The Other Side Of Western Civilization:

The Other Side of Western Civilization Stanley Chodorow, Marci Sortor, Peter N. Stearns, 2000 This successful history reader is an ideal complement for Introduction to Western civilization or European history courses The book consists of secondary readings with a strong social history focus It provides students with exposure to the latest issues in European social history and to the nature of history research At the same time the articles themselves are easily linked to mainstream developments in their time periods

The Other Side of Western Civilization Stanley Comp Chorodow, 1973 *The Other Side of Western Civilization* Stanley Chodorow, 1973 *The Other Side of Western Civilization* Peter N. Stearns, 1992

The Other Side of Western Civilization Stanley Chodorow, 1984 *Empire and Politics in the Eastern and Western Civilizations* Andrea Balbo, Jaewon Ahn, Kihoon Kim, 2022-08-22 The volume includes the proceedings of the 2nd Roma Sinica project conference held in Seoul in September 2019 and aims to compare some features of the ancient political thought in the Western classical tradition and in the Eastern ancient thought The contributors coming from Korea Europe USA China Japan propose new patterns of interpretation of the mutual interactions and proximities between these two cultural worlds and offer also a perspective of continuity between contemporary and ancient political thought Therefore this book is a reference place in the context of the comparative research between Roman and early Greek thought and Eastern thought Researchers interested in Cicero Seneca Plato post Platonic and post Aristotelic philosophical schools history ancient Roman and Chinese languages could find interesting materials in this work

Inventing Western Civilization Thomas C. Patterson, 1997-01-01 In this wonderful book Thomas Patterson effectively dethrones the concept of civilization as an abstract good transcending human society Martin Bernal Drawing on his extensive knowledge of early societies Thomas C Patterson shows how class sexism and racism have been integral to the appearance of civilized societies in Western Europe He lays out clearly and simply how civilization with its designs of civilizing and being civilized has been closely tied to the rise of capitalism in Western Europe and the development of social classes

The Other Side Robert (Robert D.) English, Jonathan J. Halperin, 1987-01-01 What do Soviets think of Americans What do they learn from books newspapers and films about life in America How do we as Americans form opinions about life in the U S S R Through the selective use of both Soviet and American materials *The Other Side* explores these and other provocative questions that are central to public understanding of how perceptions affect U S Soviet relations *The Other Side* also examines the many differences between Soviet and American media such as the role of the press and offers article by article comparisons of Soviet and American press coverage of the same events Appropriate for citizen of all ages and groups as well as individuals *The Other Side* includes a Reader s Guide suggested educational projects an annotated bibliography and guidance for discussion leaders

Western Civilization: A Global and Comparative Approach Kenneth L. Campbell, 2014-12-18 Featuring the one author one voice approach this text is ideal for instructors who do not wish to neglect the importance of non Western perspectives on the

study of the past The book is a brief affordable presentation providing a coherent examination of the past from ancient times to the present Religion everyday life and transforming moments are the three themes employed to help make the past interesting intelligible and relevant to contemporary society *Flesh and Stone: The Body and the City in Western Civilization* Richard Sennett, 1996-03-17 This vivid history of the city in Western civilization tells the story of urban life through bodily experience Flesh and Stone is the story of the deepest parts of life how women and men moved in public and private spaces what they saw and heard the smells that assailed them where they ate how they dressed the mores of bathing and of making love all in the architecture of stone and space from ancient Athens to modern New York Early in Flesh and Stone Richard Sennett probes the ways in which the ancient Athenians experienced nakedness and the relation of nakedness to the shape of the ancient city its troubled politics and the inequalities between men and women The story then moves to Rome in the time of the Emperor Hadrian exploring Roman beliefs in the geometrical perfection of the body The second part of the book examines how Christian beliefs about the body related to the Christian city the Venetian ghetto cloisters and markets in Paris The final part of Flesh and Stone deals with what happened to urban space as modern scientific understanding of the body cut free from pagan and Christian beliefs Flesh and Stone makes sense of our constantly evolving urban living spaces helping us to build a common home for the increased diversity of bodies that make up the modern city
