The Life of Father Hecker Walter Elliott (C.S.P.), 1891 **The Life of Father Hecker** Walter Elliott, 1891 *The Life of Father Hecker* Walter Elliott, 2018-02 Isaac Thomas Hecker was born in New York City December 18 1819 His father was a German Lutheran who never went to church his mother belonged first to the Reformed Dutch Church and later became a Methodist Their talented son first learned type setting but afterwards became a baker At the age of twenty three he joined the community at Brook Farm hoping to make up for the deficiencies of his early education This biography gives a clear report of the influences internal and external which brought Father Hecker into the Roman Catholic Church He was a natural orator and an ideal missionary and did telling work which is described in detail Literary News Vol 13 *The Life of Father Hecker* Walter Elliott, 2013-11 The life of the founder of the Paulist Order Isaac Thomas Hecker lives to day and with added years he will live more fully than he does to day His influence for good remains and with a better understanding of his plans and ideals which is sure to come his influence will widen and deepen among laymen and priests of the Church in America The writing of his biography is a tribute to his memory which the love and esteem of his spiritual children could not refuse it is also a most important service to generations present and unborn in whose deeds will be seen the fruits of inspirations gathered from it We are thankful that this biography has been written by one who from closest converse and most intimate friendship knew Father Hecker so thoroughly He has given us in his book what we need to know of Father Hecker We care very little except so far as details may accentuate the great lines of a life and make them sensible to our obtuse touch where or when a man was born what places he happened to visit what houses he built or in what circumstances of malady or in what surroundings he died These things can be said of the ten thousand We want to know the thoughts and the resolves of the soul which made him a marked man above his fellows and which begot strong influences for good and great works and if none such can be unfolded then drop the man out of sight with a Requiescant in pace engraven upon his tombstone Few deserve a biography and to the undeserving none should be given The Life of Father Hecker (Classic Reprint) Walter Elliott, 2018-01-17 Excerpt from The Life of Father Hecker HE reader must indulge me with what I cannot help saying that I have felt the joy of a son in telling the achieve ments and chronicling the virtues of Father Hecker I loved him with the sacred fire of holy kinship and love him still only the more that lapse of time has deepened by experience inner and outer the sense of truth and of purity he ever com municated to me in life and courage and fidelity to conscience I feel it to be honor Enough and joy enough for a life time that I am his first biographer though but a late born child and of merit entirely insignificant The literary work is indeed but of home made quality yet it serves to hold together what is the heaven made wisdom of a great teacher of men It will be found that Father Hecker has three words in this book to my one though all my words I tried to make his His journals letters and recorded sayings are the edifice into which I intro duce the reader and my words are the

hinges and latchets of its doors I am glad of this for it pleases me to dedicate my good will and my poor work to swinging open the doors of that new House of God that Isaac Hecker was to me and that I trust he will be to many About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
