**Ivy** Hilary Spurling, 2009 It is a real cause for celebration when the best and most subtle literary biography of our time comes back into print and in a single volume instead of the original two What Hilary Spurling does in a beautifully written book is to relate the life of Ivy Compton Burnett intimately to the work and show in fascinating details and with wonderful perception how her subject's characters mirror aspects of her own nature The book sends one back to read or re read the novels unfashionable toweringly original tragic comedies the most individual novels it may be of our time The Good Book Guide A true classic of the genre The Times A biographical triumph Hilary Spurling's portrait elegant stylist witty tender immensely acute dazzles and exhilarates Literary Review *The Life of Ivy Compton-Burnett* Elizabeth Sprigge, 1973 **Ivy** Hilary Spurling, 1986-03-02 **Ivy** Hilary Spurling, 1995 It is a real cause for celebration when the best and most subtle literary biography of our time comes back into print and in a single volume instead of the original two What Hilary Spurling does in a beautifully written book is to relate the life of Ivy Compton Burnett intimately to the work and show in fascinating details and with wonderful perception how her subject's characters mirror aspects of her own nature The book sends one back to read or re read the novels unfashionable toweringly original tragic comedies the most individual novels it may be of our time The Good Book Guide A true classic of the genre The Times A biographical triumph Hilary Spurling's portrait elegant stylist witty tender immensely acute dazzles and exhilarates Literary Review **Secrets of a Woman's Heart** Hilary Spurling, 1985 **Ivy when Young** Hilary Spurling, 1974 **A Family and a Fortune** Ivy Compton-Burnett, 2011-09-28 Edwin Muir wrote of Ivy Compton Burnett in the Observer Her literary abilities have been abundantly acknowledged by the majority of her literary contemporaries Her intense individuality has removed her from the possibility of rivalry She takes as her theme the tyrannies and internecine battles of English family life in leisured well conducted country houses To Miss Compton Burnett the family conflict is intimate unrelenting very often indecisive and fought out mainly in conversation The passions which bring distress to her country houses have recently devastated continents To present an image of this totally unique writer we have to imagine a Jane Austen writing in the present day Greek prose tragedies in which the wicked generally triumph on late Victorian themes First published in 1939 A Family of a Fortune conveys largely through dialogue which may be subtle humorous envenomed or tragic the effects of death and inheritance on the house of Gaveston in particular on the relations between Edgar and his selfless younger brother Dudley This apart from the embittered character of Matilda Seaton is her kindest novel **A Historical Dictionary of British Women** Cathy Hartley, 2013-04-15 This reference book containing the biographies of more than 1 100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2 000 years of British life Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women Also included are women who influenced events in a more indirect way the wives of kings

conservative national temperament which could be defensive and protective yet modernising in outlook In a series of literary analyses the author suggests some of the tones and accents of this new version of Englishness in particular she looks at new kinds of readership and fiction at the historical and emotional significance of the whodunit the burgeoning of historical romance and the creation of a middlebrow culture in the period *Forever England* evokes a powerful sense of period and of the pleasures of reading providing an intimate picture of interwar life from inside the English middle classes As a feminist inquiry it argues from a different kind of social and political history one which makes connections between the interior structures of private life and their more public national forms Controversially it also urges that feminism deal with conservative as well as radical desires and their place in women's lives
