The Persuasive Preacher David A. Christensen, 2020-07-16 How can we preach persuasively without huckstering manipulating or coercing people Sadly we are seeing the fall of many pastors not for reasons of sexual immorality but the pursuit of pride and power The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church The lure of success is seductive turning pastors into hucksters and Christians into consumers We need to heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first century church and applies them to pastoral ministry today God calls preachers to be ethical and effective persuaders David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years of ministry He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God *Speaking to Teenagers* Doug Fields, Duffy Robbins, 2008-11-04 Get ready for a crash course in effective communication More than just a book on how to do talks *Speaking to Teenagers* combines the experience and wisdom of two veteran youth ministry speakers along with insightful research and practical tools to help you develop messages that engage students with the love of Christ and the power of his Word Whether you're crafting a five minute devotional or a 30 minute sermon *Speaking to Teenagers* is essential to understanding and preparing great messages Together Doug Fields and Duffy Robbins show you how they craft their own messages and give you the tools to do it yourself They'll guide you step by step through the process of preparing and delivering meaningful messages that effectively communicate to your students Fields and Robbins walk you through three dimensions of a message the speaker the listener and the message itself and introduce you to the concept and principles of inductive communication You'll also get helpful tips on finding illustrations for your talk and using them for maximum impact as well as insights on reading your audience and effective body language As *Speaking to Teenagers* guides you toward becoming a more effective communicator you'll find that this book's practical principles will positively impact the way you view treat and communicate to teenagers **Persuasive Preaching** R. Larry Overstreet, 2021-06-01 Michael Dudit executive editor of *Preaching Magazine* writes in the foreword that the reader will find in this book a valuable discussion of what persuasion really is what the Bible has to say about it how it is modeled in the New Testament and what role persuasion should and should not play in our own preaching in the twenty first century The author has provided solid biblical content and practical guidance that will be a powerful resource for preachers and church leaders He writes with clarity and dare I

say it persuasive power I hope you will be as blessed by this book as I have been Publisher **Pathways in Christian Music Communication** Roberta R. Hamilton, 1992-10-01 Homiletical Handbook is a primer for those who are called to preach It is intentionally simple in its explanation of the homiletical task and straightforward in getting to the point It is solid in its theology and biblical in its approach **Catalog of Copyright Entries.
