Memories Tove Jansson, 2014-10-21 An NYRB Classics Original Tove Jansson was a master of brevity unfolding worlds at a touch Her art flourished in small settings as can be seen in her bestselling novel The Summer Book and in her internationally celebrated cartoon strips and books about the Moomins It is only natural then that throughout her life she turned again and again to the short story The Woman Who Borrowed Memories is the first extensive selection of Jansson s stories to appear in English Many of the stories collected here are pure Jansson touching on island solitude and the dangerous pull of the artistic impulse in The Squirrel the equanimity of the only inhabitant of a remote island is thrown by a visitor in The Summer Child an unlovable boy is marooned along with his lively host family in The Cartoonist an artist takes over a comic strip that has run for decades and in The Doll s House a man s hobby threatens to overwhelm his life Others explore unexpected territory Shopping has a post apocalyptic setting The Locomotive centers on a railway obsessed loner with murderous fantasies and The Woman Who Borrowed Memories presents a case of disturbing transference Unsentimental yet always humane Jansson s stories complement and enlarge our understanding of a singular figure in world literature **The American Terrorists** Boo
