

The Passing Of The Modern Age

John Lukacs

The Passing Of The Modern Age:

The Passing of the Modern Age John Lukacs, 1970 First Harper torchbook edition 1972 **The Modern Age** Philip Van Ness Myers, 1903 **A Cultural History of Shopping in the Early Modern Age** Tim Reinke-Williams, 2022-06-02 A Cultural History of Shopping was a Library Journal Best in Reference selection for 2022 Across Europe the Early Modern period was marked by political religious and cultural upheaval and saw the emergence of the first global economy developments which profoundly impacted how people shopped and what they were able to buy This volume engages with the key debates around continuity and change in consumer behavior in the long 16th century and the ways in which shopping became an educational and exciting act for many women men and children across the social spectrum shops and market stalls were filled with an increasingly wide range of goods made by skilled craftspeople and transported by merchants making evermore ambitious and lucrative journeys across the world Even servants and the poor were exposed to these new things for they could consume by eye and ear what they could not afford to take home in material form Although they did not yet have a word for the activity of shopping in this period men and women came to understand that this activity was more than a functional act to acquire necessities A Cultural History of Shopping in the Early Modern Age presents an overview of the period with themes addressing practices and processes spaces and places shoppers and identities luxury and everyday home and family visual and literary representations reputation trust and credit and governance regulation and the state

Discovering Religious History in the Modern Age Hans Kippenberg, 2002-03-03 Kippenberg is a fine scholar of real integrity His book is a readable and practical introduction to the rise of the study of religion and culture in Europe as well as an intriguing piece of cultural theorizing It is serious without being pompous intelligent without being at all impenetrable and fresh without being strange Ivan Strenski University of California Riverside **Death in the Middle Ages and Early Modern Times** Albrecht Classen, 2016-04-11 Death is not only the final moment of life it also casts a huge shadow on human society at large People throughout time have had to cope with death as an existential experience and this also of course in the premodern world The contributors to the present volume examine the material and spiritual conditions of the culture of death studying specific buildings and spaces literary works and art objects theatrical performances and medical tracts from the early Middle Ages to the late eighteenth century Death has always evoked fear terror and awe it has puzzled and troubled people forcing theologians and philosophers to respond and provide answers for questions that seem to evade real explanations The more we learn about the culture of death the more we can comprehend the culture of life As this volume demonstrates the approaches to death varied widely also in the Middle Ages and the early modern age This volume hence adds a significant number of new facets to the critical examination of this ever present phenomenon of death exploring poetic responses to the Black Death types of execution of a female murderess death as the springboard for major political changes and death reflected in morality plays and art *A Cultural History of Disability in the Modern Age* David T. Mitchell, Sharon

L. Snyder, 2023-05-17 If eugenics the science of eliminating kinds of undesirable human beings from the species record came to overdetermine the late 19th century in relation to disability the 20th century may be best characterized as managing the repercussions for variable human populations A Cultural History of Disability in the Modern Age provides an interdisciplinary overview of disability as an outpouring of professional political and representational efforts to fix correct eliminate preserve and even cultivate the value of crip bodies This book pursues analyses of disability s deployment as a wellspring for an alternative ethics of living in and alongside the body different while simultaneously considering the varied social and material contexts of devalued human differences from World War I to the present In short this volume demonstrates that in Ozymandias like ways the Western Project of the Human with its perpetuation of body mind hierarchies lies crumbling in the deserts of failed empires genocidal furies and the rejuvenating myths of new nation states in the 20th century An essential resource for researchers scholars and students of history literature culture philosophy rehabilitation technology and education A Cultural History of Disability in the Modern Age explores such themes and topics as atypical bodies mobility impairment chronic pain and illness blindness deafness speech learning difficulties and mental health while wrestling with their status as unreliable predictors of what constitutes undesirable humanity **Islam and the Modern Age** Ilse Lichtenstadter, 1958 **Crime and Punishment in the Middle Ages and Early Modern Age** Albrecht Classen, Connie Scarborough, 2012-10-30 All societies are constructed based on specific rules norms and laws Hence all ethics and morality are predicated on perceived right or wrong behavior and much of human culture proves to be the result of a larger discourse on vices and virtues transgression and ideals right and wrong The topics covered in this volume addressing fundamental concerns of the premodern world deal with allegedly criminal or simply wrong behavior which demanded punishment Sometimes this affected whole groups of people such as the innocently persecuted Jews sometimes individuals such as violent and evil princes The issue at stake here embraces all of society since it can only survive if a general framework is observed that is based in some way on justice and peace But literature and the visual arts provide many examples of open and public protests against wrongdoings ill conceived ideas and concepts and stark crimes such as theft rape and murder In fact poetic statements or paintings could carry significant potentials against those who deliberately transgressed moral and ethical norms or who even targeted themselves *Globalism in the Middle Ages and the Early Modern Age* Albrecht Classen, 2023-09-05 Although it is fashionable among modernists to claim that globalism emerged only since ca 1800 the opposite can well be documented through careful comparative and transdisciplinary studies as this volume demonstrates offering a wide range of innovative perspectives on often neglected literary philosophical historical or medical documents Texts images ideas knowledge and objects migrated throughout the world already in the pre modern world even if the quantitative level compared to the modern world might have been different In fact by means of translations and trade for instance global connections were established and maintained over the centuries Archetypal motifs developed in many

literatures indicate how much pre modern people actually shared But we also discover hard core facts of global economic exchange import of exotic medicine and on another level intensive intellectual debates on religious issues Literary evidence serves best to expose the extent to which contacts with people in foreign countries were imaginable often desirable and at times feared of course The pre modern world was much more on the move and reached out to distant lands out of curiosity economic interests and political and military concerns Diplomats crisscrossed the continents and artists poets and craftsmen traveled widely We can identify for instance both the Vikings and the Arabs as global players long before the rise of modern globalism so this volume promises to rewrite many of our traditional notions about pre modern worldviews economic conditions and the literary sharing on a global level as perhaps best expressed by the genre of the fable

Rural Space in the Middle Ages and Early Modern Age Albrecht Classen, 2012-05-29 Older research on the premodern world limited its focus on the Church the court and more recently on urban space The present volume invites readers to consider the meaning of rural space both in light of ecocritical readings and social historical approaches While previous scholars examined the figure of the peasant in the premodern world the current volume combines a large number of specialized studies that investigate how the natural environment and the appearance of members of the rural population interacted with the world of the court and of the city The experience in rural space was important already for writers and artists in the premodern era as the large variety of scholarly approaches indicates The present volume signals how much the surprisingly close interaction between members of the aristocratic and of the peasant class determined many literary and art historical works In a surprisingly large number of cases we can even discover elements of utopia hidden in rural space We also observe how much the rural world was a significant element already in early medieval mentality Moreover as many authors point out the impact of natural forces on premodern society was tremendous if not catastrophic

Urban Space in the Middle Ages and the Early Modern Age Albrecht Classen, 2009 The contributors to this new volume explore the wide gamut of characteristic features determining the rise of the city as a central living space since the high Middle Ages and extend the investigation up to the eighteenth century Historians liter

A Cultural History of Democracy in the Modern Age Eugenio Biagini, Gary Gerstle, 2022-12-15 This volume explores democracy in the 20th century examining the triumph crises recovery and resilience of democracy and its associated cultures in this period From 1920 democracy became the hegemonic discourse in political cultures to the extent that even its enemies claimed its legacy The end of empires ushered in an unprecedented globalization of democratic aspirations Barriers of gender and race were gradually removed and greater equality gave new meaning to citizenship Yet already in 1922 democracy was on its back foot with the rise of fascism Even after the latter's defeat in 1945 liberal democracy died wherever communist democracy triumphed The situation changed again from 1989 but democratic hubris was then checked by the rise of a new enemy populism The paradox is that the century of democracy's triumph was also that of its near final defeat while the peace and stability that everybody desired and many expected as the

outcome of the extension of democracy were at best intermittent and geographically limited Each chapter takes a different theme as its focus sovereignty liberty and the rule of law the common good economic and social democracy religion and the principles of political obligation citizenship and gender ethnicity race and nationalism democratic crises revolutions and civil resistance international relations and democratic politics beyond the polis These ten different approaches to democracy since 1920 offer a global synoptic and probing exploration of the subject

Pleasure and Leisure in the Middle Ages and Early Modern Age Albrecht Classen, 2019-08-05 Jan Huizinga and Roger Caillois have already taught us to realize how important games and play have been for pre modern civilization Recent research has begun to acknowledge the fundamental importance of these aspects in cultural religious philosophical and literary terms This volume expands on the traditional approach still very much focused on the materiality of game toys cards dice falcons dolls etc and acknowledges that game constituted also a form of coming to terms with human existence in an unstable and volatile world determined by universal randomness and fortune Whether considering blessings or horse fighting falconry or card games playing with dice or dolls we can gain a much deeper understanding of medieval and early modern society when we consider how people pursued pleasure and how they structured their leisure time The contributions examine a wide gamut of approaches to pleasure considering health issues eroticism tournaments playing music reading and listening drinking alcohol gambling and throwing dice This large issue was also relevant of course in non Christian societies and constitutes a critical concern both for the past and the present because we are all homines ludentes

Addressing the Climate in Modern Age's Construction History Carlo Manfredi, 2019-04-08 This book sheds light on environmental control in buildings from the 17th century onwards Even before building services became a hallmark of buildings in order to address increasing sanitary and comfort needs pioneering experiences had contributed to improve design skills of professionals After long being determined by passive features indoor climate became influenced by installations and plants representing the most significant shift of paradigm in the modern age s construction history This change was not without consequences and the book presents contributions showing the deep connection between architectural design comfort requirements and environmental awareness throughout the 19th century Taking into account the differences between different European countries the book is a valuable resource for architects designers and heritage professionals who are interested in environmental design enabling them to develop a deeper knowledge of heritage in order to address to climate demands particularly going towards a future in which energy savings and fuel consumption reduction will dictate our behaviour It includes contributions by leading international experts Melanie Bauernfeind Marco Cofani Lino Vittorio Bozzetto Emmanuelle Gallo Alberto Grimoldi Dean Hawkes Angelo Giuseppe Landi Mattias Legn r Oriel Prizeman and Henrik Schoenefeldt

While this might not be the The Passing Of The Modern Age full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Passing Of The Modern Age eBooks, including some popular titles.

FAQs About The Passing Of The Modern Age Books

What is a The Passing Of The Modern Age PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Passing Of The Modern Age PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Passing Of The Modern Age PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Passing Of The Modern Age PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Passing Of The Modern Age PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
