The Master Plan Gods Hope To Heal Humanity:

Exodus: the Master Plan Alice Gravatt, 2017-04-24 A master plan exists for human life so amazing that it goes beyond human imagination No human mind could give birth to it nor can any human ability bring it into being The plan is intended for all people who will claim it for themselves The plan is given to us by our Creator through Moses's tabernacle in approximately 1440 BC in a book called Exodus and it is about to be fulfilled in the near future The tabernacle is the blueprint for the plan through an amazing voluminous number of symbols expressed in measurements the furniture within it metals and substances for construction and colors and areas used within it The historic people Israel were the scale model of the plan a living clarification of the symbols on the stage of planet earth In part five you'll find several chapters of totally unique revelations that give us a clearer understanding of some concepts that we have had difficulty in grasping particularly in the chapter The Cell of Life Let's put off the conventional humanly preconceived limiting blindness of human legalism and tradition and explore the concepts from a greater mind whose vision is unlimited That vision is expressed in a being who has agape sacrificial love The plan with its promises is available to everyone who really wants its gift requiring no merit on the part of the receiver only a hungry heart desiring truth and a willingness to follow its guidance The purpose of Exodus The Master Plan is to draw you into this plan so you may have all of its promise The Master's Plan for the Church John MacArthur, 2008-03-01 It is absolutely essential that a church perceive itself as an institution for the glory of God and to do that claims John MacArthur the local church must adhere unfalteringly to biblical leadership principles Christ never intended church leadership to be earned by seniority purchased with money or inherited through family ties He never compared church leaders to governing monarchs but rather to humble shepherds not to slick celebrities but to laboring servants Drawing from some of the best received material on church leadership this updated edition guides the church with crucial effective lessons in leadership This book is valuable not only for pastors and elders but for anyone else who wants the church to be what God intended it to be *Jesus and Personality Theory* James R.
