Characteristics of Games George Skaff Elias, Richard Garfield, K. Robert Gutschera, 2012-08-24 Understanding games whether computer games card games board games or sports by analyzing certain common traits Characteristics of Games offers a new way to understand games by focusing on certain traits including number of players rules degrees of luck and skill needed and reward effort ratio and using these characteristics as basic points of comparison and analysis These issues are often discussed by game players and designers but seldom written about in any formal way This book fills that gap By emphasizing these player centric basic concepts the book provides a framework for game analysis from the viewpoint of a game designer The book shows what all genres of games board games card games computer games and sports have to teach each other Today s game designers may find solutions to design problems when they look at classic games that have evolved over years of playing Characteristics of Games written by three of the most prominent game designers working today will serve as an essential reference for game designers and game players curious about the inner workings of games It includes exercises which can also serve as the basis for discussions and examples chosen from a wide variety of games There are occasional mathematical digressions but these can be skipped with no loss of continuity

Appendixes offer supplementary material including a brief survey of the two main branches of mathematical game theory and a descriptive listing of each game referred to in the text

The Video Games Guide Matt Fox, 2013-01-17 The Video Games Guide is the world's most comprehensive reference book on computer and video games Presented in an A to Z format this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3 Xbox 360 Wii and PC Each game entry includes the year of release the hardware it was released on the name of the developer/publisher a one to five star quality rating and a descriptive review which offers fascinating nuggets of trivia historical notes cross referencing with other titles information on each game's sequels and of course the author's views and insights into the game In addition to the main entries and reviews a full color gallery provides a visual timeline of gaming through the decades and several appendices help to place nearly 3 000 games in context Appendixes include a chronology of gaming software and hardware a list of game designers showing their main titles results of annual video game awards notes on sourcing video games and a glossary of gaming terms

Fast Food Globalization in the Provincial Philippines Ty Matejowsky, 2017-12-20 Few contemporary societies remain beyond the global reach of today's fast food industry In both profound and subtle ways this style of cuisine and the corporate brands that promote it have effectively transformed the appetites health profiles and consumer sensibilities of millions the world over To better understand the variegated impact of McDonald's and other national and international quick service eateries on local life within a non western urban context Ty Matejowsky offers readers a highly engaging and granular account detailing the rise and popularity of these American style chains throughout the Philippines In *Fast Food Globalization in the Provincial Philippines* Matejowsky examines the rich diverse and decidedly syncretic food traditions of the Philippines one of the few global markets where industry giant McDonald's lags behind in competition with an indigenous chain Drawing on over twenty years of ethnographic fieldwork in two provincial Philippine cities Dagupan City Pangasinan and San Fernando City La Union Matejowsky has crafted one of the few anthropological accounts of fast food production and consumption within the socioeconomic milieu of a less developed country By turns critically engaged and highly reflexive he examines many of the historical political economic and sociocultural complexities that characterize the Philippines now thriving fast food scene Amid intersections of post colonial resistance retail indigenization corporatized childhood experiences and rising globesity Matejowsky considers the myriad ways this seemingly ubiquitous dining format is reimagined by industry players and everyday Filipinos to create something that is both intimately familiar and entirely new
