*Friedrich Nietzsche* Julian Young, 2010-03-08 In this beautifully written account Julian Young provides the most comprehensive biography available today of the life and philosophy of the nineteenth century German philosopher Friedrich Nietzsche Young deals with the many puzzles created by the conjunction of Nietzsche's personal history and his work why the son of a Lutheran pastor developed into the self-styled Antichrist why this archetypical Prussian came to loath Bismarck's Prussia and why this enemy of feminism preferred the company of feminist women Setting Nietzsche's thought in the context of his times the rise of Prussian militarism anti-Semitism Darwinian science the Youth and emancipationist movements as well as the death of God Young emphasises the decisive influence of Plato and of Richard Wagner on Nietzsche's attempted reform of Western culture

**The Life of Friedrich Nietzsche** Daniel Halévy, 1911 [The Life of Friedrich Nietzsche](#) Daniel Halévy, 2017-12-20 Karl Ludwig Nietzsche a young clergyman of the Lutheran Church came of an ecclesiastical family His father and his grandfather had taught theology His wife was the daughter and the granddaughter of clergy men Ignoring modern thought and all the agitations and desires of his time he followed the safe path of the double tradition which had at once been revealed by God to the faithful and indicated by Princes to their subjects His superiors thought highly of him Frederick William IV King of Prussia condescended to take him under his wing and he might have hoped for a fine career had he not suffered from headaches and nerves As it was rest became essential *Life of Friedrich Nietzsche* D.

Halévy, 1972-01-01 **Friedrich Nietzsche - The Philosopher's Biography (Biography)** Biographiq, 2008-05 Friedrich Nietzsche The Philosopher's Biography is an account of the life of Friedrich Nietzsche a nineteenth century German philologist and philosopher Nietzsche wrote critiques on the subjects of religion morality contemporary culture philosophy and science using a distinctive German language style and displaying a fondness for aphorism Nietzsche's influence remains substantial within and beyond philosophy notably in existentialism and postmodernism His style and radical questioning of the value and objectivity of truth raise considerable problems of interpretation generating an extensive secondary literature in both continental and analytic philosophy Nonetheless his key ideas include interpreting tragedy as an affirmation of life an eternal recurrence that has become subject to numerous interpretations a reversal of Platonism and a repudiation of Christianity Nietzsche began his career as a philologist before turning to philosophy At the age of twenty-four he became Professor of Classical Philology at the University of Basel but resigned in 1879 due to health problems which would plague him for most of his life In 1889 he exhibited symptoms of a serious mental illness living out his remaining years in the care of his mother and sister until his death in 1900 Friedrich Nietzsche The Philosopher's Biography is highly recommended for those interested in learning more about this important German philosopher *Zarathustra's Secret* Joachim

Köhler, 2002-01-01 In this groundbreaking biography the author seeks to understand Nietzsche's philosophy through a reconstruction of his inner life Briskly written almost a philosophical detective story Volksblatt 43 illustrations **Friedrich**

**Nietzsche** Curtis Cate,2005-09-06 An accessible anecdotally rich biography of the profoundly influential 19th century philosopher author of Beyond Good and Evil and The Will to Power Kirkus Reviews Friedrich Nietzsche was the most fearlessly provocative and original thinker in Western history The protean diversity of his writings make him one of the most influential of modern philosophers yet his often paradoxical statements can be properly understood only within the context of his restless tragic life Physically handicapped by weak eyesight violent headaches and bouts of nausea this Nietzsche made short shrift of self pity and ostentatious displays of compassion The son of a Lutheran clergyman whom he adored he became a fearless agnostic who proclaimed in Thus Spake Zarathustra that God is dead Curtis Cate s refreshingly accessible new biography brilliantly distills and clarifies Nietzsche s ideas and the reactions they elicited This book explores the musical and philosophical influences that inspired his thought the subtle workings of his creative process and the acute physical suffering he combated from his adolescence until his final mental collapse of January 1889 Cutting through the academic jargon and clearing away the prejudices that have become associated with Nietzsche s name Cate reveals a man whose ideas continue to have prophetic relevance and incredible vibrancy today [The Life of Friedrich Nietzsche \(Classic Reprint\)](#) Daniel

Halevy,2015-07-19 Excerpt from The Life of Friedrich Nietzsche The duel between Nietzsche and civilisation is long since over and that high poet and calamitous philosopher is now to be judged as he appears in the serene atmosphere of history which need it be said he infinitely despised The crowd the common herd the multitude which he also despised has recorded its verdict with its usual generosity to the dead and that verdict happens to be an ample revenge It has dismissed Nietzsche s ideas in order to praise his images It has conceded him in literature a brilliant success and has treated his philosophy as fundamental nonsense of the sort that calls for no response except a shrug of the shoulders The immoralist who sought to shatter all the Tables of all the Laws and to achieve a Transvaluation of all Values ends by filling a page in Die Ernte and other Anthologies for the Young And in certifying his style to be that of a rare and real master the crowd has followed a true instinct More than Schopenhauer more even than Goethe Nietzsche is accounted by the critics of his country to have taught German prose to speak as Falstaff says like a man o this world The ungainly sentences many jointed as a dragon s tail became short definite arrowy We must Mediterraneanise German music he wrote to Peter Gast and in fact he did indisputably Mediterraneanise the style of German literature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Use and Abuse of**

**History** Friedrich Nietzsche,2019-11-13 While life needs the services of history it must just as clearly be comprehended that

an excess measure of history will do harm to the living declares Friedrich Nietzsche in this cautionary polemic The iconoclastic philosopher warns us about the dangers of an uncritical devotion to the study of the past which leads to destructive and limiting results particularly in cases where long ago events are exploited for nationalistic purposes Nietzsche proposes three approaches to times gone by the monumental focusing on examples of human greatness the antiquarian involving immersion in a bygone period and the critical rejecting the old in favor of the new He examines the pros and cons of each concept favoring how the ancient Greeks looked at things which balanced a consciousness of yesteryear with contemporary intellectual cultural and political sensibilities Nietzsche's emphasis on history as a dynamic living culture rather than the subject of detached scholarship is certain to resonate with modern readers Friedrich Nietzsche, His Life and Work Maximilian August Mügge, 1908 **The Life of Friedrich Nietzsche** Halevy Daniel

wrote that all philosophy is autobiographical and in this vividly compelling myth shattering biography Sue Prideaux brings readers into the world of this brilliant eccentric and deeply troubled man illuminating the events and people that shaped his life and work From his placid devoutly Christian upbringing overshadowed by the mysterious death of his father through his teaching career lonely philosophizing on high mountains and heart breaking descent into madness Prideaux documents Nietzsche's intellectual and emotional life with a novelist's insight and sensitivity She also produces unforgettable portraits of the people who were most important to him including Richard and Cosima Wagner Lou Salome the femme fatale who broke his heart and his sister Elizabeth a rabid German nationalist and anti Semite who manipulated his texts and turned the Nietzsche archive into a destination for Nazi ideologues I Am Dynamite is the essential biography for anyone seeking to understand history's most misunderstood philosopher

**Friedrich Nietzsche (English Edition)** Georg Brandes, 2015-02-25 Example in this ebook AN ESSAY ON ARISTOCRATIC RADICALISM 1889 Friedrich Nietzsche appears to me the most interesting writer in German literature at the present time Though little known even in his own country he is a thinker of a high order who fully deserves to be studied discussed contested and mastered Among many good qualities he has that of imparting his mood to others and setting their thoughts in motion During a period of eighteen years Nietzsche has written a long series of books and pamphlets Most of these volumes consist of aphorisms and of these the greater part as well as the more original are concerned with moral prejudices In this province will be found his lasting importance But besides this he has dealt with the most varied problems he has written on culture and history on art and women on companionship and solitude on the State and society on life's struggle and death He was born on October 15 1844 studied philology became in 1869 professor of philology at Basle made the acquaintance of Richard Wagner and became warmly attached to him and associated also with the distinguished historian of the Renaissance Jakob Burckhardt Nietzsche's admiration and affection for Burckhardt were lasting His feeling for Wagner on the other hand underwent a complete revulsion in the course of years From having been Wagner's prophet he developed into his most passionate opponent Nietzsche was always heart and soul a musician he even tried his hand as a composer in his Hymn to Life for chorus and orchestra 1888 and his intercourse with Wagner left deep traces in his earliest writings But the opera of Parsifal with its tendency to Catholicism and its advancement of the ascetic ideals which had previously been entirely foreign to Wagner caused Nietzsche to see in the great composer a danger an enemy a morbid phenomenon since this last work showed him all the earlier operas in a new light During his residence in Switzerland Nietzsche came to know a large circle of interesting people He suffered however from extremely severe headaches so frequent that they incapacitated him for about two hundred days in the year and brought him to the verge of the grave In 1879 he resigned his professorship From 1882 to 1888 his state of health improved though extremely slowly His eyes were still so weak that he was threatened with blindness He was compelled to be extremely careful in his mode of life and to choose his place of residence in obedience to climatic and meteorological conditions He usually

spent the winter at Nice and the summer at Sils Maria in the Upper Engadine The years 1887 and 1888 were astonishingly rich in production they saw the publication of the most remarkable works of widely different nature and the preparation of a whole series of new books Then at the close of the latter year perhaps as the result of overstrain a violent attack of mental disorder occurred from which Nietzsche never recovered To be continue in this ebook      **Friedrich Nietzsche** Maximilian August Mügge,1908

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Life Of Friedrich Nietzsche books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Life Of Friedrich Nietzsche books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Life Of Friedrich Nietzsche versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Life Of Friedrich Nietzsche books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Life Of Friedrich Nietzsche books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Life Of Friedrich Nietzsche books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Life Of Friedrich Nietzsche books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
