The Oxford Of Australian Religious Verse:

The Oxford Book of Australian Religious Verse Kevin Hart, 1994 This wide ranging anthology collects a wealth of Australian religious poetry It reveals Australia s religious imagination to be both rich and strange encompassing Aboriginal chants and Christian longings Jewish midrashim and Taoist meditations Unique to this volume Hart includes moments of doubt and disbelief to show how atheism too can be a powerful religious phenomenon The Cambridge History of Australian Literature Peter Pierce, 2009-09-17 Draws on scholarship from leading figures in the field and spans Australian literary history from colonial origins indigenous and migrant literatures as well as representations of Asia and the Pacific and the role of literary culture in modern Australian society The Oxford Book of Australian Religious Verse Kevin Hart, 1994 Paperback issue of an anthology first published in 1994 Australian poets reflections on spirituality life and death from a wide range of religious orientations including Christian Aboriginal Asian atheist and Jewish Poems are listed in alphabetical order of authors Contains an introduction and index of themes Christian Mysticism and Australian Poetry Toby Davidson, Australian poetry is popularly conceived as a tradition founded by the wry secular and stoic strains of its late nineteenth century bush balladeers Adam Lindsay Gordon Henry Lawson and Banjo Paterson consolidated into a land based vigour in publications such as the Bulletin Yet this popular conception relies on not actually consulting the poetry itself which for well over one hundred and fifty years has been cerebral introspective feminine and highly even experimentally religious This book casts Australian poetry in a new light by showing how Australian Christian mystical poetics can be found in every era of Australian letters how literary hostilities towards women poets eroticism and contemplation served to stifle a critical appreciation of mystical poetics until recent decades and how in the twentieth century one Australian Christian mystical poet began to influence another and share their appreciations of Dante Donne Traherne Blake Wordsworth Bront Rossetti Hopkins Yeats Eliot and Lowell **Heaven in Ordinary** David Jasper, 2018-11-29 Heaven in Ordinary is like a love affair with poetry that engages with religious questions for good or ill concerned with five poets who are haunted by God Poets in times of great faith and times of doubt have expressed for us their sense of both the presence and the absence of God in language that is sometimes almost sacramental in its weight of beauty love fear anger or despair The poets considered here all relate in some way to the traditions of Anglicanism through the centuries reflecting both a common humanity and a wide breadth of human experience as it struggles with God Heaven in Ordinary is deliberately autobiographical in approach as it is grounded in David Jasper's own lifetime experience of reading poetry since his school years and over four decades as a priest The poets he so beautifully discusses have related both positively and negatively to the Christian faith and the Anglican tradition Some are deeply religious others are haunted by God and the divine mystery Australian Poetry Paul Kane, 1996-01-01 This book offers a comprehensive and original reading of Australian poetry from the colonial period to the present through the dual lenses of Romanticism and negativity Paul Kane argues that the absence of Romanticism functions as a crucial presence

in the poetry of all the major Australian poets This absence or negativity is both thematic and structural and Kane s scrupulous analyses uncover important relations between Romanticism and negativity Chapters on nine individual poets explore and substantiate the theoretical claims informed by the work of contemporary critics of Romanticism and by various philosophers of negativity These chapters can serve as a series of self contained readings of Australian poets for the use of students scholars and informed general readers Australian Poetry is unique in its sustained argument and theoretical **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson, L.W. Publications, 2004 Provides up to date profiles on the careers of leading and emerging poets The Australian Christian "Les Murray Country" Ulla Fürstenberg, 2004 The Poetry of Les Murray Laurie Commonwealth ,1904 Hergenhan, Bruce Clunies Ross, 2001 Les Murray is acknowledged as Australia's leading poet the one with the most substantial world recognition Yet the criticism on his work has until now been commensurate with this reputation both in bulk and quality This ground breaking collection of essays ranges across Murray's considerable output examining its lyrical qualities and its remarkable linguistic inventiveness its landscapes and soundscapes its biographical qualities its underlying poetics and world view from the mid length poems to the culminating verse Fredy Neptune Impressive in their depth as well as their coverage these original essays reveal the riches of the poetry Contributors include outstanding Murray scholars new and well known from overseas as well as Australia Those interested in Australian and world poetry teachers students general readers and historians will find this volume an indispensable companion **Rewriting God** Elaine Lindsay, 2021-11-22 Women are rarely if ever mentioned in commentaries upon Australian Christianity and spirituality Only exceptional women are recognized as authorities on religious matters Why is this so Does it matter Don t people from the same religious tradition share similar experiences of the divine regardless of their gender Rewriting God asks whether women have been writing about the divine and whether their insights are different from those contained in malestream accounts of Australian Christianity and spirituality An analysis of the writings of popular theologians and religious commentators over the last twenty years suggests that the most popular form of spirituality among Australian theologians is Desert Spirituality An analysis of women's autobiographical writings however suggests that the desert is irrelevant to many women's spiritual experiences This book through a close investigation of the fictions of Thea Astley Elizabeth Jolley and Barbara Hanrahan attempts to posit alternative forms of women's spirituality and to signal ways in which this spirituality is already being expressed From the evidence gathered here it becomes obvious that traditional expressions of Australian Christianity and spirituality are gender specific and that they have functioned to deny women s religious experiences and to silence their claims to equality in the sight and service of the divine It becomes obvious too that women have been developing their own forms of religious expression and that these may be expected to supplant gradually withering images of Desert Spirituality Whether this new imagery will strengthen Australian Christianity or whether it merely marks a decline in the authority of Christianity remains a moot point A Companion to Contemporary British and Irish Poetry, 1960 - 2015 Wolfgang Gortschacher, David Malcolm, 2020-12-21 A comprehensive and scholarly review of contemporary British and Irish Poetry With contributions from noted scholars in the field A Companion to Contemporary British and Irish Poetry 1960 2015 offers a collection of writings from a diverse group of experts They explore the richness of individual poets genres forms techniques traditions concerns and institutions that comprise these two distinct but interrelated national poetries Part of the acclaimed Blackwell Companion to Literature and Culture series this book contains a comprehensive survey of the most important
