The Outer Limits Tourist Attraction:

Revenge of the Movie Monster Models Mark C. Glassy, 2024-05-07 Science fiction and fantasy movies of the 20th century feature many iconic figures and monsters and the ability to create and own many of them in the form of models provides fans with an opportunity to mingle amongst the greats and not so greats This book is a collection of figures and dioramas of monsters from both science fiction and fantasy films Models are presented in chronological order decade by decade starting with films in the silent era and running through the end of the century The building and painting of the figures and dioramas of various scenes from these films some more accurately than others provides an opportunity to preserve key moments in these movies *1999: A Space Odyssey* John K Balor, 2018-08-03 Part of the premise of the online discussion transcribed in this book is how Gerry Anderson's television series *Space 1999* can be understood in relation to Stanley Kubrick's 2001 *A Space Odyssey* by looking at both narratives through the perspective of systems theory As a result of doing so an engaged debate concerned with the political and philosophical subtext of both stories developed This book gives a full account of the debate with summaries of ideas and insights The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com
