The Partisan, 1979 **The Partisan** Yitzhak Arad, 1979-11-01 *Partisan* Yitzhak Arad, 1987 *The Partisan* Yitzhak Arad, 1979 **Problems Unique to the Holocaust** Harry James Cargas, 2013-07-24

Victims of the Holocaust were faced with moral dilemmas for which no one could prepare. Yet many of the life and death situations forced upon them required immediate actions and nearly impossible choices. In *Problems Unique to the Holocaust*, today's leading Holocaust scholars examine the difficult questions surrounding this terrible chapter in world history. Is it ever legitimate to betray others to save yourself? If a group of Jews is hiding behind a wall and a baby begins to cry, should an adult smother the child to protect the safety of the others? How guilty are the bystanders who saw what was happening but did nothing to aid the victims of persecution? In addition to these questions, one contributor considers whether commentators can be objective in analyzing the Holocaust, or if this is a topic to be left only to Jews. In the final essay, another scholar assesses the challenge of ethics in a post-Holocaust world. This singular collection of essays, which closes with a meditation on Daniel Goldhagen's controversial book *Hitler's Willing Executioners*, asks bold questions and encourages readers to look at the tragedy of the Holocaust in a new light.

Jewish Child Soldiers in the Bloodlands of Europe David M. Rosen, 2022-03-03

This book is about the experiences of Jewish children who were members of armed partisan groups in Eastern Europe during World War II and the Holocaust. It describes and analyzes the role of children as activists, agents, and decision makers in a situation of extraordinary danger and stress. The children in this book were hunted like prey and ran for their lives. They survived by fleeing into the forest and swamps of Eastern Europe and joining anti-German partisan groups. The vast majority of these children were teenagers between ages 11 and 18, although some were younger. They were, by any definition, child soldiers, and that is the reason they lived to tell their tales. The book will be of interest to general and academic audiences. There is also great interest in children and childhood across disciplines of history and the social sciences. It is likely to spark considerable debate and interest since its argument runs counter to the generally accepted wisdom that child soldiers must first and foremost be seen as victims of their recruiters. The argument of this book is that time, place, and context play a key role in our understanding of children's involvement in war, and that in some contexts, children under arms must be seen as exercising an inherent right of self-defense.

A Litmus Test Case of Modernity Leonidas Donskis, 2009

This volume offers the insights of Baltic and Western European scholars into present socioeconomic migration, identity, gender, race, media, and historical memory issues in the Baltic States. The book attempts to show the intensity and depth of social, economic, and cultural change in the Baltic region. It throws light on why and how three small countries have become a litmus test case of modernity and its sensibilities, stretching from authoritarian and totalitarian past to liberal democratic present. An historic jump from the Soviet Union to the European Union was accompanied by a dramatic struggle of the Baltic States for their inalienable right to return to the political map of the world. The Baltic States allow us a glimpse of the twentieth-century history better than anything else. This

interdisciplinary volume by virtue of different perspectives employed by political scientists gender and race scholars communication and journalism researchers linguists and anthropologists will enable a readership to get the first hand knowledge about an unprecedented social and political change that took place in the Baltic States over the past nineteen years In addition the book allows a point of departure into some historical memory clashes controversies and moral and political debates over the past and its impact on the present Trauma & Memory Christine Berberich,2021-03-31 Over the past decades the memory of the Holocaust has not only become a common cultural consciousness but also a cultural property shared by people all over the world This collection brings together academics critics and creative practitioners from the fields of Holocaust Studies Literature History Media Studies Creative Writing and German Studies to discuss contemporary trends in Holocaust commemoration and representation in literature film TV the entertainment industry and social media The essays in this trans disciplinary collection debate how contemporary culture engages with the legacy of the Holocaust now that 75 years on from the end of the Second World War the number of actual survivors is dwindling It engages with ongoing cultural debates in Holocaust Studies that have seen a development from largely testimonial presentations of the Holocaust to more fictional narratives both in literature and film In addition to a number of chapters focusing in particular on literary trends in Holocaust representation the collection also assesses other forms of cultural production surrounding the Holocaust ranging from recent official memorialisation in Germany to Holocaust presentation in film computer games and social media The collection also highlights the contributions by creative practitioners such as writers and performers who use drama and the traditional art of storytelling in order to keep memories alive and pass them on to new generations The chapters in this book were originally published as a special issue of Holocaust Studies A Journal of Culture and History **The Neighbors Respond** Antony Polonsky,Joanna B. Michlic,2009-04-11 Neighbors Jan Gross s stunning account of the brutal mass murder of the Jews of Jedwabne by their Polish neighbors was met with international critical acclaim and was a finalist for the National Book Award in the United States It has also been from the moment of its publication the occasion of intense controversy and painful reckoning This book captures some of the most important voices in the ensuing debate including those of residents of Jedwabne itself as well as those of journalists intellectuals politicians Catholic clergy and historians both within and well beyond Poland s borders Antony Polonsky and Joanna Michlic introduce the debate focusing particularly on how Neighbors rubbed against difficult old and new issues of Polish social memory and national identity The editors then present a variety of Polish voices grappling with the role of the massacre and of Polish Jewish relations in Polish history They include samples of the various strategies used by Polish intellectuals and political elites as they have attempted to deal with their country s dark past to overcome the legacy of the Holocaust and to respond to Gross s book The Neighbors Respond makes the debate over Neighbors available to an English speaking audience and is an excellent tool for bringing the discussion into the classroom It constitutes an engrossing contribution to modern Jewish history to our understanding of

Polish modern history and identity and to our bank of Holocaust memory [The Avengers](#) Rich Cohen,2013-10-02 Riveting poignant and uplifting *The Avengers* is a powerful exploration of resistance and revenge of courage and dedication and an inside look at some of the intrepid individuals who fought against the Holocaust and the Nazi occupation of Europe Rich Cohen author of the acclaimed *Tough Jews* again narrates a little known episode of Jewish history this time altering what we thought we knew about the Holocaust Abba Kovner Vitka Kempner Ruzka Korczak comrades lovers friends In the Lithuanian ghetto of Vilna they were the heart of a breathtakingly courageous underground movement and when the ghetto was liquidated they fled to the forests and joined other partisans in continued sabotage and resistance **Beyond Courage** Doreen Rappaport,2012-09-11 Recounts the efforts of Jews who organized others and sabotaged the Nazis during the Holocaust including Georges Loinger who smuggled children from occupied France into Switzerland and four brothers who led refugees into the forest to build a village and an army **A Guest at the Shooters' Banquet** Rita Gabis,2015-09-08 In prose as beautiful as it is powerful Rita Gabis follows the trail of her grandfather's collaboration with the Nazis a trail riddled with secrets slaughter mystery and discovery Rita Gabis comes from a family of Eastern European Jews and Lithuanian Catholics She was close to her Catholic grandfather as a child and knew one version of his past prior to immigration he had fought the Russians whose brutal occupation of Lithuania destroyed thousands of lives before Hitler's army swept in Five years ago Gabis discovered an unthinkable dimension to her family story from 1941 to 1943 her grandfather had been the chief of security police under the Gestapo in the Lithuanian town of Svencionys near the killing field of Poligon where eight thousand Jews were murdered over three days in the fall of 1941 In 1942 the local Polish population was also hunted down Gabis felt compelled to find out the complicated truth of who her grandfather was and what he had done Built around dramatic interviews in four countries filled with original scholarship and mesmerizing in its lyricism *A Guest at the Shooters Banquet* is a history and family memoir like no other documenting the Holocaust by bullets with a remarkable quest as Gabis returns again and again to the country of her grandfather's birth to learn all she can about the man she thought she knew

Resilience and Courage Nechama Tec,2003-01-01 In this Nechama Tec's fifth book on the Holocaust vivid individual stories blend effortlessly with detailed comparisons of wartime experiences of women and men The result is a gripping account of the distinct coping strategies and ultimate fate of each sex Did women and men react differently under extreme conditions Tec seeks answers by examining their experiences in a variety of Holocaust settings during the initial stage of German occupation and in the ghettos the Nazi concentration and death camps the illegal Christian world underground movements and the forests She shows how in each of these environments the women and men negotiated the rough terrain of a coercive and oppressive society The Holocaust gender tapestry is complex and this book carefully illuminates its varied strands **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved *No Road Leading Back* Chris Heath,2024-09-03 This by turns shattering and hope giving account of prisoners who dug their way to

freedom from the Nazis is both a stunning escape narrative and an object lesson in the ways we remember and continually forget the particulars of the Holocaust No Road Leading Back is the remarkable story of a dozen prisoners who escaped from the site where more than 70 000 Jews were shot in the Lithuanian forest of Ponar after the Nazi invasion of Eastern Europe in 1941 Anxious to hide the incriminating evidence of the murders the S S later in the war enslaved a group of Jews to exhume every one of the bodies and incinerate them all in a months long labor an episode whose specifics are staggering and disturbing even within the context of the Holocaust From within that dire circumstance emerges the improbable escape made by some of the men who dug a tunnel with bare hands and spoons while they were trapped and guarded day and night an act not just of bravery and desperation but of awesome imagination Based on first person accounts of the escapees and on each scrap of evidence that has been documented repressed or amplified since this book resurrects their lives while also providing a complex urgent analysis of why their story has rarely been told and never accurately Heath explores the cultural use and misuse of Holocaust testimony and the need for us to face it and all uncomfortable historical truths with honesty and accuracy

The People's War Robert W. Thurston,Bernd Bonwetsch,2000 The People s War lifts the Stalinist veil of secrecy to probe an almost untold side of World War II the experiences of the Soviet people themselves Going beyond dry and faceless military accounts of the eastern front of the Great Patriotic War and the Soviet state s one dimensional heroic People this volume explores how ordinary citizens responded to the war Stalinist leadership and Nazi invasion Drawing on a wealth of archival and recently published material contributors detail the calculated destruction of a Jewish town by the Germans and present a chilling picture of life in occupied Minsk They look at the cultural developments of the war as well as the wartime experience of intellectuals for whom the period was a time of relative freedom They discuss women s myriad roles in combat and other spheres of activity They also reassess the behavior and morale of ordinary Red Army troops and offer new conclusions about early crushing defeats at the hands of the Germans defeats that were officially explained as cowardice on the part of high officers A frank investigation of civilian life behind the front lines The People s War provides a detailed balanced picture of the Stalinist USSR by describing not only the command structure and repressive power of the state but also how people reacted to them cooperated with or opposed them and adapted or ignored central policy in their own ways By putting the Soviet people back in their war this volume helps restore the range and complexity of human experience to one of history s most savage periods

Jewish Partisans of the Soviet Union during World War II Jack Nusan Porter,2021-08-31 Jewish Partisans of the Soviet Union is a classic compilation of original Russian and Jewish sources on the anti Nazi resistance in Eastern Europe It is rooted in decades of

research motivated by a desire to set the record straight on Jewish participation in resistance movements a phenomenon often overlooked when not actively concealed As the son of Jewish partisans in Nazi occupied Eastern Europe Jack Porter presents here the result of his decades long research first hand accounts and interviews with survivors and partisans as well as some of their original work and a seminal English translation of Partisan Brotherhood a historical document gathered by Russian Jewish intellectuals in 1948 at the height of anti Semitic hysteria written mainly by non Jewish Soviet partisan commanders recounting the deeds of the Jewish fighters in their units **The Holocaust** Martin Gilbert, 1987-05-15 Sets the scene with a brief history of anti Semitism prior to Hitler and documents the horrors of the Holocaust from 1933 onward in an incisive interpretive account of the genocide of World War II *DPs* Mark Wyman, 2014-12-02 Wyman has written a highly readable account of the movement of diverse ethnic and cultural groups of Europe s displaced persons 1945 1951 An analysis of the social economic and political circumstances within which relocation resettlement and repatriation of millions of people occurred this study is equally a study in diplomacy in international relations and in social history A vivid and compassionate recreation of the events and circumstances within which displaced persons found themselves of the strategies and means by which people survived or did not and an account of the major powers in response to an unprecedented human crisis mark this as an important book Choice
