Bronner,2021-08-11 Americanness Inquiries into

the Thought and Culture of the United States analyzes several core themes that connect Americans because of and despite their pronounced diversity The book investigates shared ideas and ideals such as individualism mobility materialism and future orientation that drive an overarching American worldview Simon J Bronner begins with ideas of space and time as they formed and changed through the history of the United States before moving to the emergence of modern American culture He examines reasons America is characterized as having a victory culture that extends to the American legal military and business complexes This victory culture is further analyzed by looking at the country s relationship with the game of football a sport that thrives in America but has not caught on in other countries Finally the volume probes American consumerism driven by a desire for individual prosperity in a supposedly egalitarian society Using interdisciplinary approaches drawn from psychology sociology ethnology and history Bronner seeks explanations for people invoking and evoking ideas that they perceive as American This book would be an invaluable addition to courses on American history sociology cultural studies and American studies

Speculations of a More Distant Future Isaiah Steven Paul, 2020-12-16

Either God s people believe His promises or they don t either they will hold to God s promises or they won t In order to believe and hold to those promises a believer first has to know and understand what those promises are Isaiah Steven has taken on that task in this study which searches for a glimpse of the more distant future It is written that no eye has seen no ear has heard no mind can conceive what God has in store for us in the more distant future But nowhere does it say that we are not to search for that understanding Think on this if God really does offer mankind substance which fulfills the Hope that every believer holds wouldn t He in some way reveal that to us If we are expected to meditate on that Hope through Faith praising Him for His abundant goodness then shouldn t God reveal those spiritual realities God in fact does share many of those secrets through His Holy Spirit and they can be found throughout the entire Bible and in plain sight Those revelations may be considered prophetic in nature because they speak of something that has not yet occurred Finding those secrets and understanding those mysteries becomes the start of an exciting journey That start can be found in Speculations of a More Distant Future
