

The Life of Irony and the Ethics of Belief

David Wisdo

The Life Of Irony And The Ethics Of Belief

James M. Childs

The Life Of Irony And The Ethics Of Belief:

The Life of Irony and the Ethics of Belief David Wisdo, 1993-01-01 Wisdo concludes that the fragility of religious belief is due to the unavoidable irony intrinsic to the religious life *The End of Apologetics* Myron Bradley Penner, 2013-07-01 The modern apologetic enterprise according to Myron Penner is no longer valid It tends toward an unbiblical and unchristian form of Christian witness and does not have the ability to attest truthfully to Christ in our postmodern context In fact Christians need an entirely new way of conceiving the apologetic task This provocative text critiques modern apologetic efforts and offers a concept of faithful Christian witness that is characterized by love and grounded in God's revelation Penner seeks to reorient the discussion of Christian belief change a well entrenched vocabulary that no longer works and contextualize the enterprise of apologetics for a postmodern generation **The Act of Faith** Eric O. Springsted, 2015-02-09 While the question Is faith reasonable has continually occupied philosophers and theologians little attention has been paid to what faith itself is The Act of Faith remedies this neglect by looking at what it means for a person of Christian faith to believe Eric Springsted contrasts modern views of faith with the Christian tradition running from Augustine through Aquinas and Calvin In reviewing such thinkers as Locke and Hume Springsted discovers that behind modern discussions of the reasonableness of faith lie key assumptions about the human self including the views that the good is a matter of choice and that we can exercise objective uninvolved reason According to Springsted however the church has not viewed faith in this way His survey of the Augustinian tradition shows that the self our most esteemed Christian thinkers had in mind when talking about faith was a moral self one defined by character and self involvement Christian faith is at root a participation in the good and reasoning within faith is reasoning within the life of God Drawing on contemporary philosophers and theologians like John Henry Newman and Simone Weil Springsted builds a fresh understanding of faith for today He shows how the inner act of faith is ultimately a radical willingness to be open to God and he argues that the faithful self is one that develops within a community that shapes its members through the morally formative activities of interaction teaching and sacramental practice **Religious Experience, Justification, and History** Matthew C. Bagger, 1999-11-13 Many philosophers of religion have sought to defend the rationality of religious belief by shifting the burden of proof onto the critic of religious belief Some have appealed to extraordinary religious experience in making their case Religious Experience Justification and History restores neglected explanatory and historical considerations to the debate Through a study of William James it contests the accounts of religious experience offered in recent works Through reflection on the history of philosophy it also unravels the philosophical use of the term justification Matthew Bagger argues that the commitment to supernatural explanations implicit in the religious experiences employed to justify religious belief contradicts the modern ideal of human flourishing For contrast and to demonstrate the indispensability of history he includes a study of Teresa of Avila's mystical theology The controversial supernatural explanations implicit in extraordinary religious experience places

the burden of proof on the believer **Virtues of the Mind** Linda Trinkaus Zagzebski,1996-09-13 Almost all theories of knowledge and justified belief employ moral concepts and forms of argument borrowed from moral theories but none of them pay attention to the current renaissance in virtue ethics This remarkable book is the first attempt to establish a theory of knowledge based on the model of virtue theory in ethics The book develops the concept of an intellectual virtue and then shows how the concept can be used to give an account of the major concepts in epistemology including the concept of knowledge This highly original work of philosophy for professionals will also provide students with an excellent introduction to epistemology virtue theory and the relationship between ethics and epistemology *Kierkegaard Bibliography* Peter Šajda,Jon Bartley Stewart,2016 **Selves in Discord and Resolve** Edward Mooney,2014-04-23 In *Selves in Discord and Resolve* Edward Mooney examines the Wittgensteinian and deconstructive accounts of subjectivity to illuminate the rich legacy left by Kierkegaard s representation of the self in modes of self understanding and self articulation Mooney situates Kierkegaard in the context of a post Nietzschean crisis of individualism and evokes the Socratic influences on Kierkegaard s thinking and shows how Kierkegaard s philosophy relies upon the Socratic care for the soul He examines Kierkegaard s work on Judge Wilhelm from *Either Or* Socrates in the *Postscript* and Abraham and Job in *Repetition and Fear and Trembling*

John Dewey and the Ethics of Historical Belief Curtis Hutt,2013-04-15 *John Dewey and the Ethics of Historical Belief* addresses the ethics of the representation of the past with a focus on the justification of historical belief within religious and critical historiographical traditions What makes a belief about the past justified What makes one historical belief preferable to another A great deal rides on how these questions are answered History textbook wars take place across the globe from California to India Cultural heritage protection is politicized and historical research is commonly deployed in support of partisan agendas This book explores not only John Dewey s relatively unknown contribution to this topic but also the leading alternatives to his approach Author Curtis Hutt focuses attention on the debate among those most influenced by Dewey s thought including Richard Rorty Richard Bernstein James Kloppenberg Wayne Proudfoot and Jeffrey Stout He also reviews the seminal work of Van Harvey on the relationship between historians and religious believers Dewey is cast as a vigorous opponent of those who argue that justified historical belief depends upon one s religious tradition Strongly resisted is the idea that historical belief can be justified simply on account of acculturation Instead Dewey s view that beliefs are justified as a result of theorized historical inquiry is emphasized In order to prevent moral blindness the responsible historian and theologian alike are advised to attend to witnesses to the past that arise from outside of their own traditions **Concise Encyclopedia of Applied Ethics in the Social Sciences** Tuija Takala,Matti Häyry,2024-04-12 Covering a vast array of disciplines this prescient Encyclopedia analyzes the many roles that applied ethics plays in the social sciences Entries scrutinize the various manifestations of ethics across a range of disciplines and subdisciplines such as animal studies criminology and global health **Comic Relief** John Morreall,2011-08-24 *Comic Relief A Comprehensive Philosophy of*

Humor develops an inclusive theory that integrates psychological aesthetic and ethical issues relating to humor Offers an enlightening and accessible foray into the serious business of humor Reveals how standard theories of humor fail to explain its true nature and actually support traditional prejudices against humor as being antisocial irrational and foolish Argues that humor's benefits overlap significantly with those of philosophy Includes a foreword by Robert Mankoff Cartoon Editor of The New Yorker *Critical Review of Books in Religion* ,1994 Evidentialism and the Will to Believe Scott Aikin,2014-05-22 Work on the norms of belief in epistemology regularly starts with two touchstone essays W K Clifford's The Ethics of Belief and William James's The Will to Believe Discussing the central themes from these seminal essays Evidentialism and the Will to Believe explores the history of the ideas governing evidentialism As well as Clifford's argument from the examples of the shipowner the consequences of credulity and his defence against skepticism this book tackles James's conditions for a genuine option and the structure of the will to believe case as a counter example to Clifford's evidentialism Exploring the question of whether James's case successfully counters Clifford's evidentialist rule for belief this study captures the debate between those who hold that one should proportion belief to evidence and those who hold that the evidentialist norm is too restrictive More than a sustained explication of the essays it also surveys recent epistemological arguments to evidentialism But it is by bringing Clifford and James into fruitful conversation for the first time that this study presents a clearer history of the issues and provides an important reconstruction of the notion of evidence in contemporary epistemology **The Ethics of Richard Rorty** Susan Dieleman,David E. McClean,Paul Showler,2022-05-05 This book contains diverse and critical reflections on Richard Rorty's contributions to ethics an aspect of his thought that has been relatively neglected Together they demonstrate that Rorty offers a compelling and coherent ethical vision The book's chapters grouped thematically explore Rorty's emphasis on the importance of moral imagination social relations language and literature as instrumental for ethical self transformation as well as for strengthening what Rorty called social hope which entails constant work toward a more democratic inclusive and cosmopolitan society and world Several contributors address the ethical implications of Rorty's commitment to a vision of political liberalism without philosophical foundations Others offer critical examinations of Rorty's claim that our private or individual projects of self creation can or should be held apart from our public goals of ameliorating social conditions and reducing cruelty and suffering Some contributors explore hurdles that impede the practical applications of certain of Rorty's ideas The Ethics of Richard Rorty will appeal to scholars and advanced students interested in American philosophy and ethics **Hegel's Conscience** Dean Moyar,2011-04-06 This book provides a new interpretation of the ethical theory of G W F Hegel The aim is not only to give a new interpretation for specialists in German Idealism but also to provide an analysis that makes Hegel's ethics accessible for all scholars working in ethical and political philosophy *Faith and Reason in Kierkegaard* F. Russell Sullivan Jr.,2009-11-11 This ebook is now available from Bloomsbury Academic Bloomsbury Academic publish acclaimed resources for undergraduate and postgraduate courses as well as the general

reader across a broad range of subjects including Archaeology Art Visual Culture Biblical Studies Business Management Drama Performance Studies Economics Education Film Media History Linguistics Literary Studies Music Sound Studies Philosophy Politics International Relations Psychology Religious Studies Social Work Social Welfare Sociology Study Skills Theology and Wellbeing Health Lifestyle Visit bloomsbury.com for more information **Heythrop Journal** ,2001 A select book list appears quarterly Analytic Philosophy of Religion Robert G. Wolf,1998 American Philosophical Quarterly Nicholas Rescher,1997 *The Trouble with Literature* Victoria Ann Kahn,2020 This book argues that the literature of the English Reformation marks a turning point in Western thinking about literature and literariness Victoria Kahn contrasts modern and early modern understandings of the terms and focuses on the works of Thomas Hobbes John Milton Immanuel Kant Soren Kierkegaard and J M Coetzee Faith, Formation, and Decision James M. Childs,1992 James Childs s concise and compelling introduction is based on twenty years of teaching and writing in Christian ethics Illuminating his case with examples from business medicine and public policy dilemmas Childs constructs an original and comprehensive proposal for Christian ethics dialogical ethics one that resonates well with contemporary concern for character and virtue but is also animated and informed by Christian faith

The Life Of Irony And The Ethics Of Belief Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Life Of Irony And The Ethics Of Belief has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Life Of Irony And The Ethics Of Belief has opened up a world of possibilities. Downloading The Life Of Irony And The Ethics Of Belief provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Life Of Irony And The Ethics Of Belief has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Life Of Irony And The Ethics Of Belief. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Life Of Irony And The Ethics Of Belief. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Life Of Irony And The Ethics Of Belief, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites.

they are downloading from. In conclusion, the ability to download The Life Of Irony And The Ethics Of Belief has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Life Of Irony And The Ethics Of Belief Books
