The Middle East And South Asia 1994 Pb 1994:

Index of Islamic Literature ,1996 *Nigeria-South Africa Relations and Regional Hegemonic Competence* Oluwaseun Tella,2018-11-27 This book examines the relations between Nigeria and South Africa and their implications for regional influence across the African continent With the largest and third largest economies in the region and a historical status as the major peacemakers on the continent it is often argued that Africa s fate is directly linked to the success or failure of these regional powers While there is widespread reference to each state s capabilities and regional influence in the extant literature little analysis is offered on relations between Nigeria and South Africa and their impact on regional governance and provision of public goods on the continent This book attempts to fill the gap by engaging issues such as the hegemonic competence of the states their credentials for a permanent seat at the UNSC their efforts towards regional integration and their efforts towards combating the dark side of globalization including climate change drug trafficking and xenophobia It also engages a gender perspective to these states relations as well as their experiences of transitional justice Providing an in depth comparative analysis of the two so called African powerhouses this volume will be of interest to policy makers academics and students interested in Nigeria and South Africa s foreign policy regional powerhood and the African peace security and development agenda **The Muslim World Book Review** ,1995 *The British Imperial Army in the Middle East* James E. Kitchen,2014-02-25 The First World War has often been understood in terms of the combat experiences of soldiers on the Western Front those combatants who served in the other theatres of the war have been neglected Using personal testimonies official documentation and detailed research from a diverse range of archives *The British Imperial Army in the Middle East* explores the combat experiences of these soldiers The army that fought the Ottoman Empire was a multinational and multi ethnic force drawing personnel from across Britain s empire including Australia New Zealand and India By taking a transnational and imperial perspective on the First World War this book ensures that the campaigns in Egypt and Palestine are considered in the wider context of an empire mobilised to fight a total and global war *Bulletin of Regional Cooperation in the Middle East* ,1993 *Identification and Gap Analysis of Key Biodiversity Areas* Penny F. Langhammer,2007 Important Bird Areas and Important Plant Areas have already been identified in more than 170 countries The Key Biodiversity Areas approach builds on the work done to date in order to provide practical guidance to governments in identifying those sites which must be protected to ensure the future of both biodiversity and humanity **The Handbook of Sex Differences Volume III Behavioral Variables** Lee Ellis,Craig T. Palmer,Rosemary Hopcroft,Anthony W. Hoskin,2023-06-30 The Handbook of Sex Differences is a four volume reference work assembled and written to assess sex differences in human traits although findings regarding other species are also included Based on the authors highly influential 2008 book *Sex Differences* these volumes highlight important new research findings from the last decade and a half alongside earlier findings Conclusions reached by meta analyses are also included In this the work s third volume

findings from thousands of studies pertaining to behavior broadly defined are summarized Traits covered include those involving personality social behavior criminality work and sex stereotypes The eight chapters comprising Volume III are as follows 16 Personality and Behavioral Tendencies 17 Social Behavior 18 Acquiring Selling and Consuming Behavior 19 Criminality Near Criminality and Victimization 20 Education Work Social Status and Territorial Behavior 21 Sex Stereotypes 22 Attitudes and Actions Toward Others According to their Sex 23 Ecologically Based Sex Differences The Handbook of Sex Differences is of significant importance for any researcher student or professional who requires a comprehensive resource on sex differences

Rivalry And Cooperation In The Asia-Pacific: The Dynamics Of A Region In Transition (In 2 Volumes) Mark Beeson, 2019-09-23 Rivalry and Cooperation in the Asia Pacific provides a comprehensive and accessible introduction to the most important strategic and economic region in the world Asia Pacific is a region that is undergoing a major transformation largely as a consequence of the rise of China and its growing rivalry with the United States Whatever happens in the Asia Pacific will profoundly influence global events not just regional ones Looking ahead the region's future direction and even its name is contested and uncertain This two volume reference work by one of the world's leading analysts of regional affairs places these events in historical context and considers what they may mean for future political economic and strategic relations By focusing on the United States China and the region's most significant middle powers the book explains why and how the Asia Pacific has become the fulcrum of international events

The Biology of Island Floras David Bramwell, Juli Caujapé-Castells, 2011-07-21 Oceanic islands offer biologists unparalleled opportunities to study evolutionary processes and ecological phenomena However human activity threatens to alter or destroy many of these fragile ecosystems with recent estimates suggesting that nearly half of the world's insular endemics are threatened with extinction Bringing together researchers from around the world this book illustrates how modern research methods and new concepts have challenged

accepted theories and changed our understanding of island flora. Particular attention is given to the impact of molecular studies and the insights that they provide into topics such as colonisation, radiation, diversification and hybridisation. Examples are drawn from around the world including the Hawaiian archipelago, Galapagos Islands, Madagascar and the Macronesian region. Conservation issues are also highlighted with coverage of alien species and the role of ex situ conservation, providing valuable information that will aid the formulation of management strategies and genetic rescue programmes.
