Alone of All Her Sex Marina Warner,2016 This unique study of the cult of the Virgin Mary offers a way of thinking about the interrelations of Catholicism and ideas of ideal femininity over the longue duree The Girl from Sunset Ranch: or, Alone in a Great City Amy Marlowe,2017-03-09 The Invisible Foe: A Story Adapted from the Play by Walter Hackett Louise Jordan Miln,2020-09-28 Helen usually was playing by herself and pretending as now to be sharing the sport of some playfellow perfectly tangible to her but invisible non existent to the boys a form of persistent make believe which greatly amused Hugh and as greatly irritated Stephen Don t pretend like that it s a simpleton way of going on the older boy called to her now without moving his head or his eyes It s nothing of the kind the girl replied scornfully You re blind that s what s the matter blinder n a bat both of you And she continued to laugh and chat with her make believe playmates An elfin child herself

the children of her own delicate myth did seem the more suitable fellows for her dainty frolic than either queer Stephen or stolid clumsy Hugh The little girl was very pretty a queenly little head heavy with vivid waves of gold red hair curved red lips eloquent of the history of centuries of womanhood wide blue eyes and the prettiest hands and arms that even feminine babyhood and English babyhood Celtic dashed at that had ever yet achieved every pink tipped finger a miracle and each soft beautifully molded elbow dimpled and dented with witching chinks that simply clamored for kisses and often got them a sunny docile child yielding but unafraid quiet and reserved but hiding under its rose and snow robe of provocatively pretty flesh a will that never swerved the strongest will at Deep Dale and that says everything of it for both Stephen Pryde fourteen years old and his uncle nearing fifty had stronger wills than often fall to us weak mortals of drift and vacillation These two masculine strengths of will lay rough and prominent on the surface and also sank soul deep The uncle s never abated Circumstances and youth curbed the boy s at times but neither chilled nor softened it Helen s will lay deep and still Her pretty smiling surface never showed it by so much as a gentle ripple She kept it as a sort of spiritual Sunday best laid away in the lavender and tissue of her secret self As yet only her old Scotch nurse even suspected its existence and of all her little subservient world only that old Scotch nurse neither laughed at Helen's dream friends nor scoffed In her sweet six years of life her father's will and hers had never clashed That when the almost inevitable clash of child and parent old and young cautious experience and adventurous inexperience came Helen's should prove the stronger will and hers the victory would have seemed absurd and incredible to all who knew them to every one except the nurse Universalist Union ,1843

Trumpet Blues Peter J. Levinson,1999-11-18 Swing is back in style and with it a renewed interest in the Big Band Era And few players dominated that era more than Harry James whose soaring trumpet solos and romantic hit tunes influenced popular music for a generation Now Peter J Levinson who knew Harry James personally has written a revealing biography of this jazz icon based on nearly 200 interviews with musicians and friends Harry James led a truly colorful life and in Trumpet Blues Levinson captures it all Beginning with James s childhood in a traveling circus we follow the young trumpeter s meteoric rise in the 1930s and witness his electrifying performances with the Benny Goodman Orchestra We see how James formed his own band in 1939 an incubator for many pop music stars of the 1940s and 50s including Frank Sinatra Connie Haines Dick Haymes Helen Forrest and Kitty Kallen Combined with James s superb musicianship peerless trumpet technique and talented sidemen this stellar group dominated the war years and the immediate post war period And James himself especially after his marriage to film goddess Betty Grable became one of America s most famous personalities and lived like true Hollywood royalty Levinson describes their twenty two year marriage with insight and sympathy But he shows how James s marriage and his triumphant late 1950s comeback in Nevada s casinos were slowly undermined by his penchant for compulsive gambling womanizing and alcoholism He gives us the inside story of James s sybaritic life style and probes the profound psychological reasons for James s destructive behavior The first biography ever written on Harry James Trumpet
