life Considered in the context of her own times *The Living Philosophy of Edith Stein* unearths Stein s valuable contributions to numerous subjects that are still of great importance today including not only the philosophies of mind and religion but also social and political thought and the role of women in society By examining the richness of her thinking informed by three disciplines and the tumultuous first half of the twentieth century Tyler shows us how Edith Stein is the guide we all need as we seek to develop our own philosophy for life in the contemporary world

**Mind in Life** Evan Thompson,2010-09-30 Thompson explores the explanatory gap between biological life and consciousness drawing on sources as diverse as molecular biology evolutionary theory artificial life complex systems theory neuroscience psychology Continental Phenomenology and analytic philosophy to show that mind and life are more continuous than previously accepted     **Lukan Joy and the Life of Discipleship** Julie Newberry,2023-01-02 In this study Julie Newberry advances scholarship on emotions in biblical literature by examining the conditions that is the circumstances

dispositions practices and commitments that lead to joy in Luke's narrative Focused primarily on the Gospel the author traces joy's interconnection with the wider life of discipleship using an eclectically interdisciplinary approach that foregrounds literary theological and intertextual analysis Julie Newberry argues that for Luke the conditions that facilitate appropriate joy include both divine action to bring about joy conducive circumstances and human receptivity The latter is bound up with factors such as properly oriented hope trust and the generous use of possessions rendering intelligible Luke's portrayal of joy as mandatory praiseworthy or blameworthy in particular circumstances **Maven in Blue Jeans** Steven L. Jacobs, 2009 This collection of academic essays have been written in tribute to Professor Zev Garber and are divided to reflect the areas in which Professor Garber has devoted his teaching and writing energies the Holocaust Jewish Christian relations philosophy and theology history and biblical interpretation *The Revelation* Donald E. DeFilippo, 2007-03-19 The year is 2027 A supercomputer under the supervision of Father Conrad is accidentally programmed to find the last day of Earth He doesn't take this too seriously at first he knows that the Earth's demise will be preceded by clear and specific signs Abnormal and unusual events in outer space strong and frequent natural disasters on Earth and certain individuals having insights religious revelations or dreams Having secret information Father Conrad is alarmed as all three intertwined events occur and a foreboding computer printout reading Fire came down from Heaven is followed by eight other ominous messages from the Holy Bible This series of messages come as the computer responds to these frightening events and they form a mysterious puzzle leading up to and concluding with the printing of a date the last day of Earth Three of the revelations or dreams are true and are based on actual events that have taken place in 1996
