Rosina Ehmann

The Peaceable Sex On Aggression In Women And Men:

Gender, Emancipation, and Political Violence Sarah Colvin, Katharina Karcher, 2018-08-06 This volume presents and interrogates both theoretical and artistic expressions of the revolutionary militant spirit associated with 1968 and the aftermath in the specific context of gender The contributors explore political philosophical discussions of the legitimacy of violence the gender of aggression and peaceability and the contradictions of counter violence but also women s artistic and creative interventions which have rarely been considered Together the chapters provide and provoke a wide ranging rethink of how we read not only 1968 but more generally the relationship between gender political violence art and emancipation This work will be of great interest to students and scholars of protest and violence in the fields of history politics and international relations sociology cultural studies and women s studies Evolution, Gender, and Rape Cheryl Brown

Travis, 2003 Explains the flaws and limitations of a strictly biological model of rape and argues that traditionally stereotyped gender roles are grounded more in culture than in differing biological reproductive roles back cover **Male and Gay**

Victims of Intimate Partner Violence: An Introduction Lawrence Gibbs, 2019-09-07 An introduction to male and homosexual victims of intimate partner violence Data is presented along with discussions on topics including female aggression typologies of intimate partner violence motivations effects on victims and specific issues faced by gay and lesbian victims **The Natural Superiority of Women** Ashley Montagu, 1999 An iconoclast Montagu wields his encyclopedic knowledge of physical anthropology to show how women s biological genetic and physical characteristics make her not only

man s equal but his superior Also a humanist Montagu points to the emotional and social qualities typically ascribed to women and devalued as being central to the attainment of equitable and just social relations BOOK JACKET Women Against Napoleon Gertrud M. Roesch, 2007 Although Prussia s beloved Queen Luise and the Swiss born aristocrat and writer Germaine de Sta l were Napoleon Bonaparte s best known female opponents women s discontent with Napoleon and the Napoleonic wars was more widespread and vocal than once assumed Women against Napoleon expands our awareness of the range of women s responses to the despot by presenting an international spectrum of female opposition including contemporary letters diaries and published writings as well as historical fiction of the twentieth century By setting these materials together this volume forges new links between literary historical and gender scholarship A Natural History of Peace Thomas Gregor, 1996 A stimulating and innovative consideration of the concept causes and practice of peace in societies both ancient and modern human and primate We know a great deal about aggression conflict and war but relatively little about peace partially because it has been such a scarce phenomenon throughout history and in our own times Peace is more than the absence of war Peace requires special relationships structures and attitudes to promote and protect it A Natural History of Peace provides the first broadly interdisciplinary examination of peace as viewed from the perspectives of social anthropology primatology archeology psychology political science and economics Among other notable features this

volume offers a major theory concerning the evolution of peace and violence through human history an in depth comparative study of peaceful cultures with the goal of discovering what it is that makes them peaceful one of the earliest reports of a new theory of the organization and collapse of ancient Maya civilization a comparative examination of peace from the perspective of change including the transition of one of the world s most violent societies to a relatively peaceful culture and the decision making process of terrorists who abandon violence and a theory of political change that sees the conclusion of wars as uniquely creative periods in the evolution of peace among modern nations *Yahweh the Patriarch* Erhard S. Gerstenberger,2021-02-02 Israel s conceptions of God changed argues Gerstenberger over the millennium witnessed in Hebrew Scriptures Contrary to widespread opinion the author shows that historical and biblical evidence points to an active early participation of women in cultic life especially in the domestic realm when in the sixth century the status of women underwent a change Social upheaval political and economic stress and the growing influence of priestly circles converged to redefine God in male terms This book explores the religious role of women in these different periods and social organizations How did women lose a strong position in Israelite house cult as attested in Scriptures and through archaeological findings Why did Yahweh who once had a consort Asherah turn into a lone and militantly male deity *Literature, Psychoanalysis and the New Sciences of Mind* Leonard Jackson,2014-09-11 At a time when psychoanalysis is attacked by biologists psychologists and literary critics alike this book offers a radical defence Literature Psychoanalysis and the New Sciences of Mind gives a clear introduction to the theories of Freud and Jung the strange linguistic rewriting of Freud by Jacques Lacan It explores the extraordinary variety of ways in which these writings have been applied to literature and literary theory But for the first time they are put in the context of recent biological theories of mind and sexuality *Boys Will be Boys* Myriam Miedzian,2002 In this book Miedzian provides a thorough investigation of the numerous factors influencing aggression and violence in American males In addition she also provides descriptions and proposals for interventions social action and solutions to break the link between masculinity and violence The book is separated into three major parts 1 The Problem The acceptance of violence as a way of life 2 Toward a Solution Raising sons for the twenty first century 3 Conclusions Beyond the masculine mystique Throughout the book Miedzian emphasizes that because males have a high potential for aggression and violence every effort should be made to encourage and model for males those qualities that are counter to violence She illustrates the large extent to which our culture currently and historically encourages qualities and values that increase a male s propensity for violence From a review of the book by Lori A Cillo **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 *The Peaceable Sex* Margarete Mitscherlich,1987 Translation of Die friedfertige Frau **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1989 *Wartime Sexual Violence against Men* , Élise Féron,2018-11-16 Cases of sexual violence against men have been documented in a great number of conflicts and wars both ancient and contemporary Despite this growing empirical evidence

there is still a dearth of analyses on this type of violence which stands in stark contrast with the abundant literature dealing with sexual violence against women Based on a fieldwork conducted primarily in the Great Lakes Region of Africa this book proposes to look at wartime sexual violence against men as a performative gendered act that stemming from the same logic underpinning sexual violence against women re affirms a gendered social hierarchy The book explores patterns of wartime sexual violence against men and presents survivors but also perpetrators stories The book proceeds to analysing the context in which this type of violence can be understood narrated but also addressed either through support programs for survivors or through legal means

Aggression and Peacefulness in Humans and Other Primates James Silverberg,J. Patrick Gray,1992-03-19 This book explores the role of aggression in primate social systems and its implications for human behavior Many people look to primate studies to see if and how we might be able to predict violent behavior in humans or ultimately to control war Of particular interest in the study of primate aggression are questions such as how do primates use aggression to maintain social organization what are the costs of aggression why do some primates avoid aggressive behavior altogether Students and researchers in primatology behavioral biology anthropology and psychology will read with interest as the editors and contributors to this book address these and other basic research questions about aggression They bring new information to the topic as well as an integrated view of aggression that combines important evolutionary considerations with developmental sociological and cultural perspectives

Responding to Domestic Violence Eve S Buzawa,Eva Schlesinger Buzawa,Carl G Buzawa,Evan Stark,2012 Building on the success of previous editions this book has been expanded to integrate the criminal justice system into a broad systemic response for both victims and offenders

Sex and Violence in 1920s Scotland Louise Heren,2023-10-05 Using case records of prosecutions at the Scottish High Court of Justiciary between 1918 and 1930 this book takes a quantitative and qualitative approach to understand sexual violence in Scotland at this time Analysing legal records alongside victim and witness testimonies Louise Heren analyses who committed sexual violence against whom where and how and to an extent looks to uncover the victims voice Assessing how the courts responded *Sex and Violence in 1920s Scotland* reveals that despite pejorative views of working class female behaviour the successful conversion of prosecutions to convictions was greater than what is seen in modern sexual assault cases In a society adjusting to post conflict stresses there were fears expressed in middle class circles that those most affected by the First World War might react with violence However the High Court archives suggest otherwise Cases of incest rape and sexual assault appears to have been endemic an opportunistic crime against older victims yet often pre meditated against the youngest selfish crimes that suggest toxic masculinity among some working class men The book concludes with the ultimate question why did these men perpetrate sexual violence

Peaceful Peoples Bruce D. Bonta,1993-12-01 Peaceful peoples are societies that have developed harmonious social structures which allow them to get along with each other and with outsiders without violence Most of these peoples foster a spirit of cooperation rather than competition promote sharing rather than glorifying

greed and live in harmony with the earth as well as with other people Perhaps most importantly they believe that peacefulness is the defining characteristic of their humanity Some of the peoples included in the book are from the Western tradition such as the Amish Hutterites Mennonites Quakers and Tristan Islanders from South America the Piaroa from Africa the Fipa from South Asia the Paliyan Malapandaram and Nayaka from Southeast Asia the Semai Chewong and Buid and from Micronesia the Ifaluk This selected bibliography includes annotated references to books articles and other English language publications that provide significant information about a peaceful society The author has combed the literature of fields such as anthropology psychology sociology history and religious studies for appropriate works with a cutoff date of 1992 Scholars and peace activists who are interested in societies that foster peacefulness have difficulty finding references to the literature Numerous indexes and abstracts do not include subject headings such as peaceful peoples Furthermore indexing services often do not cover chapters in edited volumes an important part of this literature The book includes a very detailed name and subject index that provides access to the intriguing social psychological and cultural similarities and difference existing among the peoples

The Social Science Encyclopedia Adam Kuper, Jessica Kuper, 2004-10-14 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society

Transforming Warriors Peter Haldén, Peter Jackson, 2016-05-12 This volume offers an interdisciplinary study of how different cultures have sought to transform individuals into warriors War changes people however a less explored question is how different societies want people to change as they are turned into warriors When societies go to war they recognize that a boundary is being crossed The participants are expected to do things that are otherwise prohibited or at least governed by different rules This edited volume analyses how different cultures have conceptualized the transformations of an individual passing from a peacetime to a wartime existence to become an active warrior Despite their differences all societies grapple with the same question how much of the individual's peace self should be and can be retained in the state of war The book explores cases such as the Nordic berserkers the Japanese samurai and European knights as well as modern soldiers in Germany Liberia and Sweden It shows that archaic and modern societies are more similar than we usually think both kinds of

societies use myths symbols and rituals to create warriors Thus this volume seeks to redefine theories of modernization and secularization It shows that military organizations need to take myths symbols and rituals seriously in order to create effective units This book will be of much interest to students of military studies war studies sociology religion and international relations in general Wartime Sexual Violence at the International Level: A Legal Perspective Caterina E. Arrabal Ward, 2018-07-10 In Wartime Sexual Violence at the International Level A Legal Perspective Dr Caterina Arrabal Ward discusses the understanding of wartime sexual violence by the international tribunals and argues that wartime sexual violence often takes place without the explicit purpose to destroy a community or population and is not necessarily a strategic choice This research suggests that a more focused approach based on a much clearer definition of these crimes would help to remedy deficiencies at the different stages of international justice in relation to these crimes

This is likewise one of the factors by obtaining the soft documents of this **The Peaceable Sex On Aggression In Women And Men** by online. You might not require more grow old to spend to go to the ebook launch as skillfully as search for them. In some cases, you likewise do not discover the revelation The Peaceable Sex On Aggression In Women And Men that you are looking for. It will extremely squander the time.

However below, in the manner of you visit this web page, it will be hence entirely easy to acquire as well as download lead The Peaceable Sex On Aggression In Women And Men

The Peaceable Sex On Aggression In Women And Men Introduction

In today's digital age, the availability of The Peaceable Sex On Aggression In Women And Men books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Peaceable Sex On Aggression In Women And Men books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Peaceable Sex On Aggression In Women And Men books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Peaceable Sex On Aggression In Women And Men versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Peaceable Sex On Aggression In Women And Men books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Peaceable Sex On Aggression In Women And Men books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed

and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Peaceable Sex On Aggression In Women And Men books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Peaceable Sex On Aggression In Women And Men books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Peaceable Sex On Aggression In Women And Men books and manuals for download and embark on your journey of knowledge?

FAQs About The Peaceable Sex On Aggression In Women And Men Books

1. Where can I buy The Peaceable Sex On Aggression In Women And Men books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
