The Past Is Myself:

The Past Is Myself Christabel Bielenberg, 2024-06-20 On 29 September 1934 at the German Embassy office in London Christabel Bielenberg officially became a German citizen Having met her German husband Peter two years prior Christabel decided to renounce her British citizenship planning to start married life with Peter in Berlin Though Adolf Hitler had risen to power in 1933 Christabel and Peter were convinced the German people would see through the newly elected chancellor But soon Christabel found herself living under the horrors of Nazi rule and Allied bombings as the war progressed Closely associated with resistance circles her husband was arrested after the failure of the plot against Hitler's life on 20 July 1944 and she herself was interrogated by the Gestapo Though she lived in constant fear for her and her family's safety Christabel survived the war with the help of other like minded Germans who were against Hitler and the Third Reich With various memorable encounters from a simple minded Nazi official who was also her odd job gardener to the good hearted Black Forest villagers who sheltered her till the liberation Christabel shares not only the hardships and worry but also the humour and humanity she found during these dark days The human dimension of her writing brings about an unforgettable portrait of an evil time

The Past is Myself & The Road Ahead Omnibus Christabel Bielenberg, 2011-09-01 Brought together for the first time in one edition both of Christabel Bielenberg's bestselling memoirs give an incredibly moving emotionally charged and compelling insight into life in Nazi Germany during The Third Reich and during the aftermath of World War Two Offering a new perspective this is a must read for anyone interested in the wartime era This is one of the best WWII books I have ever read Reader review An excellent book and a must read for anyone interested in this era Reader review Absorbing Reader review Intensely moving Reader review A wonderful book I couldn't put it down Reader review The Past is Myself Christabel Bielenberg a niece of newspaper magnate Lord Northcliffe married a German lawyer in 1934 She lived through the war in Germany as a German citizen under the horrors of Nazi rule and Allied bombings The Past is Myself is her story of that experience and an unforgettable portrait of an evil time The Road Ahead Following the extraordinary success of her wartime memoir The Past is Myself Christabel Bielenberg received thousands of letters from readers begging her to describe what happened next In The Road Ahead she continues her story with the outbreak of peace a time of struggle for reconciliation with and the rebuilding of a defeated nation She also tells of life in her newly adopted country Ireland her involvement with the Peace Women of Northern Ireland and with characteristic modesty and gratitude looks back on a rich full life Anyone interested in the Second World War and life in the 1930s and 1940s will devour these unflinchingly honest and enthralling memoirs published together in one edition for the first time Christabel Dennis Potter, 1988 *Being and Nothingness* Jean-Paul Sartre, 2021-09-07 Revisit one of the most important pillars in modern philosophy with this new English translation the first in more than 60 years of Jean Paul Sartre's seminal treatise on existentialism This is a philosophy to be reckoned with both for its own intrinsic power and as a profound symptom of our time The New York Times In 1943

Jean Paul Sartre published his masterpiece *Being and Nothingness* and laid the foundation of his legacy as one of the greatest twentieth century philosophers. A brilliant and radical account of the human condition, *Being and Nothingness* explores what gives our lives significance. In a new and more accessible translation, this foundational text argues that we alone create our values and our existence is characterized by freedom and the inescapability of choice. Far from being an internal passive container for our thoughts and experiences, human consciousness is constantly projecting itself into the outside world and imbuing it with meaning. Now with a new foreword by Harvard professor of philosophy Richard Moran, this clear-eyed translation guarantees that the groundbreaking ideas that Sartre introduced in this resonant work will continue to inspire for generations to come.
