The Life And Times Of Julius Caesar:

Julius Caesar Luciano Canfora,2007 In this splendid profile Canfora offers a radically new interpretation of one of the most controversial figures in history The result of a comprehensive study of the ancient sources Julius Caesar paints an astonishingly detailed portrait of this complex man and the times in which he lived *The Life and Times of Julius Caesar* Jim Whiting,2019-12-05 Julius Caesar is one of the most famous figures in ancient Rome He was born into a turbulent era when different factions were trying to control the government He survived and began a steady rise in importance He became a very successful military commander who added more than 200 000 square miles to the territories under Rome s control But his triumphs created powerful enemies in Rome They wanted to strip him of his power He defeated those enemies in a civil war that made him even more powerful He had a famous love relationship with Cleopatra the queen of Egypt When it seemed that nothing could hold him back he was assassinated in the Roman Senate One of his most notable accomplishments still affects people today He reformed the calendar and established the length of a year at its present 365 days with a leap year every four years The month of July is named after him The Life and Times of Julius Caesar Enzo Orlandi,Giancarlo Buzzi,1972 **The Life and Times of Augustus Caesar** Jim Whiting,2005-09 When a teenager named Octavian learned that he was the heir of Julius Caesar the most powerful man in Rome it seemed like a recipe for disaster Caesar had just been assassinated and in the chaotic world of Roman politics the inexperienced young man would seem to have no chance against men two and three times his age But Octavian had a genius for politics Within a year he emerged as one of three leaders of Rome Just over a decade later he took total control Soon afterward the Roman people gave him a new name Augustus Caesar It was the name which would make him immortal He ushered in a period of peace and prosperity ending decades of civil conflict that had cost thousands of lives His reign was also characterized by a flourishing of art and architecture He was the first ruler of the Roman Empire He was almost certainly the best Julius Caesar Madera, Nuccio F.,1972 Story Of The World Ancient Times Activity Book 1 3e Susan Wise Bauer,2006-11 Presents a history of the ancient world from 6000 B C to 400 A D **Julius Caesar Ruler of Rome** Cameron White,2015-09-05 Even if you are not the kind of person that loves history there is a pretty good chance that you will have heard of Julius Caesar even though he walked on the Earth over 2 000 years ago Quite simply he is the most well known Roman citizen who ever lived and is the one Emperor that has stuck in the minds of people for thousands of years due to his actions throughout his reign Such was his power and the desire of others to emulate him that even his name spawned terms such as Czar and Kaiser which have been used by other emperors centuries later to announce that they had absolute power In other words Julius Caesar has been held in high regard by almost anybody that wished to follow in his footsteps in some way and the fact that his name has entered into common language is testimony to the skill of the man himself Throughout this amazing book we will explore his early life and show how that shaped his character and then eventually his entire career We will explore the highs and severe lows of his life from being forced into

the army to effectively save his life to being captured by pirates conquests revolts civil war supreme power and of course his brutal assassination This book does not go on hearsay but instead it focuses on details from sources of the time It charts his rise to power how brutal he could be at times with people that crossed him or stood up against him It looks at the very reasons that could have ultimately led to his assassination Was it because he was getting too much power Was it due to him making constitutional reforms that led to the rich getting poorer Was it for the greater good of the Empire or was it all about personal gain Julius Caesar Ruler of Rome The Life And Times of Rome s Most Feared Caesar by author Cameron White will ultimately tell you the truth of what happened during his life and you will begin to understand why he does indeed deserve the title of Rome s most feared Caesar

Enduring Controversies in Military History Spencer C. Tucker, 2017-09-21 This provocative examination of major controversies in military history enables readers to learn how scholars approach controversial topics and provides a model for students in the study and discussion of other historical events Why did Alexander the Great s empire fall apart so soon after his death How did France win the Hundred Years War despite England winning its major battles Was slavery the primary cause of the American Civil War Would it have benefited the Allies militarily to have gone to war against Germany in 1938 rather than in 1939 Should women be allowed to serve in combat positions in the U S military All of these questions and many other historical controversies are addressed in this thought provoking reference book By exploring every angle of some of the most contentious debates involving military

history this book builds students critical thinking skills by supplying a complete background of the controversial topic to provide context and also by providing multiple perspective essays written by top scholars in the field The perspective essays present arguments for different positions on the controversy Readers will consider the cases for and against whether Hannibal should have marched on Rome after his momentous victory at Cannae whether the United States was justified in using the atomic bomb in Japan whether Adolf Hitler was primarily responsible for the Holocaust and whether torturing prisoners during the War on Terror is warranted among many other historical military debates
