they are experiencing Hank finds himself with only one loyal friend named Tyler who knows what Hank and Nancy are experiencing but at a more personal cost He lost a child to similar events After suffering a unforgivable loss Hank and Tyler ready themselves to launch a attack on this malicious entity only to see how dark and sinister the nature of these natives The pair suffer a loss that sends them to the emergency room of the small town due to the nature of the loss they are forced to make up a story just to get their wounds mended Hank returns home to find that there is actually more than one force at work A show down takes place at the core of the strange occurrences Nancy and hanks home It becomes evident that what they are dealing with are in fact two very different tribes one seeking blood and dominance and the other seeking to be left in hidden solitude What will come in the strange new world of languages intrigue and culture that has been laid at Nancy s doorstep     The Child's Zoological Garden Beata Francis,1881     *Tarnished Journey* Ann Gimpel,2017-07-18
